Dear Ben,

CI1: Request for Extension of Voluntary Suspension

Pursuant to ASX Listing Rule 17.2, Credit Intelligence Ltd (the “Company”) (ASX: CI1) formally applies for a further extension to the voluntary suspension to be put in place immediately.

The suspension is requested to be in place until the earlier of commencement of trade Thursday, 14 March 2024 or pending an announcement in relation to receipt of letters from the Hong Kong Official Receiver’s Office.

The request for a further extension is to enable the Company to make fulsome disclosures in relation to the letters from the Hong Kong Official Receiver’s Office (ORO). The Company is uncertain as to the financial position of the Company and unable to fully inform the market (notwithstanding its efforts to inform the market), as the ORO investigation remain ongoing (refer to the Company’s Half-Year Report released on 29 February 2024).

The Company is not aware of any reason why the Company’s request for an extension to the voluntary suspension should not be granted, or any other information necessary to inform the market about the extension to the voluntary suspension.

Yours sincerely,

Louisa Ho
Company Secretary
