Will these +securities rank equally in all respects from their issue date with the existing issued +securities in that class?

No

If some of the issued +securities do not rank equally

Is the actual date from which the +securities will rank equally (non-ranking end date) known?

No

Provide the estimated non-ranking end period

The options to be issued will have an exercise price of \$0.10 per option and will expire 3 years from the date of issue. The options are exercisable at any time on or prior to the expiry date. As the exercise date of these options is not known with any certainty, it is not possible to estimate the non-ranking end period.

Please state the extent to which the +securities do not rank equally:

- In relation to the next dividend, distribution or interest payment; or
- For any other reason

Options do not rank for any dividends payable, whilst they remain unexercised. If the options are exercised to become fully paid ordinary shares, such shares will then rank equally with all other issued shares in AHI.
