## ASX Announcement

### **ASIC's determination under s713(6) of the Corporations Act 2001**

On 2<sup>nd</sup> May 2024, the Australian Securities and Investments Corporation made a determination pursuant to s713(6) of the Corporations Act 2001(Cth) ("Corporations Act") restricting My Rewards International Limited ("MRI" or "Company") from relying on the exceptions in s713 to use transaction-specific disclosure until 2 May 2025.

MRI clarifies that this restriction means that the Company will not be able to rely on the reduced disclosure rules under s713 and instead must issue a full prospectus in order to raise funds from certain investors. This restriction will not affect the operations and business of MRI.

**This announcement has been authorised for release by the board of directors of My Rewards International Limited.**
