Summary Financial Results for 31 December 2023

iCandy Interactive Ltd (ASX: ICI) ("**iCandy**" or the "**Company**") is pleased to provide its unaudited financial results for the 12 months ended 31 December 2023.

During the financial year, the Group recorded a slight 4.89% reduction in revenue due to largely a challenging year for the video-game industry across many of its segments.

Revenue	27,730	29,154

The consolidated loss after tax for the twelve month period ended 31 December 2023 was \$7,692,622 (2022: loss of \$1,687,740), largely due to non-cash item movement.

Prospects for 2024

In response to an improving Web3.0 environment towards the end of 2023, the Group has bolstered preparations for several upcoming launches of projects to be ready for release in 2024.

Management remains committed towards driving its on-going strategic optimization of costs and right-sizing its operation.
