### **About Entyr Limited**

*Entyr Limited (Entyr) (ASX: ETR) is an Australian company with unique technology that has the potential to play a significant role in solving the global waste tyre problem. The patented thermal desorption technology cleanly converts end-of-life tyres into valuable products, (oil, carbon, steel) using heat in an oxygen free environment. Entyr is a complete environmental and circular solution for one of the world's largest waste and environmental problems.*
