Dear Ms Gomme

REQUEST FOR TRADING HALT

Pursuant to Listing Rule 17.1, Frontier Energy Limited (ASX: FHE), (the “**Company**”) requests an immediate trading halt in the trading of the Company’s securities pending an announcement regarding the results of a Definitive Feasibility Study.

In accordance with Listing Rule 17.1, the Company provides the following information in connection with this request:

- The Company requests that the trading halt remains in place until the earlier of the commencement of normal trading on Thursday 29 February 2024 or an announcement in relation to the above;
- The Company is not aware of any reason why the trading halt should not be granted; and
- The Company is not aware of any further information necessary to inform the market about the trading halt.

Yours sincerely,

Catherine Anderson
Company Secretary

About Frontier Energy

Frontier Energy Ltd (ASX: FHE; OTCQB: FRHYF) is developing the Waroona Renewable Energy Project (the Project) located 120km from Perth in Western Australia.

Waroona has potential to become one Australia's largest standalone renewable energy projects, as the Company owns 868ha of adjoining freehold land whilst also having approvals in place for a connection onto the WA electricity network (SWIS) with a terminal adjacent to the Project.

The Company is rapidly advancing the Stage One development that consists of a 120MW solar farm and 80MW development towards a Final Investment Decision in 2024.

Frontier is fully committed to making it one of WA's major renewable energy hubs, incorporating multiple value-adding initiatives including batteries and green hydrogen, with full renewable energy potential of more than 1GW based on connection capacity.
