

Delay in lodgement of Half-year Financial Report

Advanced Health Intelligence Ltd (ASX/NASDAQ: AHI) (AHI or the Company) advises that there has been a delay in the lodgement of its financial report for the half-year ended 31 December 2023.

The delay is to allow the Company's Auditor, PKF Brisbane Audit, time to finalise its review once the Company is able to provide further information on various potential funding solutions which the Company is considering, which is now well progressed. While the Company had anticipated that this would be finalised to allow for the release of the half-year financial report by 29 February 2024, unforeseen circumstances have caused the delay.

Trading in the Company's shares is currently suspended by the ASX and will continue to be suspended until the Company can lodge its reviewed half-year financial statements with the ASX. The Company will work closely with PKF Brisbane Audit to finalise the review and expects to be able to lodge by 28 March 2024 but no later than 5 April 2024, and will work with the Auditors to shorten this time frame as far as possible.

Trading in the Company's shares is expected to resume on ASX on the later to occur of:

- (a) the Company lodging its reviewed half-year financial statements with the ASX; and
- (b) the Company releasing an announcement in relation to various potential funding solutions referred to in the Company's Quarterly Commentary and Appendix 4C, dated 31 January 2024.

The Chairman and CEO of Advanced Health Intelligence Ltd have approved this announcement.
