MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has secured new construction and maintenance contracts and extensions in the resources and energy sectors totalling over \$140 million.

The Company has been awarded a two-year extension to its existing contract providing midstream maintenance and turnaround services at Shell QGC’s Curtis Island operations in Gladstone, Queensland.

Also in Gladstone, Monadelphous has been awarded a two-year extension to its existing contract providing mechanical maintenance services at Queensland Alumina Limited’s operations.

Finally, the Company has been appointed to a panel providing fixed plant projects across Fortescue’s Pilbara operations in Western Australia until 30 August 2025 (with a one-year extension option), adding to the non-process infrastructure services panel contract awarded last financial year.
