EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

Shareholders should read this statement and the Notice in full before deciding how to vote on the Resolutions set out in the Notice. All resolutions to be considered at the Meeting will be decided by poll based on both proxy votes received prior to the commencement of the Meeting and votes cast via the online voting facility during the Meeting. Shareholders are encouraged to cast their vote by proxy prior to the Meeting in accordance with the instructions set out on page 4 of this Notice.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2023 together with the declaration of the directors, the Directors' Report, the Remuneration Report and the auditor's report.

There is no requirement for shareholders to vote on these statements and reports. Shareholders will be given a reasonable opportunity to raise questions and make comments on these reports and on the management of the Company at the Meeting.

Representatives of the Company's auditor will be present for discussion purposes on matters of relevance to the audit.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.rocketdna.com/au/financials

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting Consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the Company who were in office when the directors' report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the Managing Director of the Company, (**Vacating Directors**) will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the Company is approved will be the directors of the Company.

2.3 Previous Voting Results

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, a Spill Resolution is not relevant for this Annual General Meeting.

2.4 Directors' Recommendation

The Board recommends that Shareholders vote in favour of Resolution 1. The Board encourages Shareholders to apply the same level of diligence to voting on this Resolution as for the binding Resolutions. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 1.

3. RESOLUTION 2 – RE-ELECTION OF PAUL RICHARD WLLIAMSON

3.1 General

Pursuant to the clause 14.2 of the Company's Constitution, Paul Richard Williamson, being eligible, offers himself for re-election as a Director.

3.2 Election of Paul Richard Williamson

Mr Williamson, having been appointed by the Board as a Director on 22 June 2022, seeks re-election.

(a) Qualifications and other material directorships

Paul has a Bachelor of Accountancy with Upper Second-Class Honours, Graduate Diploma in Applied Corporate Governance, Member of the Governance Institute of Australia, Member of The Institute of Chartered Accountants of Scotland.

Paul has over 30 years' experience in accounting and financial management. After working for big four professional services firm KPMG, he held various financial and governance roles in the banking, finance and insurance industries internationally, including six years as Chief Financial Officer for ASX listed companies. Prior to joining RocketDNA in December 2021, he was Chief Financial Officer for surveying and spatial data management services provider, Land Surveys Group

(b) Independence

If elected, the Board considers that Mr Williamson will not be an independent director as he holds an executive position within the Company, as Chief Financial Officer.

3.3 Directors' Recommendation

The Directors (with Mr Williamson abstaining) support the re-election of Mr Williamson and recommend that Shareholders vote in favour of this Resolution 2. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up

to that number of Equity Securities equal to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10%.

An 'Eligible Entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is not included in the S&P/ASX 300 index and has a market capitalisation of \$300 million or less and is therefore an Eligible Entity for these purposes.

This Resolution 3 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further shareholder approval.

If this Resolution 3 is passed, the Company will be able to issue equity securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in ASX Listing Rule 7.1.

This Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next Annual General Meeting; and
- (iii) (the time and date of approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), or such longer period if allowed by ASX,

(10% Placement Capacity Period).

(b) **Minimum Price**

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

- (ii) if the Equity Securities are not issued within 10 trading days of the date in the section 7.2 (b)(i) of this Notice, the date on which the Equity Securities are issued.

(c) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use the funds raised to accelerate its current drone data product strategy.

(d) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 5 April 2024.

There is a risk that the market price for the Shares may be significantly lower on the issue date than on the date of approval under ASX Listing Rule 7.1A; and the Shares may be issued at a price that is a discount to the market price for the Shares on the issue date.

The table below also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on issue (Variable 'A' in ASX Listing Rule 7.1A2)	Potential Dilution and Funds Raised			
	Issue Price (per Share)	\$0.004 (50% decrease in Issue Price)	\$0.008 (Issue Price)	\$0.012 (50% increase in Issue Price)
Variable A 656,114,841	Shares issued – 10% voting dilution	65,611,484	65,611,484	65,611,484
	Funds raised	\$262,445.93	\$524,891.87	\$787,337.80
(50% increase in Variable A) 984,172,261	Shares issued – 10% voting dilution	98,417,226	98,417,226	98,417,226
	Funds raised	\$393,668.90	\$787,337.80	\$1,181,006.71
(100% increase in Variable A) 1,312,229,682	Shares issued – 10% voting dilution	131,222,968	131,222,968	131,222,968

	Funds raised	\$524,891.87	\$1,049,783.74	\$1,574,675.61
--	---------------------	--------------	----------------	----------------

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 656,114,841 Shares on issue at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 5 April 2024 (being \$0.008).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation policy under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Furthermore, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Equity Securities under ASX Listing Rule 7.1A.2**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 25 May 2023 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 25 May 2023, the Company issued 53,389,262 Shares pursuant to the Previous Approval (**Previous Issue**) which represents approximately 9.15% of the total diluted number of Equity Securities on issue in the Company on 25 May 2023, which was 583,052,427.

Further details of the issues of Equity Securities by the Company pursuant to ASX Listing Rule 7.1A.2 during the 12-month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with ASX Listing Rule 7.3A.6(b) in respect of the Previous Issue.

Date of Issue and Appendix 2A	8 December 2023
Recipients	The Previous Issue was issued to the Placement Participants. The Placement Participants were a range of new professional and sophisticated investors including a well-regarded family office. Sydney-based advisory firm, Prenzler Group Pty Ltd acted as Lead Manager to the Placement and helped identify the Placement Participants. None of the Placement Participants were material investors that were required to be disclosed under Guidance Note 21.

Total Cash Consideration and Use of Funds	Amount Raised - \$1.1 million Use of funds³ – The Company is using the funds from the Placement to fund growth in the autonomous drone business; to build and deploy approximately 20 autonomous xBot [®] units, including more software development on the front-end platform, xBot [®] roll-out and go-to-market activities, and to strengthen the balance sheet. 2. Market Price means the closing price of Shares on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of the table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of agreement of the relevant Equity Securities.
3. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.3**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must:

- (i) state in its announcement of the proposed issue under ASX Listing Rule 3.10.3 or in its application for quotation of the securities under ASX Listing Rule 2.7 that the securities are being issued under ASX Listing Rule 7.1A; and
- (ii) give to ASX immediately after the issue a list of names of the persons to whom the entity issued the equity securities and the number of equity securities issued to each. This list is not for release to the market.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3 upon issue of any Equity Securities.

4.3 Voting Exclusion

As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3 and a voting exclusion statement has not been included in this Notice.

4.4 Directors Recommendation

The Directors consider the approval of the 10% Placement Capacity to be in the best interests of the Company and recommend that Shareholders vote in favour of Resolution 3 to give effect to the approval. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 3.

5. RESOLUTION 4 – RENEWAL OF EMPLOYEE INCENTIVE PLAN

5.1 General

Resolution 4 seeks Shareholder approval for the renewal of the Employee Incentive Plan (**Incentive Plan**) for the purposes of the Corporations Act, for ASX Listing Rule 7.2, Exception 13(b), and for all other purposes. The Incentive Plan was first adopted by Shareholders on 24 June 2021 and the Company is seeking to renew the Incentive Plan.

The aim of the Incentive Plan is to allow the Board to attract, motivate and retain eligible employees, who in the Board's opinion, are dedicated and will provide ongoing commitment and effort to the Company. It is considered that the adoption of the Incentive Plan and the future issue of securities under the Incentive Plan will provide selected participants with the opportunity to participate in the future growth of the Company.

ASX Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12-month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

ASX Listing Rule 7.2, Exception 13(b) sets out an exception to ASX Listing Rule 7.1, which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

Pursuant to the ASX Listing Rules, Shareholders must re-approve the Incentive Plan and all unallocated securities issuable pursuant to the Incentive Plan every three years.

If this Resolution 4 is passed, securities issued under the Employee Incentive Plan over the next 3 years from the date of the Meeting will be treated as having been made with the approval of Shareholders for the purposes of ASX Listing Rule 7.1 and will be excluded from the 15% capacity limit. If Resolution 4 is not passed, any securities issued under the Employee Incentive Plan that exceed the 15% limit in ASX Listing Rule 7.1 will require the approval of Shareholders, unless the issue falls within one of the exceptions in ASX Listing Rule 7.2.

Resolution 4 is an ordinary resolution.

5.2 Information required by ASX Listing Rule 7.2, Exception 13(b)

Pursuant to and in accordance with ASX Listing Rule 7.2, Exception 13(b), the following information is provided in relation to Resolution 4:

- (a) a summary of the terms of the Employee Incentive Plan is set out in Schedule 1 to this Notice of Meeting;
- (b) subsequent to shareholder approval of the Incentive Plan on 24 June 2021, the Company has issued 6,000,000 Performance Rights, 6,500,000 Options and 900,000 Ordinary Fully Paid Shares under the Employee Incentive Plan;
- (c) the maximum number of securities proposed to be issued under the Employee Incentive Plan following the approval (if applicable) of this Resolution 4 is 30,000,000; and
- (d) a voting exclusion statement is included in this Notice.

5.3 Directors Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution 4. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 4.

6. RESOLUTION 5 – CANCELLATION OF PERFORMANCE SHARES

6.1 General

In December 2020, the Company issued 45,000,000 Performance Shares pursuant to, and on the terms set out in, its Notice of Meeting dated 3 December 2020. All of the Performance Shares were issued to, and remain held by, Delta Drone SA.

The Performance Shares were issued as part of the listing of the Company's business on ASX, as detailed in the Company's Prospectus dated 10 November 2020. The Performance Shares do not carry any voting rights at general meetings or dividend entitlements, are nontransferable, and do not convey any rights upon a winding up of the Company. The Performance Shares are not quoted on any securities exchange. Under their terms of issue, the Performance Shares would have converted into 45,000,000 Shares as follows:

- (a) upon Delta Drone South Africa (Pty) Ltd (**DDSA**) achieving consolidated revenue (for the avoidance of doubt, only DDSA and not the Company) for any full financial year (being 1 January to 31 December) of not less than US\$3.2 million, Class A Performance Shares would have converted into 20,000,000 Shares;
- (b) upon DDSA entering into at least two binding contracts with Australian based mining companies (being companies that conduct mining, exploration or extraction activities) for the provision of drone survey or mapping solutions

services to those mining companies in Australia and DDSA receives not less than US\$1,000,000 (based on audited accounts) of verified revenue in aggregate for those services, Class B Performance Shares would have converted into 15,000,000 Shares; and

- (c) upon the Company announcing to the ASX that DDSA has expanded the services of its business offering (being the provision of drone survey and mapping solutions) into a new geographic location outside of Australia, Israel, South Africa, Ghana and Namibia and achieved a revenue in that new geographic location of not less than US\$1,000,000 (based on audited accounts), Class C Performance Shares would have converted into 10,000,000 Shares,

during the three-year terms of the Performance Shares (**Performance Milestones**). The Performance Milestones expired on or about 22 December 2023 (**Expiry Date**).

Given the above, the Performance Shares effectively carry no rights and have nominal or nil value.

6.2 Proposed cancellation of Performance Shares

Following on from the expiry of the Performance Milestones, the Company proposes to cancel and extinguish all of the Performance Shares for nil consideration (**Proposal**).

6.3 Effect of the Proposal

If the Proposal is implemented then the capital structure of the Company will be simplified as there will be only class of share on issue, namely ordinary shares (ie. Shares). The Proposal will not have any effect on the number of Shares on issue.

The Company will not provide any consideration to Delta Drone SA for the cancellation and extinguishment of the Performance Shares. Accordingly, the Proposal will not have any financial impact on the Company. As the Performance Shares do not carry any voting rights at general meetings of the Company, the Proposal will not have any impact on the control of the Company.

The Directors do not believe there are any disadvantages associated with the Proposal. The Performance Shares were originally ascribed a \$nil value as a share-based payment in the Company's accounts for the period ending 31 December 2020, as part of the acquisition accounting. Whether or not the Proposal is implemented, there will be no change in the Company's accounts.

6.4 Corporations Act requirements

Section 256B(1) of the Corporations Act provides that a company, such as the Company, may reduce its share capital (in the manner contemplated by the Proposal) if the reduction:

- (a) is fair and reasonable to the company's shareholders as a whole;
- (b) does not materially prejudice the company's ability to pay its creditors (but this requirement does not apply if the reduction is a cancellation of a share for no consideration); and
- (c) is approved by shareholders under section 256C of the Corporations Act.

In relation to paragraph (a), the Board considers that the Proposal is fair and reasonable to the Company shareholders as a whole because the Performance Shares will be cancelled for no consideration and because they currently have nominal or nil value.

Paragraph (b) does not apply because the Performance Shares will be cancelled for no consideration.

For the purposes of paragraph (c), the Company is seeking the required approvals under section 256C(2) of the Corporations Act. In order for the Proposal to be implemented, the following shareholder approvals are required under section 256C(2):

- (a) a special resolution (ie. approved by at least 75% of votes cast) passed at a general meeting of the Company, with no votes being cast in favour of the resolution by any person who is to receive consideration as part of the reduction or by their associates (nb. as no consideration will be provided under the Proposal, there are no voting exclusions, however the Performance Shares do not in any event carry any voting rights at any general meeting of the Company); and
- (b) a special resolution (ie. approved by at least 75% of votes cast) passed at a meeting of only those shareholders whose Performance Shares are to be cancelled (ie. Delta Drone SA only), (together the Cancellation Resolutions).

In respect of the Cancellation Resolutions, the Company has convened two separate meetings – one for each Resolution - and issued two separate notices of meeting.

This Notice relates to the Cancellation Resolution described in paragraph (a) above.

6.5 Timetable

The Corporations Act requires that the cancellation of the Performance Shares not be made until 14 days after the Company lodges with ASIC the required notifications that the Cancellation Resolutions have been passed. Assuming that the Cancellation Resolutions are passed, the Company proposes to lodge copies of the Cancellation Resolutions with ASIC on the date they are passed as well as notify ASX that the Cancellation Resolutions have been passed, and then to implement the Proposal shortly after the expiration of the 14 day waiting period.

6.6 Directors Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution 5. The Chair of the Meeting intends to vote all available proxies in favour of this Resolution 5.
