If the person you wish to appoint as your proxy is someone other than the Chairperson, please write the name of that person in the space provided on the Proxy Form. All your votes will be cast in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on the Resolution by inserting the percentage or number of Shares you wish to vote in the appropriate boxes. If you do not mark any of the boxes next to a Resolution, your proxy may vote as he or she chooses. If you mark more than one box on the Resolution, your vote will be invalid.

## Chairperson voting undirected proxies

If the Chairperson is your proxy, the Chairperson will cast your votes in accordance with your directions on the Proxy Form. If you do not mark any of the boxes on the Resolutions, then you expressly authorise the Chairperson to vote your undirected proxies at his/her discretion.

As at the date of this Notice of Meeting, the Chairperson intends to vote undirected proxies **FOR** each of the Resolutions. In exceptional cases the Chairperson's intentions may subsequently change and in this event, the Company will make an announcement to the market.

### Proxy Form

The form of proxy or voting instruction form (and any power of attorney or other authority, if any, under which it is signed) must be received by **9.30am (AWST) on Tuesday, 2 July 2024**, by mail to Computershare Investor Services Inc., at 100 University Avenue, 8<sup>th</sup> Floor, Toronto ON, M5J 2Y, by facsimile at 416-263-9524 or toll free at 1-866-249-7775, online at [www.investorvote.com](http://www.investorvote.com) and follow the instructions on the screen, or by phone at 1-866-732-VOTE (8683). A form of proxy received after that time will not be valid.

### Appointment of Proxy

You have the right to appoint a person (who need not be a Shareholder) to attend and act on your behalf at the Meeting other than the person designated in the form of proxy and may exercise such right by inserting the full name of the desired person in the blank space provided in the form of proxy.

A proxy will not be valid unless it is signed by you or by your attorney duly authorized in writing or, if the Shareholder is a corporation, executed by a duly authorized officer in accordance with the instructions attached on the enclosed form of proxy.

### Revocation of Proxies

You have the power to revoke a proxy in accordance with the provisions of the Corporations Act, which provides that every proxy may be revoked by an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing and delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any

adjournment thereof at which the proxy is to be used, or to the Chairperson of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner permitted by law.

## **Voting of Proxies**

The form of proxy confers discretionary authority upon the proxy with respect to any amendments or variations to the matters identified in the Notice of Meeting and any other matters that may properly come before the Meeting. At the time of printing this Notice of Meeting, management knows of no such amendment, variation or other matter.

You must mark the boxes directing your proxy on how to vote. If no voting instructions are indicated on the appointment of proxy form, the proxy will be voted as recommended by management or as the proxyholder sees fit (in the latter case, if management is not appointed as proxy).

## **Advice for Beneficial Holders**

Shares may not be registered in the Shareholder's name but in the name of an intermediary (which is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates). A non-registered Shareholder cannot be recognized at the Meeting for the purpose of voting their Shares unless such holder is appointed by the applicable intermediary as a proxyholder.

In Canada, non-registered owners who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners (**NOBOs**). Those non-registered owners who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners (**OBOs**).

In accordance with applicable securities legislation, the Company has elected to seek voting instructions directly from NOBOs. As a result, NOBOs can expect to receive a voting instruction form (a **VIF**), together with the meeting materials from the Company's Canadian transfer agent, Computershare Investor Services Inc. (**Computershare Canada**). These VIFs are to be completed and returned to Computershare Canada in accordance with the instructions. Computershare Canada will tabulate the results of the VIFs received from NOBOs and provide appropriate instructions at the Meeting with respect to the Shares represented by such VIFs.

The Company has distributed copies of the Meeting materials to intermediaries for distribution to all OBOs who have not waived their rights to receive these materials. Often, intermediaries will use a service company (such as Broadridge Financial Solutions Inc.) to forward these meeting materials to non-registered Shareholders. With those meeting materials the intermediaries will provide OBOs with a form of VIF. When properly completed this VIF will constitute voting instructions which the intermediary must follow.

The mechanisms described above for registered Shareholders cannot be used by non-registered shareholders and the instructions on the VIF **must** be followed. The VIF is provided instead of a proxy. By returning the VIF in accordance with its instructions, a non-registered owner is able to direct how his or her Shares are to be voted at the Meeting.

The purpose of these procedures is to allow non-registered Shareholders to direct the voting of the Shares that they own but that are not registered in their name. Should a non-registered Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on his behalf), the non-registered Shareholder should carefully follow the instructions provided on the VIF.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the non-registered Shareholder with respect to the voting of certain Shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those Shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Shares represented by such broker "non-votes" will, however, be counted in determining whether there is a quorum.

All proxy-related material sent by the Company has been sent using information (as to name, address and shareholdings) obtained pursuant to, and in accordance with, applicable securities legislation from the intermediaries. By electing to send materials directly to NOBOs, the Company (and not the

intermediary) has assumed responsibility for: (i) delivering the meeting materials to you; and (ii) executing proper voting instructions.

### **Voting entitlement (record date)**

For the purposes of determining voting and notice entitlements in respect of the Meeting, Shares will be taken to be held by the persons who are registered on the Canadian register as holding the Shares at the close of business (Toronto time) on **Thursday, 30 May 2024**. Accordingly, transactions registered after that time will be disregarded in determining entitlements to receive notice of and vote at the Meeting.

### **Listings**

The Company is listed on the Australian Securities Exchange and the TSX Venture Exchange, and the Shares are quoted on the OTCQX Market. It is a "designated foreign issuer" as defined in National Instrument 71-102 – *Continuous Disclosure and Other Exemptions Relating to Foreign Issuers* and is subject to the regulatory requirements of the Australian Securities & Investments Commission and the Australian Securities Exchange. As a result, the Company does not include a management information circular pursuant to National Instrument 51-102 – *Continuous Disclosure Obligations* in this Notice of Meeting and Canadian shareholders are cautioned that the disclosures contained in this Notice of Meeting and Explanatory Statement may not be comparable to what would otherwise be disclosed by reporting issuers that are not designated foreign issuers.

# Explanatory Statement

---

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

## 1. Background to Resolutions – Capital Raising

### 1.1 Placement

On 6 May 2024, the Company announced that it had successfully arranged a placement of 24,900,000 new Shares at an issue price of \$1.00 (C\$0.89) per Share (**Placement Shares**) to various institutional, professional and sophisticated investors (**Placement Participants**) to raise approximately \$24,900,000 (before costs) (**Placement**).

The Placement was made:

- (a) in Australia under an offer to investors who qualify as professional or sophisticated investors under sections 708(8), (10) and (11) of the Corporations Act; and
- (b) in Canada by way of private placement in reliance on the "listed issuer financing exemption" from the prospectus requirements available under Part 5A of National Instrument 45-106 – *Prospectus Exemptions* in each of the provinces and territories of Canada, other than Quebec.

The Shares under the Placement were also offered in the United States pursuant to available exemptions from the registration requirements of the United States Securities Act of 1933, as amended, and applicable state securities laws, and in those other jurisdictions outside of Australia, Canada and the United States provided that no prospectus filing or comparable obligation, ongoing reporting requirement or requisite regulatory or governmental approval arises in such other jurisdictions.

Veritas Securities Limited (**Veritas**) and Cormark Securities Inc. (together, the **Joint Lead Managers**) acted as joint lead managers to the Placement, while BMO Nesbitt Burns Inc. and Beacon Securities Limited acted as co-managers (together with the Joint Lead Managers, the **Agents**) to the Placement.

The Placement Shares were issued by the Company on 9 May 2024 using its issuance capacity under Listing Rules 7.1 and 7.1A. Subsequent ratification of the issue of the Placement Shares is sought under Resolutions 1 and 2.

### 1.2 SPP Offer

On 6 May 2024, the Company announced that it would provide existing eligible Shareholders an opportunity to subscribe for up to 5,000,000 new Shares at an issue price of \$1.00 per Share (**SPP Shares**) by way of a share purchase plan offer to raise up to \$5 million (before costs), with the right to accept oversubscriptions at its discretion (**SPP Offer**). The SPP Offer is fully underwritten by Veritas.

Under the SPP Offer, each Shareholder who held Shares in the Company at 5.00pm (AWST), Friday 3 May 2024 and who has a registered address in Australia or New Zealand on the Company's Australian share register is entitled to apply for parcels of SPP Shares without paying brokerage fees.

Details of the SPP Offer are contained in the Company's SPP Offer Document released to ASX and dispatched to eligible Shareholders on Friday, 10 May 2024.

The SPP Offer opened on Friday, 10 May 2024 and closed at 5.00pm (AWST) on Tuesday, 21 May 2024. In accordance with the terms of the SPP Offer, the Company exercised its discretion to accept oversubscriptions to raise an additional \$2 million above the \$5 million originally targeted. The SPP Shares were issued on Monday 27 May 2024.

### **1.3 Purpose of Capital Raising**

The Company undertook the Placement and SPP Offer (together, the **Capital Raising**) to raise approximately \$29.9 million because it has been receiving increasing interest from potential strategic funding parties in its advanced Costa Fuego copper-gold development and its recently announced Water Supply Studies. This interest, in combination with a rising copper price environment, provides confidence to accelerate the Company's growth and development plans while preserving control of these assets.

Proceeds from the Capital Raising will provide up to 18 months' funding to be used for the completion of the Costa Fuego Pre-Feasibility Study, completion of the Water Supply Business Case Study, completion of the Costa Fuego Environmental Impact Assessment, ongoing exploration, drilling and consolidation activities, and for general working capital purposes. The Capital Raising aims to increase Hot Chili's trading liquidity on the TSXV and maintain the Company's strategic funding optionality, while ensuring Costa Fuego remains one of a limited number of globally significant copper developments, not owned by a major mining company, that could deliver meaningful new copper supply this decade.

## **2. Resolutions 1 and 2 – Ratification of issue of Placement Shares to Placement Participants**

### **2.1 Background**

As further described in Section 1.1 above, the Placement Shares were issued on 9 May 2024 using the Company's issuing capacities under Listing Rule 7.1 and 7.1A as follows:

- (a) 12,955,480 Shares using its placement capacity under Listing Rule 7.1; and
- (b) 11,944,520 Shares using its placement capacity under Listing Rule 7.1A.

Resolutions 1 and 2 are ordinary resolutions seeking ratification and approval by Shareholders of the prior issue of the Placement Shares under its Listing Rule 7.1 and 7.1A placement capacities respectively.

### **2.2 Regulatory requirements**

#### Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fall within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period from the issue date of the Placement Shares.

#### Listing Rule 7.1A

Listing Rule 7.1A provides that, in addition to the 15% placement capacity permitted without prior shareholder approval under Listing Rule 7.1 described above, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue, during the

period the approval is valid, a number of quoted Equity Securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in Listing Rule 7.1.

The Company obtained approval from its Shareholders to refresh its Listing Rule 7.1A placement capacity at its last annual general meeting held on 29 November 2023.

#### Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 or 7.1A (as applicable) and so does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under those rules.

The Placement did not fit within any of the exceptions to Listing Rules 7.1 or 7.1A set out in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it uses up part of the Company's placement capacities, effectively reducing the Company's capacity to issue further Equity Securities without Shareholder approval.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1 and 7.1A. To this end:

- (a) Resolution 1 seeks Shareholder approval to the issue of 12,955,480 Placement Shares under Listing Rule 7.1 for the purposes of Listing Rule 7.4; and
- (b) Resolution 2 seeks Shareholder approval to the issue of 11,944,520 Placement Shares under Listing Rule 7.1A for the purposes of Listing Rule 7.4.

### **2.3 Technical Information required by Listing Rule 14.1A**

#### Resolution 1

If Resolution 1 is passed, the issue of 12,955,480 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, the issue of 12,955,480 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

#### Resolution 2

If Resolution 2 is passed, the issue of 11,944,520 Placement Shares will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval before 29 November 2024 (being the date 12-months after the Company's 2023 Annual General Meeting at which the Company's additional 10% placement capacity under Listing Rule 7.1A was approved).

If Resolution 2 is not passed, the issue of 11,944,520 Placement Shares will be included in calculating the Company's remaining capacity under Listing Rules 7.1 and 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval before 29 November 2024.

### **2.4 Listing Rule information requirements**

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolutions 1 and 2:

(a) **Persons to whom the securities were issued or the basis on which those persons were identified**

Placement Shares were issued to Placement Participants, being various institutional, professional and sophisticated investors identified by the Agents.

None of the Placement Participants were:

- Related Parties of the Company;
- a member of Key Management Personnel;
- a substantial Shareholder (30%+, or 10%+ with a Board nominee) in the Company; nor
- an Associate of any of the above.

(b) **The number and class of securities issued**

Under the Placement, the Company issued 24,900,000 Shares as follows:

- (i) 12,955,480 Shares were issued within the Company's 15% placement capacity under Listing Rule 7.1 (the subject of Resolution 1); and
- (ii) 11,944,520 Shares were issued within the Company's additional 10% placement capacity under Listing Rule 7.1A (the subject of Resolution 2).

All Placement Shares were fully paid ordinary shares in the Company which rank equally with all other Shares on issue.

(c) **The date on which the securities were issued**

The Placement Shares were issued by the Company on 9 May 2024.

(d) **The price or consideration the entity has received for the issue**

The Placement Shares were issued at \$1.00 (C\$0.89) each, to raise approximately \$24,900,000 million (before costs).

(e) **The purpose of the issue, including use or intended use of the funds raised**

The purpose of, and intended use of funds raised from, the Placement is described in Section 1.3 above.

(f) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Placement Shares were issued pursuant to placement subscription documents, the key terms of which are set out in this document and in particular Section 1.1.

(g) **A voting exclusion statement**

Voting exclusion statements for Resolutions 1 and 2 are included at page 4 of this Notice.

## **2.5 Board Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolutions 1 and 2, as doing so will refresh the Company's issuing capacities under Listing Rules 7.1 and 7.1A, giving the Company the flexibility to raise additional working capital through the offer and issue of Equity Securities, if and as required.

### **3. Resolution 3 – Approval for issue of Broker Options**

#### **3.1 Background**

In connection with the Placement as described in Section 1.1 above, the Company entered into an agency agreement with the Agents (comprising Veritas and Cormark as Joint Lead Managers, and BMO and Beacon as co-managers) (**Agency Agreement**). Under the Agency Agreement, subject to the Company obtaining Shareholder approval, the Company has agreed to issue 1,494,000 Options (exercisable at \$1.50 per share within 24 months of issue) to the Agents in part consideration for services provided in relation to the Placement (**Broker Options**), as follows:

- (a) 672,300 Broker Options are to be issued to Veritas;
- (b) 597,600 Broker Options are to be issued to Cormark;
- (c) 149,400 Broker Options to be issued to BMO; and
- (d) 74,700 Broker Options to be issued to Beacon.

Resolution 3 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Broker Options.

#### **3.2 Regulatory Requirements**

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Broker Options does not fall within any of the exceptions set out in Listing Rule 7.2 and therefore requires the approval of Shareholders under Listing Rule 7.1 in order to minimise the restrictive effect of Listing Rule 7.1 on any further issues by the Company of Equity Securities in the next 12 months.

#### **3.3 Technical Information required by Listing Rule 14.1A**

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Broker Options and such issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Broker Options without using its available capacity to Listing Rule 7.1. If Resolution 3 is not passed and following the Meeting, the Company does not have sufficient placement capacity to issue the Broker Options, it will not be able to proceed with the issue of the Broker Options and consequently:

- (a) the Company will not potentially raise up to \$2,241,000 on any exercise of Broker Options; and
- (b) pursuant to the terms of the Agency Agreement, the Company shall pay the Agents such other compensation of comparable value to the Broker Options as is to be agreed between the Company and the Agents.

#### **3.4 Listing Rule Information Requirements**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 3:

- (a) **Persons to whom the securities will be issued or the basis on which those persons will be identified**

The Broker Options will be issued to the Agents (Veritas, Cormark, BMO and Beacon), or their respective nominees.

(b) **The number and class of securities**

The Company intends to issue 1,494,000 Broker Options.

(c) **A summary of the material terms of the securities**

The Broker Options have an exercise price of \$1.50 each and expire 24 months from the date of issue, and otherwise have the terms set out in Schedule 2.

(d) **The date on which the securities will be issued**

The Broker Options will be issued as soon as possible after the Meeting and in any event no later than three months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

It is intended that the Broker Options will be issued concurrently with the issue of the Underwriter Options contemplated by Resolution 4.

(e) **The price or consideration the entity will receive for the issue**

The Broker Options will be issued at a nil subscription price, in part consideration for services provided by the Agents in relation to the Placement.

(f) **The purpose of the issue, including use or intended use of the funds raised**

The purpose of the issue of the Broker Options is in part consideration for services provided by the Agents in relation to the Placement, and to satisfy the Company's obligations under the Agency Agreement.

If all of the Broker Options are exercised prior to expiry, the Company will raise up to \$2,241,000 and anticipates it will use those funds for working capital purposes as required at that time.

(g) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Broker Options are issued pursuant to the Agency Agreement, the material terms of which are outlined in Schedule 1.

In addition to the Broker Options, the Agents were entitled to a cash commission equal to 6% of the aggregate gross proceeds value of the Placement, being a commission of \$1,494,000, which was paid to the Agents upon closing of the Placement.

(h) **A voting exclusion statement**

A voting exclusion statement in respect of Resolution 3 is included at page 4 of this Notice.

### **3.5 Board Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

## **4. Resolution 4 – Approval for issue of Underwriter Options to Veritas**

### **4.1 Background**

As described in Section 1.2 Veritas acted as Underwriter to the SPP Offer.

Pursuant to an underwriting agreement between the Company and Veritas (**Underwriting Agreement**), Veritas has agreed to manage the SPP Offer and underwrite any shortfall in applications to the SPP Offer by eligible Shareholders up a maximum commitment of 5,000,000 Shares (**Underwritten Amount**) at \$1.00 per Share, being a total commitment of \$5,000,000.

In consideration for the above obligations, Veritas is entitled to:

- (a) a capital raising fee equal to 3% of the aggregate funds raised by the Company under the SPP Offer;
- (b) a management fee equal to 3% of the aggregate funds underwritten, being a management fee of \$150,000; and
- (c) subject to Shareholder approval, 420,000 non-transferable and unlisted options in the Company, each exercisable within 24 months of issue at an exercise price of \$1.50 per Option (**Underwriter Options**).

In addition, the Company must pay or reimburse Veritas for its reasonable costs, professional fees and expenses in relation, and incidental, to the SPP Offer.

The Company has given warranties and covenants to Veritas which are of the type and form that is usual in an underwriting agreement of this nature.

Veritas' termination rights under the Underwriting Agreement included the right to terminate its underwriting obligations immediately by written notice to the Company in various circumstances, including if during the term of the agreement any of:

- (a) the S&P/ASX Small Resources Index (XSR.ASX); or
- (b) the United States dollar denominated spot price for gold (SPTGLD.FX, defined as one troy oz)); or
- (c) the LME US\$ Denominated Copper Grade A Cash Contract Price (IRESS code: COPP.LME),

(each as quoted on IRESS, respectively an Index), is for a period of at least one day more than 10% below that Index as at the close of normal trading on the trading day immediately preceding the date of the Underwriting Agreement.

As announced to the market on 21 May 2024, the SPP Offer received overwhelming support from eligible Shareholders and closed early and oversubscribed at 5.00pm (WST) on 21 May 2024. Accordingly, there was no shortfall in applications to be subscribed to by Veritas under the Underwriting Agreement.

Resolution 4 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Underwriter Options.

## **4.2 Regulatory Requirements**

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Underwriter Options does not fall within any of the exceptions set out in Listing Rule 7.2 and therefore requires the approval of Shareholders under Listing Rule 7.1 in order to minimise the restrictive effect of Listing Rule 7.1 on any further issues by the Company of Equity Securities in the next 12 months.

## **4.3 Technical Information required by Listing Rule 14.1A**

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Underwriter Options and such issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Underwriter Options without using its available capacity to Listing Rule 7.1. If Resolution 4 is not passed and following the Meeting, the Company does not have sufficient placement capacity to issue the Underwriter Options, it will not be able to proceed with the issue of the Underwriter

Options and consequently the Company will not potentially raise up to \$630,000 on any exercise of Underwriter Options.

#### **4.4 Listing Rule Information Requirements**

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 4:

(a) **Persons to whom the securities will be issued or the basis on which those persons will be identified**

The Underwriter Options will be issued to Veritas (or its nominee).

(b) **The number and class of securities**

The Company intends to issue 420,000 Underwriter Options.

(c) **A summary of the material terms of the securities**

The Underwriter Options have an exercise price of \$1.50 each and expire 24 months from the date of issue, and otherwise have the terms set out in Schedule 2.

(d) **The date on which the securities will be issued**

The Underwriter Options will be issued as soon as possible after the Meeting and in any event no later than three months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

It is intended that the Underwriter Options will be issued concurrently with the issue of the Broker Options contemplated by Resolution 3.

(e) **The price or consideration the entity will receive for the issue**

The Underwriter Options will be issued at a nil subscription price, in part consideration for underwriting services provided by Veritas in relation to the SPP Offer.

(f) **The purpose of the issue, including use or intended use of the funds raised**

The purpose of the issue of the Underwriter Options is in part consideration for underwriting services provided by Veritas in relation to the SPP Offer, and to satisfy the Company's obligations under the Underwriting Agreement.

If all of the Underwriter Options are exercised prior to expiry, the Company will raise up to \$630,000 and anticipates it will use those funds for working capital purposes as required at that time.

(g) **If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Underwriter Options are issued pursuant to the Underwriting Agreement, the material terms of which are outlined in Section 4.1.

In addition to the Underwriter Options, Veritas is entitled to:

- (i) a capital raising fee equal to 3% of the aggregate funds raised by the Company under the SPP Offer; and
- (ii) a management fee equal to 3% of the aggregate funds underwritten, being a management fee of \$150,000.

in relation to the SPP Offer, as further outlined in Section 4.1.

(h) **A voting exclusion statement**

A voting exclusion statement in respect of Resolution 4 is included at page 4 of this Notice.

**4.5 Board Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

**5. Resolution 5 – Re-approval of Employee Incentive Plan and approval of issue of Securities under Employee Incentive Plan**

**5.1 Background**

The Company currently operates an Employee Incentive Plan under which Directors, officers, employees and certain contractors may be offered awards pursuant to which they acquire or earn Equity Securities (e.g. Shares, Options and performance rights) in the Company.

The Employee Incentive Plan has been established with the objectives of:

- (a) establishing a method by which eligible participants can participate in the future growth and profitability of the Company through holding of equity interests in the Company;
- (b) providing an incentive and reward for eligible participants for their contributions to the Company;
- (c) attracting and retaining a high standard of executive, managerial, technical and other personnel for the benefit of the Company; and
- (d) aligning the interests of eligible participants more closely with the interests of the Shareholders, by providing an opportunity for eligible participants to hold an equity interest in the Company.

A summary of the Employee Incentive Plan is set out in Schedule 3.

Shareholder approval is being sought under Resolution 5 for the purposes of Exception 13 of Listing Rule 7.2 to approve the issue of additional Equity Securities under the Employee Incentive Plan for the purposes of providing the Company flexibility to attract additional high calibre mining professionals as the Company transforms its capability through its final stages of development studies for Costa Fuego.

**5.2 Regulatory Requirements**

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period. However, securities issued pursuant to an exception to Listing Rule 7.1 set out in Listing Rule 7.2 are not counted for the purposes of the limit.

Exception 13 of Listing Rule 7.2 provides that shareholders may approve the issue of Equity Securities under an employee incentive scheme as an exception to Listing Rule 7.1. If such approval is obtained, Listing Rule 7.1 does not apply to an issue of Equity Securities in the listed company made under an employee incentive scheme within three years of the date of the approval.

Exception 13 of Listing Rule 7.2 is only available if the number of Equity Securities issued under an employee incentive scheme does not exceed the maximum number set out in an entity's notice of meeting.

The Company last received Shareholder approval under Exception 13 of Listing Rule 7.2 in its 2022 Annual General Meeting held on 30 November 2022, where it sought approval for a maximum of 6,000,000 Equity Securities to be issued pursuant to the Employee Incentive

Scheme. The Company has since almost exhausted this available issuance capacity, and therefore seeks Shareholder approval under Exception 13 of Listing Rule 7.2 under Resolution 5 for the purposes of permitting the issue of additional securities under the Employee Incentive Plan as an exception to Listing Rule 7.1.

### **5.3 Technical Information required by Listing Rule 14.1A**

If Resolution 5 is passed, the Company will be able to issue up to an additional 3,000,000 Equity Securities under the Plan without further Shareholder approval and without those securities being included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 for a period of 3 years from the date Resolution 5 is passed.

If Resolution 5 is not passed, future grants of Equity Securities under the Employee Incentive Plan will be included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 until such time as the Company obtains Shareholder approval under Exception 13 of Listing Rule 7.2 for the Employee Incentive Plan in the future. In that scenario the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long term incentive subject to the risk of forfeiture, performance conditions and performance period.

### **5.4 Listing Rule information requirements:**

In accordance with the requirements set out in Exception 13(b) of Listing Rule 7.2, the following information is provided in relation to Resolution 5:

#### **(a) Summary of the Employee Incentive Plan**

A summary of the Employee Incentive Plan is set out in Schedule 3.

#### **(b) Maximum number of securities proposed to be issued under the Employee Incentive Plan**

The maximum number of securities proposed to be issued under the Employee Incentive Plan within the three-year period from the date of the passing of Resolution 5 is 3,000,000 Equity Securities, representing 1.982% of the undiluted Shares in the Company as at 27 May 2024 (151,345,206 Shares). The maximum number is not intended to be a prediction of the actual number of securities to be issued under the Employee Incentive Plan, simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b).

#### **(c) Previous issues under the Employee Incentive Plan since last approval**

Since Shareholder approval of the Employee Incentive Plan at the Company's 2022 Annual General Meeting held on 30 November 2022 (being the last time that Shareholder approval was received under Exception 13 of Listing Rule 7.2), at which the Company received approval to issue up to 6,000,000 Equity Securities under the Employee Incentive Plan, the following Equity Securities have been issued to employees under the Employee Incentive Plan:

- (i) 2,816,864 Service Rights issued on 12 May 2023;
  - (ii) 2,489,864 Performance Rights issued on 12 May 2023;
  - (iii) 345,000 Service Rights issued on 22 August 2023; and
  - (iv) 345,000 Performance Rights issued on 22 August 2023,
- totalling 5,996,728 Equity Securities.

#### **(d) A voting exclusion statement**

A voting exclusion statement in respect of Resolution 5 is included at page 4 of this Notice.

## **5.5 Board Recommendation**

Noting that the Directors may have a personal interest in the outcome of this Resolution 5 by virtue of being eligible to participate in the Employee Incentive Plan, the Directors recommend that Shareholders vote in favour of Resolution 5. This will give the Board the flexibility to issue securities to eligible participants under the Employee Incentive Plan without using the Company's issuing capacity under Listing Rule 7.1.

Item	Summary
<b>Method for calculating exercise prices</b>	The exercise price of an Option is the price determined by the board, in its absolute discretion, prior to or on grant of the Options. Notwithstanding the foregoing, if the Company is listed on the TSXV, the exercise price in respect of any Option shall be determined and approved by the board when such Option is granted, but shall not be less than the market price of a Share as of the date of the grant, less any discount permitted by the TSXV. A minimum exercise price cannot be established unless the Options are allocated to particular participants.
<b>Maximum term of exercisable Awards</b>	An Award that must be exercised in order for the participant to be issued a Share which has not been exercised will expire on the date that is 10 years after the Award was granted.
<b>Restrictions on disposal</b>	An Award holder is not able to sell, transfer, mortgage, pledge, charge, grant security over or otherwise dispose of any Awards, or agree to do any of those things, without the prior consent of the Board or unless such disposal is required by law.
<b>Participation rights of Award holders</b>	Holders of Convertible Awards will only be permitted to participate in an issue of new Shares by the Company if they exercise their Convertible Award before the record date for the relevant issue. The Company must ensure that, for the purposes of determining entitlements to any such issue, the record date will be at least 7 business days after the issue of new Shares is announced. This will give Award holders the opportunity to exercise their Convertible Awards prior to the date for determining entitlements to participate in any such issue.
<b>Adjustment of Awards</b>	<p>If the Company makes a pro rata bonus issue, and a Convertible Award is not exercised before the record date for that bonus issue, then on exercise of the Convertible Award, the holder is entitled to receive the number of bonus shares which would have been issued if the Convertible Award had been exercised before the record date.</p> <p>In the event of a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, the number of Awards to which each Award holder is entitled or the exercise price or both will be changed in the manner required by the Listing Rules and, in any case, in a manner which will not result in any benefits being conferred on holders of Awards which are not conferred on Shareholders.</p>
<b>Takeovers</b>	In the event of a takeover bid, certain capital reorganisations, or transactions occurring that give rise to certain changes of control of the Company, restrictions on the exercise of an Award may lapse so that Award holders are able to participate in the relevant transaction.
<b>Tax deferral</b>	Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth), which enables tax deferral on Awards offered under the Employee Incentive Plan (subject to the conditions in that Act), may apply to Awards granted under the Employee Incentive Plan.
<b>Amending the Employee Incentive Plan</b>	Subject to and in accordance with the Listing Rules and TSXV Policies, the Board (without the necessity of obtaining prior or subsequent consent of Shareholders) may from time to time amend all or any provisions of the Employee Incentive Plan.
