## **About Wide Open Agriculture Ltd**

At Wide Open Agriculture (WOA), our mission is to create a range of great tasting and high performing plant protein ingredients. We are focused on developing alternatives to pea and soy that improve outcomes for customers, food manufacturers and farmers. Combining our licenced IP from Curtin University with our deep knowledge of lupin protein extraction and processing, we have developed a range of products that outperform competitors on key dimension of performance. Our hero product, Buntine Protein<sup>®</sup>, is a revolutionary climate-conscious, plant-based protein derived from lupins grown in West Australia. Buntine Protein<sup>®</sup> is a versatile ingredient used to create plant-based dairy, meats, baked goods, and protein supplements. Buntine Protein<sup>®</sup> is steadily gaining traction among Australian and global food companies, with WOA currently working to scale up commercial production. WOA is guided a 4 Returns mandate to deliver financial, natural, social and inspirational returns.

WOA is listed on the Australian Securities Exchange (ASX: WOA) and the Frankfurt Stock Exchange (2WO).
