Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced it has received a letter of intent for a variation to a contract with Albemarle Lithium Pty Ltd (“Albemarle”).

The Company’s construction contracts at Albemarle’s Kemerton Expansion Project in the south west region of WA includes the front-end pyromet works associated with new lithium processing trains (refer ASX announcement, 25 July 2023) and the utilities and reagents scope (refer ASX announcement, 18 December 2023).
