SRG Global secures Marine Maintenance Contract with BlueScope Steel valued at ~\$35m

Highlights:

- **SRG Global has secured a contract with BlueScope Steel (AIS) Pty Ltd valued at ~\$35m**
- **Builds on SRG Global's portfolio of marine infrastructure projects across Australia**
- **Specialist marine remediation works and extension to the wharf structure**

SRG Global Ltd ('SRG Global' or 'the Company') (ASX: SRG) is pleased to announce that it has secured a contract to upgrade the wharf at Port Kembla, New South Wales valued at ~\$35m.

The contract is with BlueScope Steel (AIS) Pty Ltd, a wholly owned subsidiary of BlueScope Steel Limited (ASX: BSL), for specialist marine remediation services including the reconstruction of front service duct, concrete remediation and cathodic protection works, construction of the rear unloader beam and an extension to the wharf structure. The contract commences immediately and is expected to be complete in 2026.

David Macgeorge, SRG Global Managing Director, commented: "We are excited to be awarded this contract that builds on our portfolio of specialist marine remediation projects across Australia. We look forward to applying our integrated capabilities through these works and developing our relationship with BlueScope Steel.

"This contract award recognises SRG Global's proven capabilities and continued focus on the marine infrastructure sector. Importantly, this builds on our growing presence in Southern NSW after our recent contract award of the \$90m Jervis Bay transport infrastructure project."
