NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
for the half-year ended 31 December 2023

1. BASIS OF PREPARATION OF INTERIM FINANCIAL REPORT

Mustera Property Group Ltd (**Mustera** or **Company**) is a public company limited by shares incorporated in Australia whose shares are quoted on the Australian Securities Exchange (**ASX**).

These consolidated financial statements comprise the Company and its subsidiaries (collectively the “**Group**” and individually “**Group companies**”). They were authorised for issue by the Board of Directors on 29 February 2024.

This interim financial report for the half-year period ended 31 December 2023 has been prepared in accordance with accounting standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 ‘Interim Financial Reporting’.

This interim financial report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Group as in the full financial report.

It is recommended that this interim financial report be read in conjunction with the annual financial report for the financial period ended 30 June 2023 and considered together with any public announcements made by Mustera during the half-year ended 31 December 2023 in accordance with the continuous disclosure requirements arising under the *Corporations Act 2001* and the ASX Listing Rules.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, except for the impact of the new or amended standards became applicable for the current reporting period. The Group did not have to make retrospective adjustments as a result of adopting these standards.

Going concern

For the period ended 31 December 2023 the Group recorded a loss of \$2,725,275 and had net cash outflows from operating activities of \$17,934,010. The Group had cash and cash equivalent of \$481,749 and net working capital deficiency of \$23,510,696 as at 31 December 2023. The working capital deficiency includes current borrowings of \$75,926,014 (largely related to drawdown on the primary development financing facility for the Forbes Project).

The Directors believe there are sufficient funds to meet the Group’s working capital requirements as at the date of this report.

The financial statements have been prepared on the basis that the Group is a going concern, which contemplates the continuity of normal business activity, realisation of assets and settlement of liabilities in the normal course of business for the following reasons:

- The Group has renewed all its current existing loan facilities as disclosed in note 10 of the financial report, which provides funding for its ongoing development activities;
- The Group has the ability to extend on its current existing loan facilities when they fall due;
- the Group’s flagship Forbes project anticipated for completion in Q4 FY24 will generate cash inflow from settlement of contracted presales to date to provide funds which will allow the Group to retire the senior debt of that project;
- further sales of apartments in the Forbes project are expected to be achieved between now and the date of completion of the Forbes project to contribute to additional working capital for the Group on completion;
- the Group continues to generate rental income from several of its properties;
- the quality of the Group’s diverse development portfolio is such that it will attract appropriate equity and debt financing for its successful development; and
- the Group is able to divest its property inventory as and when required to augment its working capital.

Should the Group not be able to continue as a going concern, it may be required to realise its assets and discharge its liabilities other than in the ordinary course of business, and at amounts that differs from those stated in the financial statements. The financial report does not include any adjustments relating to the recoverability and classification of recorded assets or liabilities that may be necessary if the Group is unable to continue as a going concern.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
for the half-year ended 31 December 2023

2. CRITICAL ACCOUNTING ESTIMATES

The preparation of the interim financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing the interim financial report, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report as at and for the year ended 30 June 2023.

3. CHANGES IN ACCOUNTING STANDARDS

The accounting policies adopted in the preparation of the interim financial statements are consistent with those followed in the preparation of the Group's annual financial statements for the year ended 30 June 2023, except for the adoption of new and revised standards effective as of 1 July 2023. The adoption of the following new and revised standards and interpretations has not resulted in a significant or material change to the Group's accounting policies. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

4. FINANCIAL RISK MANAGEMENT

The Group's financial risk management objectives and policies are consistent with that disclosed in the financial statements as at and for the financial year ended 30 June 2023.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Mustera Property Group Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Mustera Property Group Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the Group's financial position as at 31 December 2023 and of its financial performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Material uncertainty relating to going concern

We draw attention to Note 1 in the financial report which describes the events and/or conditions which give rise to the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern and therefore the Group may be unable to realise its assets and discharge its liabilities in the normal course of business. Our conclusion is not modified in respect of this matter.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
