The half-year financial report was authorised for issue by the directors on 27 February 2024.

Basis of preparation

The half-year financial report has been prepared on a historical costs basis. Cost is based on the fair value of the consideration given in exchange for assets. The Company is domiciled in Australia and all amounts are presented in Australian dollars, unless otherwise noted.

For the purpose of preparing the interim report, the half-year has been treated as a discrete reporting period.

These accounting policies are consistent with Australian Accounting Standards and International Financial Reporting Standards.

New or amended Accounting Standards and Interpretations adopted

**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF ICETANA LIMITED**

Report on the Half Year Financial Report

Conclusion

We have reviewed the accompanying half year financial report of icetana Limited ("the Company") and its controlled entities ("the Consolidated Entity"), which comprises the consolidated statement of financial position as at 31 December 2023 and the consolidated statement of profit and loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half year financial report of icetana Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Company's financial position as at 31 December 2023 and of its financial performance for the half year ended on that date; and
- b) complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of financial report* sections of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Half Year Financial Report

The directors of the Company are responsible for the preparation of the half year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the *Corporations*

Act 2001 and for such internal control as the directors determine is necessary to enable the preparation and fair presentation of the half year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagement ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Consolidated Entity's consolidated financial position as at 31 December 2023 and its consolidated financial performance for the half year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
