EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.latinresources.com.au

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the Company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of votes are cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF MR PABLO TARANTINI AS DIRECTOR

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Pablo Tarantini, who has served as a Director since 2 November 2020 and was last elected on 31 May 2021, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Tarantini has accumulated a broad professional experience in the mining industry. For two years, he has served as Executive Director of the Argentinian Bureau of Investment and International Trade, coordinating investment initiatives, and contributing with his vast experience in several industries and countries. In that role, Mr Tarantini worked together with mining companies settled in the country and supported the promotion of the mining activity in Argentina, along with the Argentinian Secretary of Mining.

He has served as President and Executive Director of SAPISA and Minera Don Nicolás, an Argentinian private fund and one of its investments in the mining sector, respectively. Minera Don Nicolas is the first mining project based on Argentinian capital. He has also served as M&A Director at General Electric and Advent International Corporation for Latin America, and as Manager at A.T. Kearney. In all these roles, he carried out businesses and projects at the regional level.

Mr Tarantini is a Public Accountant and holds a bachelor's degree in business administration from Universidad Católica Argentina (UCA). He has a master's in business administration from Harvard Business School.

3.3 Independence

If re-elected the Board does not consider that Mr Tarantini will be an independent Director given his association with a substantial shareholder of the Company.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Tarantini will be re-elected to the Board as a non-executive Director.

In the event that Resolution 2 is not passed, Mr Tarantini will not continue in his role as a non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board Recommendation

The Board has reviewed Mr Tarantini's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Tarantini and recommends that Shareholders vote in favour of Resolution 2.

6. RESOLUTION 3 - APPROVAL FOR ISSUE OF PERFORMANCE INCENTIVE RIGHTS TO DIRECTOR - MR PETER OLIVER

6.1 General

The Company has agreed, subject to obtaining Shareholder approval to issue 10,000,000 Performance Incentive Rights to Mr Peter Oliver (or his nominee) pursuant to the Securities Incentive Plan (**Plan**) on the terms and conditions set out below (**Performance Incentive Rights**).

The 10,000,000 Performance Incentive Rights will vest in tranches upon the completion of the following milestones:

- (a) 3,000,000 Performance Incentive Rights will vest after 12 months reckoned from 1 February 2024 (**Tranche 1**);
- (b) 3,000,000 Performance Incentive Rights will vest after 24 months reckoned from 1 February 2024 (**Tranche 2**); and
- (c) 4,000,000 Performance Incentive Rights will vest upon the formal confirmation of a Definitive Feasibility Study for the Company's lithium project in Brazil (**LRS Brazil Lithium Project**) (**Tranche 3**).

For each tranche of the Performance Incentive Rights referred to above to vest, it shall be a condition that Mr Oliver remain as a director of the Company.

All of the Performance Incentive Rights comprising Tranches 1 to 3 inclusive, that have not yet vested, will vest automatically on a sale of the LRS Brazil Lithium Project, or should there be a change of control of those assets or a change of control of the Company which could include a takeover of the Company whether by way of a scheme of arrangement or otherwise (each of these events being a "Change in Control Event").

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Performance Incentive Rights to Mr Oliver (or his nominee) constitutes the giving of a financial benefit and Mr Oliver is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Oliver) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Performance Incentive Rights because the issue of Performance Incentive Rights constitutes reasonable remuneration payable to Mr Oliver.

6.3 ASX Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

10.14.1	a director of the entity;
10.14.2	an associate of a director of the entity; or
10.14.3	a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of the Performance Incentive Rights to Mr Oliver involves the issue of securities to a Director which falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 3 seeks the required Shareholder approval for the issue of the Performance Incentive Rights under and for the purposes of Listing Rule 10.14.

6.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Performance Incentive Rights to Mr Oliver under the Plan, within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Performance Incentive Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Performance Incentive Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Performance Incentive Rights to Mr Oliver under the Plan and may be required to consider alternative ways to remunerate and incentivise Mr Oliver.

6.5 Technical information required by ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to Resolution 3:

- (a) the Performance Incentive Rights will be issued to Mr Peter Oliver (or his nominee) who is a related party by virtue of being a Director pursuant to Listing Rule 10.14.1;
- (b) the maximum number of Performance Incentive Rights to be issued to is 10,000,000;
- (c) the Securities Incentive Plan was adopted by Shareholders on 19 December 2022;
- (d) the following Performance Incentive Rights have been previously been to Directors for nil consideration under the Plan since it was adopted on 19 December 2022:

- (i) 7,500,000 Performance Incentive Rights were issued on 13 January 2023, 37,000,000 Performance Incentive Rights on 3 July 2023, and 13,000,000 Performance Incentive Rights on 4 March 2024 to Mr Chris Gale;
 - (ii) 12,000,000 Performance Incentive Rights were issued on 23 December 2022 and 9,000,000 Performance Incentive Rights on 3 July 2023 to Mr Peter Oliver;
 - (iii) 9,000,000 Performance Incentive Rights were issued to David Vilensky on 3 July 2023;
 - (iv) 9,000,000 Performance Incentive Rights were issued to Mr Brent Jones on 3 July 2023; and
 - (v) 9,000,000 Performance Incentive Rights were issued to Mr Pablo Tarantini on 3 July 2023;
- (e) a summary of the material terms and conditions of the Performance Incentive Rights is set out in Schedule 2;
- (f) a summary of the material terms and conditions of the Performance Rights Plan is set out in Schedule 1;
- (a) the Performance Incentive Rights are unquoted performance rights. The Company has chosen to grant the Incentive Performance Rights to Mr Oliver for the following reasons:
- (i) to align his interests with those of Shareholders by creating a stronger link between performance resulting in increased Shareholder value and reward to Mr Oliver;
 - (i) the Performance Incentive Rights are unlisted, therefore the grant of the Performance Incentive Rights has no immediate dilutionary impact on Shareholders; and
 - (ii) the issue of the Performance Incentive Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Oliver;
- (g) the number of Performance Incentive Rights to be issued to Mr Oliver has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) advice from an independent remuneration adviser;
 - (iii) the remuneration of Mr Oliver; and
 - (iv) incentives to attract and ensure continuity of service of Mr Oliver while maintaining the Company's cash reserves,

- (h) the Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Incentive Rights upon the terms proposed;
- (i) the current total remuneration package for Mr Oliver is \$509,965 comprising of cash and salary fees of \$206,000 and equity-settled payments of \$303,965 comprising of incentive share rights. If the Performance Incentive Rights are issued, the total remuneration package of Mr Oliver will increase by \$1,600,000 to \$2,109,965, being the value of the Incentive Performance Rights (based on the Hoadleys Hybrid ESO1 Model);
- (j) the value of the Performance Incentive Rights is set out in Schedule 3;
- (k) the Performance Incentive Rights will be issued to Mr Oliver (or his nominee) no later than 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Performance Incentive Rights will be issued on one date;
- (l) the Performance Incentive Rights are being issued for nil cash consideration, as such no funds will be raised from the issue of the Performance Incentive Rights;
- (m) no loan is being provided to Mr Oliver in relation to the issue of the Performance Incentive Rights;
- (n) details of any Performance Incentive Rights issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
- (o) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Performance Incentive Rights under the Plan after Resolution 3 is approved and who were not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

7. RESOLUTION 4 – INCREASE IN NON-EXECUTIVE REMUNERATION POOL

7.1 General

ASX Listing Rule 10.17 provides that a listed entity must not increase the total aggregate amount of directors fees payable to all of its non-executive directors without Shareholder approval.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 14.7 and 14.8 of the Company's Constitution also provide that the total aggregate remuneration payable to the non-executive Directors will not exceed

the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

After the appointment of Mr Peter Oliver in September 2022 and a review of the remuneration of the Company's non-executive Directors, it is proposed to increase the maximum total annual remuneration pool of the Non-executive Directors by \$400,000 from \$350,000 to \$750,000 per annum. The remuneration review was conducted by independent external consultants and the increase in the total annual remuneration pool being sought is based on their formal recommendation. Shareholder approval is sought under clauses 14.8 of the Constitution and under Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors to \$750,000.

The Board currently consists of four Non-executive Directors and one Executive/Managing Director. The maximum total annual remuneration pool was set at \$350,000 per annum when the Company listed on the ASX on 16 September 2010, and has not increased since this date. Since 16 September 2010, the Company has grown organically and appointed two more Non-executive Directors (Mr Pablo Tarantini and Mr Peter Oliver). The maximum aggregate amount of fees proposed to be paid to non-executive Directors per annum has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies.

It is important to note that the inclusion of Resolution 4 to expand the remuneration pool to a maximum of \$750,000 per annum does not mean that this will be utilised, particularly with the current number of Non-Executive Directors. The limit of \$750,000 is an allocation that must be made under the ASX Listing Rules and the Board believes it is highly unlikely to be utilised.

7.2 **Technical information required by Listing Rule 10.17**

If Resolution 4 is approved by Shareholders, the remuneration pool will increase to \$750,000. The Board is seeking shareholder approval to increase the current remuneration pool cap for the following reasons:

- (a) an increase of the remuneration pool will give the Company flexibility with regards to the appointment of additional Directors, particularly given the recently completed PEA and expansion of the exploration program at the salinas lithium project in Brazil;
- (b) to ensure the remuneration pool can accommodate payment of fees to any additional non-executive Directors who may be appointed;
- (c) to enable the company to maintain remuneration arrangements that are market-competitive, so it can retain existing non-executive Directors and attract and retain high calibre individuals as non-executive Directors; and
- (d) to provide for non-executive Directors' fees to grow in the future to reflect market trends in the longer term.

The Company does not pay retirement benefits to Non-executive Directors other than superannuation. Although an increase in the remuneration pool is being sought, it does not imply that the full amount will be used.

If Resolution 4 is not approved, the remuneration pool will remain at \$350,000 and the Board will not have the flexibility described above and any future non-executive directors appointments and fees will need to be assessed within the

current remuneration. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

In the past 3 years, the Company has issued an aggregate of 333,334 Shares, 13,089,688 deferred rights and 48,000,000 Performance Incentive Rights to non-executive Directors pursuant to Listing Rules 10.11 and 10.14.

These Securities were issued to the following non-executive Directors:

- (e) 166,667 Shares¹, 6,907,530 deferred rights and 9,000,000 Performance Incentive Rights were issued to David Vilensky;
- (f) 166,667 Shares¹, 5,329,885 deferred rights and 9,000,000 Performance Incentive Rights were issued to Brent Jones;
- (g) 852,273 deferred rights and 9,000,000 Performance Incentive Rights were issued to Pablo Tarantini; and

8. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF CORPORATE ADVISORY OPTIONS

8.1 Background

On 28 February 2024, the Company issued a total of 23,500,000 unlisted Options to Canaccord Genuity (Australia) Limited (ACN 075 071 466) (**Canaccord Genuity**) under a corporate advisory mandate as follows:

- (a) 10,000,000 unlisted Options exercisable at \$0.45 on or before 30 December 2024; and
- (b) 13,500,000 unlisted Options exercisable at \$0.55 on or before 30 June 2025.

(together, the **Corporate Advisory Options**).

The issue of the Corporate Advisory Options did not breach Listing Rule 7.1 at the time of the issue.

The Corporate Advisory Options were issued to Canaccord Genuity in accordance with a corporate advisory mandate with the Company, in consideration for services provided (**Mandate**).

The Corporate Advisory Options were issued under the Company's Listing Rule 7.1 placement capacity.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval

of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue of the Corporate Advisory Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Corporate Advisory Options.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Corporate Advisory Options.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Corporate Advisory Options.

8.2 **Technical information required by Listing Rule 14.1A**

If Resolution 5 is passed, the Corporate Advisory Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Corporate Advisory Options.

If Resolution 5 is not passed, the Corporate Advisory Options will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Corporate Advisory Options.

8.3 **Technical information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5:

- (a) the Corporate Advisory Options were issued to the Canaccord Genuity;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that the recipient was not:
 - (i) a related party of the Company, member of the Company's Key Management Personnel, substantial shareholder of the Company, adviser to the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the Corporate Advisory Options were issued under the Company's Listing Rule 7.1 placement capacity;

- (d) the Corporate Advisory Options were unlisted options issued on the following terms:
- (i) 10,000,000 unlisted options exercisable at \$0.45 on or before 30 December 2024;
 - (ii) 13,500,000 unlisted options exercisable at \$0.55 on or before 30 June 2025.
- The full terms and conditions of the Corporate Advisory Options are included in Schedule 4.
- (e) The Corporate Advisory Options were issued on 28 February 2024;
- (f) the Corporate Advisory Options were issued at a nil issue price, under the Mandate in consideration for corporate advisory services provided by Canaccord Genuity. The Company has not and will not receive any other consideration for the issue of the Corporate Advisory Options;
- (g) the purpose of the issue of the Corporate Advisory Options was to satisfy the Company's obligations under the Mandate; and
- (h) the Corporate Advisory Options were issued under the Mandate. A summary of the material terms of the Mandate is set out in Schedule 5.

9. RESOLUTION 6 – CONFIRMATION OF APPOINTMENT OF AUDITOR

9.1 Background

On 14 July 2023, in accordance with section 327C of the Corporations Act 2001, the Company appointed Ernst & Young as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, Hall Chadwick, in accordance with Section 329(5) of the Corporations Act 2001.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, Ernst & Young holds office as auditor of the Company until the Company's next Annual General Meeting, being the meeting the subject of this Notice of Meeting.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of Ernst & Young as auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act 2001, notice in writing nominating Ernst & Young as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice of Meeting as Annexure A.

Purpose	<p>The purpose of the Plan is to:</p> <ul style="list-style-type: none">(a) assist in the reward, retention and motivation of Eligible Participants;(b) link the reward of Eligible Participants to Shareholder value creation; and(c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of securities.
Plan administration	<p>The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.</p>
Eligibility, invitation and application	<p>The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) Options and Performance Rights provided under the Plan on such terms and conditions as the Board decides.</p> <p>On receipt of an invitation, an Eligible Participant may apply for the securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.</p> <p>If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.</p>
Grant of securities	<p>The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of securities, subject to the terms and conditions set out</p>

	in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to securities	<p>Prior to an Option or Performance Right being exercised, the holder:</p> <ul style="list-style-type: none"> (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the convertible security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of convertible securities section below).

If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant securities have vested. Unless and until the vesting notice is issued by the Company, the securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to an Option or Performance Right are not satisfied and/or otherwise waived by the Board, that security will lapse.
Exercise of convertible securities and cashless exercise	<p>To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Option or Performance Right (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation to apply for Options may specify that at the time of exercise of the Options, the Participant may elect not to be required to provide payment of the exercise price for the number of Options specified in a notice of exercise, but that on exercise of those Options the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Options.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>An Option or a Performance Right may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>

A Participant may exercise any voting rights attaching to Shares issued under the Plan.</p>
<p>Disposal restrictions on Shares</p>	<p>If the invitation provides that any Shares issued upon the valid exercise of an Option or a Performance Right are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>For so long as a Share is subject to any disposal restrictions under the Plan, the Participant will not:</p> <ul style="list-style-type: none"> (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Share; or (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those securities may be cancelled in the manner agreed between the Company and the Participant.</p>

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
