

## **Appendix 4C: Operations Update & Quarterly Cashflow Report Quarter ended 31 March 2024**

Dear Shareholders,

During the March 2024 Quarter, The Go2 People Ltd (ASX:GO2) (“**Go2**” or the “**Company**”) has been focused on fulfilling its overdue statutory obligations, being financial reports for the year ended 30 June 2023, and half year ended 31 December 2024.

The Board believes that the reports for June 2023 will be lodged in early May 2024 the latest. Unfortunately, due to the difficult times and loss of control over the subsidiary companies, the Auditor will not be in position to provide you with a satisfactory report.

The Board is mindful of the subsequent events that have reset the financial position of the company.

The Board has also received several expressions of interest as to the proposed reverse takeover. The Company is not engaged in any serious discussions though.

Mr Murmylo maintains his commitment to provide funding to cover all administrative expenses until the Company obtains sufficient funding.
