

PROVIDENT AURUM PTE. LTD.

(a company wholly owned by Provident Minerals Pte. Ltd.)

30 April, 2024

For Immediate Release

Takeover offer to be made for Sihayo Gold Limited

Provident Aurum Pte. Ltd. (**Provident Aurum**), a special purpose vehicle wholly owned by Provident Minerals Pte. Ltd. (**Provident Minerals**), is pleased to announce its intention to make an off-market takeover offer to acquire all the shares of Sihayo Gold Limited (ASX: SIH) (**Sihayo**) (the **Offer**).

Offer Background

Provident Aurum's sole shareholder, Provident Minerals has been a Sihayo Shareholder since 2013 and has been an active supporter of Sihayo, including taking up its rights in all recent equity capital raisings, providing the recent unsecured working capital loan of US\$3.9 million, and providing assistance to Sihayo in connection with Indonesian regulatory approvals.

Provident Minerals has incorporated Provident Aurum to make a takeover offer for Sihayo.

Provident Aurum currently has a voting power in Sihayo of approximately 40.41%. This represents the largest shareholding interest in Sihayo. As at the date of this announcement, Provident Aurum directly holds 3,790,875,682 fully paid ordinary shares in the capital of Sihayo (**Sihayo Shares**) (or 31.06%). Provident Aurum's voting power in Sihayo also includes interests held by two of Provident Aurum's associates: Eastern Field Developments Limited, which holds 753,899,588 Sihayo Shares (or 6.18%) and Mr. Gavin Arnold Caudle (who is also a director of Sihayo) who holds 386,561,302 Sihayo Shares (or 3.17%).

Offer Terms

Under the Offer, Sihayo shareholders will receive an attractive all-cash consideration of 0.225 cents for every Sihayo Share they own (**Offer Price**). The Offer Price is best and final and will not be increased by Provident Aurum in the absence of an alternative or competing proposal (the likelihood of which Provident Aurum considers low).

The Offer is subject to Provident Aurum obtaining a relevant interest in more than 50% of Sihayo Shares (on a fully-diluted basis) and other limited customary conditions as set out in the Schedule.

Benefits for Sihayo Shareholders

The Offer will deliver Sihayo shareholders a price which represents a compelling 91.3% premium to the 1-month volume-weighted average price (**VWAP**) of Sihayo Shares of 0.118 cents per Sihayo Share¹.

In addition, given that Sihayo Shares are thinly traded, the Offer enables shareholders to sell their entire shareholding and provides all cash certainty for all their Sihayo shares, with no transaction costs that would otherwise be payable for an on-market sale.

Commentary from Provident Aurum

Provident Aurum director Mr. Hari Gurung said:

¹ Based on ASX trading data sourced from Bloomberg. The 1-month VWAP is calculated as at close of trade on the last trading day prior to the date of this announcement.

ASX Announcement

*“Despite multiple capital raisings over many years, Sihayo has still not been able to advance the Sihayo Gold Project (the **Project**) to development phase.*

Although Provident Aurum does not intend to develop the Project in the near term, if it is able to secure control of Sihayo, Provident Aurum intends to conduct a broad-based review of Sihayo’s overall business at a strategic, financial, and operational level. The review will focus on identifying opportunities for cost reduction.

In the medium term, to try to accelerate the Project’s development, Provident Aurum intends to allocate more resources to the Project. The level of activities for the Project is expected to increase considerably before the development of the Project becomes certain. This is likely to lead to significantly more capital raisings and Sihayo Shareholders would need to participate in any equity raisings to avoid being diluted.

In addition, the expenses to maintain Sihayo as a publicly listed company currently account for a material proportion of Sihayo’s total recurring expenses. In the event Provident Aurum is entitled to and proceeds with the compulsory acquisition of the outstanding Sihayo Shares or is entitled to procure the removal of Sihayo from the official list of ASX, these expenses can be avoided and scarce cash which is otherwise allocated to meet these expenses can be redeployed to the Project.”

Provident Aurum director Mr. Hari Gurung went on to comment:

“In the event the Offer is unsuccessful then Provident Aurum will undertake a review of its Sihayo investment and may explore the possibility of divesting its Sihayo Shares via a market sell-down process or other means and may withdraw its involvement in Sihayo including discontinuation of financial support.”

Next Steps and Timetable

Provident Aurum’s bidder’s statement containing further information about the Offer (including a timetable in respect of the Offer) (**Bidder’s Statement**), will be sent to Sihayo shareholders in due course in accordance with the timing requirements of the *Corporations Act 2001* (Cth) (**Corporations Act**).

Advisors

Iffla Wade is acting as Provident Aurum’s legal adviser.

Further Information

Sihayo Shareholders are advised to read the materials relating to the Offer that will be lodged with the ASX (www.asx.com.au), and the materials that will be sent to them.

This release does not of itself constitute an offer to buy or an invitation to sell, or the solicitation of an offer to buy or invitation to sell, any of the securities of Sihayo.

Background Information on Provident Group

The Provident Group (**Provident**), which includes Provident Capital Partners and its wholly-owned subsidiary, Provident Minerals, was founded in 2004 by Mr. Winato Kartono, Mr. Hardi Wijaya Liong, and Mr. Gavin Arnold Caudle. The group is a privately held conglomerate and invests in and builds companies with a long-term outlook.
