Dear Sir/Madam

**TRADING HALT REQUEST**

**NT MINERALS LIMITED (ASX: NTM)**

The Company yesterday announced an agreement that provides a pathway to unlock value contained in the Company's existing inground resources. By unlocking that value, the Company can look to move forward with its strategy of expanding resources and look to early cash flow projects. To that end the Company requests a trading halt as per the request below.

In accordance with Listing Rule 17.1, NT Minerals Limited (ACN 059 326 519) (**Company**) requests a trading halt in respect of all its listed securities for up to 2 business days, effective from the commencement of trading on Wednesday 22 May 2024, and provides the following information:

- (a) the trading halt is requested pending an announcement by the Company regarding entry into a right to mine agreement (**Announcement**);
- (b) the Company requests the trading halt to remain in place until the earlier of such time as it makes the Announcement, or the commencement of trading on Friday 24 May 2024;
- (c) the Company is not aware of any reason why the trading halt should not be granted; and
- (d) the Company is not aware of any other information necessary to inform the market regarding the trading halt.

Yours faithfully,

Melanie Ross  
Company Secretary
