Transaction rationale

⁴ Details of Trident are extracted from section 7 of the Rule 2.7 UK Takeover Code announcement released by Trident on 13 June 2024

Australian Securities Exchange Notice

Managing Director Julian Andrews said Deterra was pleased to announce the offer and looks forward to completing the Transaction as quickly as possible.

“I believe our offer provides an attractive outcome for shareholders of both Deterra and Trident. It is a positive step in the execution of Deterra’s growth strategy by adding quality assets to our current portfolio. For Trident shareholders it offers the certainty of a cash return at a significant premium and access to liquidity not available in recent trading. We welcome the support of both the Trident Board and key shareholders representing 28.7 per cent. of Trident’s issued capital for the Transaction.”

“This Transaction is aligned with our growth strategy of building a diversified portfolio of royalties, with, amongst other benefits, leverage to our scalable operating cost structure. It is an opportunity to accelerate the growth of our portfolio through the addition of a high-quality portfolio of 21 royalties and royalty-like instruments, the majority of which are over North American domiciled assets, at an attractive time in the commodities cycle. This portfolio is consistent with our stated investment criteria, providing exposure to commodities within our target of bulk, base and battery metals from mining operations and projects located in primarily stable and established mining jurisdictions.”

“In particular, the Trident portfolio offers significant exposure to battery metals, including a high-quality ‘marquee’ asset in the form of its royalty over Lithium Americas Corporation’s Thacker Pass operation. This is a large-scale, long-life, development-stage lithium project which is currently finalising corporate funding requirements which, alongside DoE project financing, will ensure Thacker Pass is fully funded. Trident’s remaining assets would provide both immediate cash flows to Deterra and a range of growth options.”

Transaction Funding

In order to meet the requirements of Rules 2.7(d) and 24.8 of the UK Takeover Code and permit its UK financial advisor, J.P. Morgan Cazenove, to make the appropriate confirmation of certainty of funds, Deterra and its wholly-owned subsidiary DGH have entered into a bridge facility agreement with J.P. Morgan Chase Bank, N.A, pursuant to which a £150 million loan facility is being made available to DGH. Prior to completion of the acquisition the commitments under the Bridge Facility Agreement may be reduced or replaced by other debt facilities expected to be available to DGH. We note Deterra’s existing \$500 million of bilateral facilities remain undrawn as at the date of this announcement.

Timetable

Deterra looks forward to continued engagement with Trident in preparing the necessary scheme documentation for consideration by Trident shareholders; this documentation is intended to be published within 28 days of the date of this announcement and will include full details of the Transaction.

Trident shareholders will be given the opportunity to vote on the Scheme at a shareholder meeting expected to be convened in the UK summer of 2024 with the joint aim of completing the transaction in H2 2024.

FOR IMMEDIATE RELEASE

13 JUNE 2024

RECOMMENDED CASH OFFER

for

TRIDENT ROYALTIES PLC

by

DETERRA GLOBAL HOLDINGS PTY LTD

(a direct wholly owned subsidiary of Deterra Royalties Limited)

**(to be implemented by way of a scheme of arrangement
under Part 26 of the Companies Act 2006)**

Summary

- The boards of directors of Deterra Global Holdings Pty Ltd (“**Bidco**”) and Trident Royalties Plc (“**Trident**”) are pleased to announce that they have reached agreement on the terms and conditions of a recommended all-cash offer by Bidco for the entire issued and to be issued share capital of Trident (the “**Offer**”).
- It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to implement the Offer by way of a Takeover Offer, with the consent of the Panel).
- Under the terms of the Offer, each Trident Shareholder will be entitled to receive:
for each Trident Share: 49 pence in cash (the “Cash Consideration”)
- The Cash Consideration values Trident’s entire issued and to be issued share capital at approximately £144 million.
- The Cash Consideration represents a premium of approximately:
 - 22.5 per cent. to the Closing Price per Trident Share of 40.0 pence on 12 June 2024 (being the latest practicable date prior to this Announcement (the “**Latest Practicable Date**”));
 - 42.0 per cent. to the Closing Price per Trident Share of 34.5 pence on 23 April 2024 (being the date prior to the submission of Deterra’s first non-binding, conditional proposal of 44 pence per share on 24 April 2024);
 - 21.2 per cent. to the volume weighted average price per Trident Share of 40.4 pence for the 1-month period ended on the Latest Practicable Date;
 - 31.9 per cent. to the volume weighted average price per Trident Share of 37.1 pence for the 3-month period ended on the Latest Practicable Date; and
 - 34.7 per cent. to the volume weighted average price per Trident Share of 36.4 pence for the 6-month period ended on the Latest Practicable Date.

Dividends

- If any dividend, distribution or other return of value is announced, authorised, declared, made or paid in respect of Trident Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Trident Share under the terms of the Offer by the amount per Trident Share of such dividend, distribution or other return of value. In such circumstances, Trident Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.

Background to, and reasons for, the Offer

- The Offer represents an attractive opportunity for Deterra to accelerate its growth strategy and create value for its shareholders.
- Deterra's growth strategy includes acquiring additional royalties across the bulk, base metal and battery metal segments. Through execution of this growth strategy, Deterra is seeking to build a diversified royalty portfolio, with:
 - strong and resilient cash flows;
 - multiple sources of earnings growth over time; and
 - leverage to Deterra's scalable operating cost structure.
- Trident holds an attractive portfolio of royalties that would offer Deterra geographical diversification and commodity exposure to battery and precious metals.
- Trident's Thacker Pass lithium asset aligns squarely with Deterra's target investment criteria. Trident's other assets, including its La Preciosa Silver royalty and Mimbula copper royalty, will assist Deterra in its diversification efforts.
- Recognised strategic investors have supported the Offer, in Regal Funds Management Pty Limited, LIM Asia Special Situations Master Fund Limited; Ponderosa Investments (WA) Pty Ltd and Ashanti having provided shareholder irrevocable undertakings over approximately 24 per cent. of Trident's issued share capital and Amati Global Investors Limited having provided a letter of intent in respect of a further approximately 4 per cent. of Trident's issued share capital.

Background to and reasons for the Trident Directors' recommendation

- Since its inception in June 2020, Trident has sought to create shareholder value through the acquisition of high quality assets. In doing so, Trident has acquired 21 assets and now boasts a portfolio with:
 - commodity diversification and balanced exposure to precious, base and battery metals, and bulk / industrial materials;
 - more than half of the assets generating cash flow, and several others which are expected to begin generating cash flow in the near-to-medium term; and
 - a flagship royalty over the Thacker Pass lithium project.
- The Trident Board believes the consistent execution of its strategy, coupled with the positive developments that have occurred at many of the underlying assets over which its royalties and offtakes are held, provide a strong platform for future growth. Accordingly, the Trident Board remains confident in Trident's ability to succeed as an independent business.
- However, the Trident Board also recognises that there are risks associated with unlocking value as an independent business, including:
 - potential permitting, development, funding and operational risks faced by operators of the underlying assets which could impact the quantum and/or timing of cash flows to be received by Trident;

- the current challenging equity capital markets conditions for small-cap equities and the relatively illiquid nature of Trident's shares; and
 - the broader macroeconomic and market risks Trident is exposed to as a listed entity.
- Further, as part of Trident's regular communication with Trident Shareholders, it has become clear to Trident that certain Trident Shareholders, many of whom have been shareholders since Trident's IPO, would welcome the opportunity for a liquidity event. While these Trident Shareholders could theoretically seek to monetise their holdings via on-market trades, the illiquid nature of Trident's shares means that such trades would likely have a significant detrimental impact on Trident's share price. By comparison, the Offer represents an opportunity for Trident Shareholders that invested at Trident's IPO to monetise their position at a 145 per cent. premium to the IPO price of Trident's Shares (20 pence).
 - In considering the Offer, the Trident Board has taken into consideration Trident's independent strategy, its long-term potential value and risks associated with achieving this value, the challenging equity capital market conditions for small-cap equities, the relatively illiquid nature of Trident's shares and the desire of certain Trident Shareholders to be presented with a liquidity event.
 - The Trident Board has also given consideration to the fact that discussions with other potential counterparties that have occurred in recent months, have not resulted in any other proposals being received.
 - Against this backdrop, the Offer presents an opportunity for Trident Shareholders to accelerate and de-risk the recognition of Trident's potential future value creation, and realise an immediate and certain cash exit for their investment at a premium to the prevailing share price over recent months.
 - In addition to the financial terms of the Offer, the Trident Directors have also given consideration to Deterra's stated intentions for the business and its employees, and Deterra's integrated business model.
 - **Accordingly, the Trident Directors intend to recommend unanimously that Trident Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting.**

Recommendation

- The Trident Directors, who have been so advised by BMO as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing its advice to the Trident Directors, BMO has taken into account the commercial assessments of the Trident Directors. BMO is providing independent financial advice to the Trident Directors for the purposes of Rule 3 of the Code.
- **Accordingly, the Trident Directors intend to recommend unanimously that Trident Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting, as the Trident Directors have irrevocably undertaken to do (or procure to be done) in respect of their interests and those of certain of their connected persons being, in aggregate, 1,948,623 Trident Shares representing approximately 0.66 per cent. of the issued share capital of Trident as at the Latest Practicable Date.**

Irrevocable undertakings and Letter of Intent

- In addition to the irrevocable undertakings given by the Trident Directors referred to immediately above, Bidco has also received:
 - irrevocable undertakings to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Regal Funds Management Pty Limited, LIM Asia Special Situations Master Fund Limited; Ponderosa Investments (WA) Pty Ltd and Ashanti in respect of 70,445,397 Trident Shares, in aggregate, representing approximately 24 per cent. of Trident's issued share capital as at the Latest Practicable Date; and

- a letter of intent to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Amati Global Investors Limited in respect of 11,707,015 Trident Shares, representing approximately 4 per cent. of Trident's issued share capital as at the Latest Practicable Date.
- In aggregate therefore, Bidco has received irrevocable undertakings and a letter of intent to vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from the holders of 84,101,035 Trident Shares in total representing approximately 28.7 per cent. of Trident's issued share capital as at the Latest Practicable Date.
- Further details of these irrevocable undertakings, including the terms on which they cease to be binding, are set out in Appendix III to this Announcement.

Information on Deterra and Bidco

- Deterra Royalties Limited ("**Deterra**") is based in Perth, Australia and is listed on the Australian Securities Exchange (ASX code: DRR) with a market capitalisation of approximately A\$2.4 billion as at the Latest Practicable Date. In the financial year ended 30 June 2023, Deterra reported total revenue of A\$229 million and underlying EBITDA of A\$219 million. Deterra was formed as a separate listed entity via an in-specie distribution (demerger) from Iluka Resources Limited in November 2020 and is a constituent of the S&P/ASX 200 Index.
- Deterra's principal activity is the management and growth of a portfolio of royalty assets across a range of commodities, primarily focused on bulk, base and battery metals. Its key royalty investment activities involve acquisition of royalties from third parties and providing finance to resource companies in return for royalties.
- Deterra holds six royalties in its current portfolio, creating growth through asset life extensions and exploration. Deterra's existing portfolio includes royalties held over Mining Area C, in the Pilbara region of Western Australia, its cornerstone asset, as well as five smaller royalties including Yoongarillup/Yalyalup, Wonnerup, Eneabba and St Ives.
- The strategy of Deterra is to expand and diversify its royalty base over time through strategic acquisitions and the funding of high-quality resource projects, targeting value accretive growth for Deterra's shareholders.
- Bidco is an Australian proprietary company and is a direct wholly owned subsidiary of Deterra.

Timetable and conditions

- It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (or, subject to the consent of the Panel and the terms of the Co-operation Agreement, if Bidco so elects, a Takeover Offer).
- The Offer will be made in accordance with the Code and is subject to the Conditions and further terms set out in Appendix I to this Announcement and to the full terms and conditions which will be set out in the Scheme Document. The Conditions include:
 - the approval by a majority in number of Scheme Shareholders present, entitled to vote and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted;
 - the approval of the Resolutions by the requisite majority or majorities of Trident Shareholders at the General Meeting;
 - the sanction of the Scheme by the Court; and
 - the Scheme becoming Effective by no later than the Long Stop Date.

- The Offer is expected to become Effective in H2 2024 subject to the satisfaction (or, where applicable, waiver) of the Conditions set out in Appendix I to this Announcement.

Further details of the Offer, including an expected timetable of key events, will be contained in the Scheme Document which is intended to be published, along with notices of the Court Meeting and General Meeting and the Forms of Proxy, within 28 days of the date of this Announcement, unless Trident and Bidco otherwise agree, and the Panel consents, to a later date. Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Bidco's website at www.deterraroyalties.com/investors/proposed-acquisition-of-trident and Trident's website at <https://tridentroyalties.com/recommended-offer>.

- Commenting on the Offer, Julian Andrews, Managing Director of Deterra, said:

"I believe the Offer provides an attractive outcome for shareholders of both Deterra and Trident. It is a positive step in the execution of Deterra's growth strategy by adding quality assets to our current portfolio. For Trident Shareholders it offers the certainty of a cash return at a significant premium and access to liquidity not available in recent trading. We welcome the support for the Offer of both the Trident Board and key shareholders representing 28.7 per cent of Trident's issued capital."

- Commenting on the Offer, Peter Bacchus, Non-Executive Chair of Trident, said:

"Since its inception in June 2020, Trident has built shareholder value through the acquisition of high quality royalties and now holds a diversified portfolio of 21 assets, including the flagship Thacker Pass lithium royalty. While the Trident Board remains confident in Trident's ability to succeed as an independent business and to continue delivering strong results and growth in the future, the Offer from Deterra offers Trident Shareholders both liquidity and an immediate cash premium. As such, it presents an opportunity for our shareholders to accelerate and de-risk the recognition of Trident's potential future value creation, and realise a certain cash exit for their investment."

Doing so may render invalid any related purported vote in respect of acceptance of the Offer.

Forward-looking Statements

This Announcement (including any information incorporated by reference in this Announcement), oral statements made regarding the Offer, and other information published by Deterra, Bidco or Trident contain statements which are, or may be deemed to be, "forward-looking statements" with respect to Deterra, Bidco, Trident and the Enlarged Deterra Group. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "aim", "will", "may", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, synergies, financial conditions, market growth, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the Deterra Group or the Trident Group; and (iii) the effects of government regulation on the business of the Deterra Group or the Trident Group. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are the satisfaction (or, where permitted, waiver) of the Conditions as well as additional factors, such as domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the UK's exit from the European Union, Eurozone instability, the Russia-Ukraine conflict), disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations, the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Deterra Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Enlarged Deterra Group), the inability of the Deterra Group to integrate successfully the Trident Group's operations and programmes when the Offer is implemented, the Enlarged Deterra Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks and uncertainties (and other factors that are in many cases beyond the control of Trident, Deterra and/or Bidco) because they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these

forward-looking statements which speak only as at the date of this Announcement. None of the Deterra Group nor Trident Group, nor any of their respective associates or directors, officers or advisers, provide any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. All subsequent oral or written forward-looking statements attributable to Deterra, Bidco or Trident or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Other than in accordance with their legal or regulatory obligations (including under the Code, MAR and the AIM Rules), neither of Deterra, Bidco nor Trident is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No Profit Forecasts, Estimates or Quantified Financial Benefits Statements

No statement in this Announcement is intended, or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this Announcement should be interpreted to mean that earnings or earnings per ordinary share, for Deterra, Bidco or Trident, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Deterra, Bidco or Trident, respectively.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Trident as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

Electronic Communication – Information Relating to Trident Shareholders

Addresses, electronic addresses and certain other information provided by Trident Shareholders, persons with information rights and other relevant persons for the receipt of communications from Trident may be provided to Bidco during the Offer Period as required under Section 4 of Appendix 4 of the Code to comply with Rule 2.11(c) of the Code.

FOR IMMEDIATE RELEASE

13 JUNE 2024

RECOMMENDED CASH OFFER

for

TRIDENT ROYALTIES PLC

by

DETERRA GLOBAL HOLDINGS PTY LTD

(a direct wholly owned subsidiary of Deterra Royalties Limited)

**(to be implemented by way of a scheme of arrangement
under Part 26 of the Companies Act 2006)**

1. Introduction

The boards of directors of Deterra Global Holdings Pty Ltd (“**Bidco**”) and Trident Royalties Plc (“**Trident**”) are pleased to announce that they have reached agreement on the terms and conditions of a recommended all-cash offer by Bidco for the entire issued and to be issued share capital of Trident (the “**Offer**”).

It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to implement the Offer by way of a Takeover Offer, with the consent of the Panel).

2. The Offer

Under the terms of the Offer, each Trident Shareholder will be entitled to receive:

for each Trident Share: 49 pence in cash (the “Cash Consideration”)

The Cash Consideration values Trident’s entire issued and to be issued share capital at approximately £144 million.

The Cash Consideration represents a premium of approximately:

- 22.5 per cent. to the Closing Price per Trident Share of 40.0 pence on 12 June 2024 (being the latest practicable date prior to this Announcement (the “**Latest Practicable Date**”));
- 42.0 per cent. to the Closing Price per Trident Share of 34.5 pence on 23 April 2024 (being the date prior to the submission of Deterra’s first non-binding, conditional proposal of 44 pence per share on 24 April 2024);
- 21.2 per cent. to the volume weighted average price per Trident Share of 40.4 pence for the 1-month period ended on the Latest Practicable Date;
- 31.9 per cent. to the volume weighted average price per Trident Share of 37.1 pence for the 3-month period ended on the Latest Practicable Date; and

- 34.7 per cent. to the volume weighted average price per Trident Share of 36.4 pence for the 6-month period ended on the Latest Practicable Date.

The Trident Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Trident Shares.

If any dividend, distribution or other return of value is announced, authorised, declared, made or paid in respect of Trident Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Trident Share under the terms of the Offer by the amount per Trident Share of such dividend, distribution or other return of value. In such circumstances, Trident Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.

3. Background to, and Reasons for, the Offer

The Offer represents an attractive opportunity for Deterra to accelerate its growth strategy and create value for its shareholders.

Deterra's growth strategy includes acquiring additional royalties across the bulk, base metal and battery metal segments. Through execution of this growth strategy, Deterra is seeking to build a diversified royalty portfolio, with:

- strong and resilient cash flows;
- multiple sources of earnings growth over time; and
- leverage to Deterra's scalable operating cost structure.

Trident holds an attractive portfolio of royalties that would offer Deterra geographical diversification and commodity exposure to battery and precious metals.

Trident's Thacker Pass lithium asset aligns squarely with Deterra's target investment criteria. Trident's other assets, including its La Preciosa Silver royalty and Mimbula copper royalty, will assist Deterra in its diversification efforts.

Recognised strategic investors have supported the Offer, in Regal Funds Management Pty Limited, LIM Asia Special Situations Master Fund Limited; Ponderosa Investments(WA) Pty Ltd and Ashanti having provided shareholder irrevocable undertakings over approximately 24 per cent. of Trident's issued share capital and Amati Global Investors Limited having provided a letter of intent in respect of a further approximately 4 per cent. of Trident's issued share capital.

4. Recommendation

The Trident Directors, who have been so advised by BMO as to the financial terms of the Offer, consider the terms of the Offer to be fair and reasonable. In providing its advice to the Trident Directors, BMO has taken into account the commercial assessments of the Trident Directors. BMO is providing independent financial advice to the Trident Directors for the purposes of Rule 3 of the Code.

Accordingly, the Trident Directors intend to recommend unanimously that Trident Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting, as the Trident Directors have irrevocably undertaken to do (or procure to be done) in respect of their interests and those of certain of their connected persons being, in aggregate, 1,948,623 Trident Shares representing approximately 0.66 per cent. of the issued share capital of Trident as at the Latest Practicable Date.

5. Background to and Reasons for the Recommendation

Since its inception in June 2020, Trident has sought to create shareholder value through the acquisition of high quality assets. In doing so, Trident has acquired 21 assets and now boasts a portfolio with:

- commodity diversification and balanced exposure to precious, base and battery metals, and bulk / industrial materials;
- more than half of the assets generating cash flow, and several others which are expected to begin generating cash flow in the near-to-medium term; and
- a flagship royalty over the Thacker Pass lithium project.

The Trident Board believes the consistent execution of its strategy, coupled with the positive developments that have occurred at many of the underlying assets over which its royalties and offtakes are held, provide a strong platform for future growth. Accordingly, the Trident Board remains confident in Trident's ability to succeed as an independent business.

However, the Trident Board also recognises that there are risks associated with unlocking value as an independent business, including:

- potential permitting, development, funding and operational risks faced by operators of the underlying assets which could impact the quantum and/or timing of cash flows to be received by Trident;
- the current challenging equity capital markets conditions for small-cap equities and the relatively illiquid nature of Trident's shares; and
- the broader macroeconomic and market risks Trident is exposed to as a listed entity.

Further, as part of Trident's regular communication with Trident Shareholders, it has become clear to Trident that certain Trident Shareholders, many of whom have been shareholders since Trident's IPO, would welcome the opportunity for a liquidity event. While these Trident Shareholders could theoretically seek to monetise their holdings via on-market trades, the illiquid nature of Trident's shares means that such trades would likely have a significant detrimental impact on Trident's share price. By comparison, the Offer represents an opportunity for Trident Shareholders that invested at Trident's IPO to monetise their position at a 145 per cent. premium to the IPO price of Trident's Shares (20 pence).

In considering the Offer, the Trident Board has taken into consideration Trident's independent strategy, its long-term potential value and risks associated with achieving this value, the challenging equity capital market conditions for small-cap equities, the relatively illiquid nature of Trident's shares and the desire of certain Trident Shareholders to be presented with a liquidity event.

The Trident Board has also given consideration to the fact that discussions with other potential counterparties that have occurred in recent months, have not resulted in any other proposals being received.

Against this backdrop, the Offer presents an opportunity for Trident Shareholders to accelerate and de-risk the recognition of Trident's potential future value creation, and realise an immediate and certain cash exit for their investment at a premium to the prevailing share price over recent months.

In addition to the financial terms of the Offer, the Trident Directors have also given consideration to Deterra's stated intentions for the business and its employees, and Deterra's integrated business model.

Accordingly, the Trident Directors intend to recommend unanimously that Trident Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting.

6. Irrevocable undertakings and Letter of Intent

In addition to the irrevocable undertakings given by the Trident Directors, as set out in Section 4 above, Bidco has also received:

- irrevocable undertakings to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Regal Funds Management Pty Limited, LIM Asia Special Situations Master Fund Limited; Ponderosa Investments(WA) Pty Ltd and Ashanti in respect of 70,445,397 Trident Shares, in aggregate, representing approximately 24 per cent. of Trident's issued share capital as at the Latest Practicable Date; and
- a letter of intent to vote (or procure the voting) in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from Amati Global Investors Limited in respect of 11,707,015 Trident Shares, representing approximately 4 per cent. of Trident's issued share capital as at the Latest Practicable Date.

In aggregate therefore, Bidco has received irrevocable undertakings and a letter of intent to vote in favour of the Scheme at the Court Meeting and the Resolutions at the General Meeting from the holders of 84,101,035 Trident Shares in total representing approximately 28.7 per cent. of Trident's issued share capital as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the terms on which they cease to be binding, are set out in Appendix III to this Announcement.

7. Information on Deterra, Bidco and Trident

Deterra

Deterra Royalties Limited ("**Deterra**") is based in Perth, Australia and is listed on the Australian Securities Exchange (ASX code: DRR) with a market capitalisation of approximately A\$2.4 billion as at the Latest Practicable Date. In the financial year ended 30 June 2023, Deterra reported total revenue of A\$229 million and underlying EBITDA of A\$219 million. Deterra was formed as a separate listed entity via an in-specie distribution (demerger) from Iluka Resources Limited in November 2020 and is a constituent of the S&P/ASX 200 Index.

Deterra's principal activity is the management and growth of a portfolio of royalty assets across a range of commodities, primarily focused on bulk, base and battery metals. Its key royalty investment activities involve acquisition of royalties from third parties and providing finance to resource companies in return for royalties.

Deterra holds six royalties in its current portfolio, creating growth through asset life extensions and exploration. Deterra's existing portfolio includes royalties held over Mining Area C, in the Pilbara region of Western Australia, its cornerstone asset, as well as five smaller royalties including Yoongarillup/Yalyalup, Wonnerup, Eneabba and St Ives.

The strategy of Deterra is to expand and diversify its royalty base over time through strategic acquisitions and the funding of high-quality resource projects targeting value accretive growth for Deterra's shareholders.

Bidco

Bidco is a direct wholly owned subsidiary of Deterra. It is an Australian proprietary company and was incorporated and registered in Australia on 20 October 2022 as A.C.N. 663 260 357 Pty Ltd and changed its name on 30 May 2024 to Deterra Global Holdings Pty Ltd. Prior to the date of this Announcement Bidco, has not undertaken any business other than to enter into the agreements referred to in this Announcement and accede to the financing arrangements of the Wider Deterra Group.

Information on Trident

Trident was incorporated on 25 April 2018 in England and Wales as Trident Resources plc with company number 11328666 and changed its name to Trident Royalties Plc on 2 July 2020.

Trident is a growth-focused diversified mining royalty and streaming company, with a diversified and highly cash generative portfolio of royalties and offtakes. Trident's current portfolio provides investors with exposure to base, precious, bulk and battery metals, including lithium, gold, silver, copper, zinc,

mineral sands and iron ore. Trident made five acquisitions during 2023, and generated US\$11 million in royalty and offtake revenues in FY2023.

Trident is admitted to trading on AIM (AIM:TRR) and on the Open Market of the Frankfurt Stock Exchange (FSE:5KV). Trident's Shares also trade on the OTCQB in the United States (OTCQB:TDTRF). Trident's registered office is located in London, UK.

8. Financing

Bidco, as borrower, and Deterra have entered into a bridge facility agreement with J.P. Morgan Chase Bank, N.A. dated 13 June 2024 (the "**Bridge Facility Agreement**"), pursuant to which a £150 million loan facility is being made available to Bidco to ensure that Bidco will be able to finance the cash consideration payable pursuant to the Offer, consistent with the requirements of Rules 2.7(d) and 24.8 of the Code.

It is possible that prior to completion of the Offer, the commitments under the Bridge Facility Agreement will be reduced or replaced by other debt facilities expected to be available to Bidco.

Further information in respect of the Bridge Facility Agreement will be included in the Scheme Document.

J.P. Morgan Cazenove, in its capacity as financial adviser to Bidco and Deterra, is satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the Cash Consideration payable to Trident Shareholders under the terms of the Offer.

9. Strategic Plans with regards to the Business, Directors, Management, Employees, Pensions, Research and Development, Locations

Strategic plans for Trident

Deterra recognises the quality of Trident's assets and believes they are an attractive fit for its own portfolio. As set out above, Deterra believes the acquisition of Trident represents a highly attractive opportunity for Deterra to grow and diversify.

Following the Effective Date, Deterra intends to integrate Trident's business and assets, comprising Trident's key portfolio of lithium, copper, silver and iron ore royalties and gold offtake arrangements, into Deterra's existing operating model. In that regard, it is noted that gold is not core to Deterra's target commodity focus, and hence Deterra will look to assess where Trident's gold offtakes fit within Deterra's longer-term strategy post-completion of the Offer. This may result in a decision to retain these assets or seek to divest them.

Directors, management and employees

Prior to this Announcement, Deterra has been granted access to Trident information for the purposes of conducting a confirmatory due diligence exercise only. Deterra has not yet had the opportunity to finalise a detailed strategy for all of Trident's operations and employees.

Deterra intends to undertake an evaluation of Trident and all of its business operations including employees shortly following completion of the Offer. Although no firm decisions or proposals have been made at this stage, this review will include an assessment of duplicative roles. It will likely result in the loss of the majority of roles within Trident including roles relating to Trident's status as a UK listed company. The evaluation, preparation, and implementation of headcount reductions will be subject to comprehensive planning and all legally required information and consultation. Any individuals affected will be treated in a manner consistent with the established high standards and culture of Deterra and in accordance with all applicable laws.

Pension Schemes

Trident does not operate a defined benefit pension scheme. Deterra also understands that, given its small number of employees, Trident does not have its own pension scheme. Instead, in applicable

jurisdictions, Trident makes contributions to the relevant governmental statutory retirement scheme. Deterra does not intend to make any changes to Trident's current contribution rates to such schemes.

Management incentivisation arrangements

Deterra has not entered into, and has not discussed, any form of incentivisation arrangements with members of Trident's management. Following its review of Trident's business operations and employees noted above, Deterra is likely to discuss the adoption of appropriate incentivisation arrangements for certain members of the management team following the Effective Date.

Locations of business, fixed assets, headquarters and research and development

As part of the evaluation of Trident's business noted above, Deterra will assess the use of Trident's only office arrangements, which are its London head office. Deterra does not wish to pre-empt the results of that evaluation. However, it is likely that, following the evaluation, Deterra will decide to close Trident's current London head office arrangement.

Trident does not have any other fixed assets (including office space), and accordingly Deterra has no further intentions in this regard. Trident has a small number of employees based in other locations (Denver, Zurich and Perth), who will be impacted by the evaluation of Trident's business, but does not have any offices in those locations.

Similarly, Trident has no research and development function and accordingly Deterra has no intention in this regard.

Trading facilities

The Trident Shares are currently admitted to trading on AIM and on the Open Market of the Frankfurt Stock Exchange ("FSE"). The Trident Shares also trade on the OTCQB in the United States. Subject to the Offer becoming Effective, an application will be made to the London Stock Exchange to cancel the admission of the Trident Shares to trading on AIM. Applications will also be made as necessary to cease trading on the FSE and the OTCQB. Following which Trident will be re-registered as a private limited company.

No statements in this Section 9 are "post-offer undertakings" for the purposes of Rule 19.5 of the Code.

10. Trident Share Scheme and Warrants

Trident Share Scheme

Participants in the Trident Share Scheme will be contacted regarding the effect of the Offer on their rights under the Trident Share Scheme, and, where relevant, appropriate proposals will be made to such participants in accordance with Rule 15 of the Code. Further details of such proposals will be set out in the Scheme Document and in separate letters to be sent to the participants in the Trident Share Scheme in due course. No formal proposals will be made to participants in the Trident Share Scheme under Rule 15 of the Code in respect of any options granted under the Trident Share Scheme which have an exercise price which is greater than the Cash Consideration.

Warrants

Pursuant to the Warrant Instrument, the Warrant Holder has a right to subscribe for up to 14,840,517 Trident Shares at the subscription price of 50.974 pence per Trident Share ("**Warrants**"). Since all outstanding Warrants have an exercise price which is greater than the Cash Consideration, no formal proposals will be made to the Warrant Holder in respect of its Warrants under Rule 15 of the Code.

11. Offer-related Arrangements

Confidentiality Agreement

Deterra and Trident entered into a confidentiality agreement on 18 May 2024 (the "**Confidentiality Agreement**"), pursuant to which Deterra has undertaken (in respect of itself and its Authorised

Representatives (as such term is defined in the Confidentiality Agreement)) to keep confidential information relating to, among other things, Trident and not to disclose it to third parties (with certain exceptions) unless required by law or regulation or permitted pursuant to limited carve-outs to the obligations of confidentiality. The Confidentiality Agreement also includes customary standstill and non-solicitation obligations applicable to Deterra and its Affiliates (as such term is defined in the Confidentiality Agreement).

The confidentiality obligations will remain in force until the earlier of the date the Scheme becomes Effective or the date falling 18 months from the date of the Confidentiality Agreement.

Co-operation Agreement

Bidco, Deterra and Trident have entered into the Co-operation Agreement. Under the Co-operation Agreement, among other things: (i) Bidco and Deterra have agreed to use all reasonable endeavours to secure any regulatory clearances as soon as reasonably practicable; (ii) Bidco has agreed to provide Trident with certain information for the purposes of the Scheme Document and to otherwise assist with the preparation of the Scheme Document; and (iii) Bidco and Trident have agreed to certain provisions providing Bidco with the ability to elect to effect the Offer by way of a Takeover Offer rather than the Scheme with the consent of the Panel (and Bidco and Trident have agreed to certain customary provisions if Bidco does elect to implement the Offer by means of a Takeover Offer).

The Co-operation Agreement also contains provisions that will apply in respect of the proposals to be made in regard to the Trident Share Scheme, pursuant to Rule 15 of the Code. Among other things, the Co-operation Agreement records that, in accordance with the rules of the Trident Share Scheme and as agreed between Bidco and Trident, discretion has been exercised by the Remuneration Committee of the Trident Board that upon exercise of the options granted under the Trident Share Scheme, such options will be settled in cash and no Trident Shares will be issued in connection with such exercise.

The Co-operation Agreement will be terminated, among other things: (i) upon written notice given by Bidco to Trident where: (a) the Trident Directors recommend a competing proposal; (b) if the Trident Board's recommendation changes in a manner that is adverse in the context of the Offer; or (c) certain milestones in connection with the Scheme are not achieved in accordance with agreed timeframes; (ii) upon written notice of Bidco to Trident or by Trident to Bidco where: (a) the Offer is withdrawn, terminates or lapses in accordance with its terms; (b) prior to the Long Stop Date, a Condition which has been invoked by Bidco (where the invocation of the relevant Condition is permitted by the Panel); or (c) the Scheme is not approved at the meeting of Scheme Shareholders and/or the Resolutions are not approved at the General Meeting; or (iii) the parties agree in writing.

12. Structure of the Offer

Scheme

It is intended that the Offer will be implemented by way of a Court-sanctioned scheme of arrangement between Trident and the Trident Shareholders under Part 26 of the Companies Act.

The purpose of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued share capital of Trident. This is to be achieved by the transfer of the Scheme Shares to Bidco (or a nominee of Bidco) in consideration for which the Scheme Shareholders who are on the Trident register of members at the Scheme Record Time will receive the Cash Consideration on the basis set out in Section 2 of this Announcement.

Approval by Court Meeting and General Meeting

To become Effective, the Scheme requires, among other things, the:

- (a) approval of a majority in number of the Scheme Shareholders who are present and vote, either in person or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders; and
- (b) approval of the requisite majorities of the votes cast, either in person or by proxy, in respect of the Resolutions at the General Meeting.

Application to Court to Sanction the Scheme

Once the approvals of the Scheme Shareholders have been obtained at the Court Meeting and the Trident Shareholders at the General Meeting, and the other Conditions have been satisfied or (where applicable) waived, the Scheme must be sanctioned by the Court at the Court Hearing.

The Scheme will become Effective in accordance with its terms on delivery of a copy of the Court Order to the Registrar of Companies. Upon the Scheme becoming Effective, it will be binding on all Trident Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or General Meeting, or whether they voted in favour of or against the Scheme.

The Cash Consideration will be despatched by Trident to Scheme Shareholders no later than 14 days after the Effective Date. In addition, share certificates in respect of Trident Shares will cease to be valid and entitlements to Trident Shares held within the CREST system will be cancelled.

Full Details of the Scheme to be set out in the Scheme Document

The Scheme Document will include full details of the Scheme, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy. The Scheme Document will also include the expected timetable for the Offer and the actions to be taken by Trident Shareholders.

The Scheme will be governed by English law. The Scheme will be subject to the jurisdiction of the English courts and the applicable requirements of the Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

It is expected that the Scheme Document, along with the notice of the Court Meeting and the General Meeting and the Forms of Proxy will be published and sent to Trident Shareholders and, for information only, to participants in the Trident Share Scheme within 28 days of this Announcement, unless Bidco and Trident otherwise agree, and the Panel consents, to a later date.

At this stage, subject to the approval and availability of the Court (which is subject to change), and subject to the satisfaction (or, where applicable, waiver) of the Conditions, Bidco expects the Offer will become Effective in H2 2024.

Subject to certain restrictions relating to persons resident in Restricted Jurisdictions, the Scheme Document will also be made available on Bidco's website at www.dettarrroyalties.com/investors/proposed-acquisition-of-trident and Trident's website at <https://tridentroyalties.com/recommended-offer>.

Conditions to the Offer

The Offer will be subject to the Conditions and further terms set out in full in Appendix I to this Announcement and to be set out in the Scheme Document.

The Conditions set out in paragraphs 1 and 2 of Appendix I to this Announcement provide that the Scheme will lapse if:

- (a) it does not become Effective by 11.59 p.m. on the Long Stop Date;
- (b) the Court Meeting is not held on or before the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as (a) may be agreed between Bidco and Trident; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow);
- (c) the General Meeting is not held on or before the 22nd day after the expected date of the General Meeting to be set out in the Scheme Document in due course (or such later date as (a) may be agreed between Bidco and Trident; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow); or
- (d) the Scheme is not sanctioned on or before the 22nd day after the expected date of the Court Hearing to be set out in the Scheme Document in due course (or such later date as (a) may be

agreed between Bidco and Trident; or (b) (in a competitive situation) specified by Bidco with the consent of the Panel and, in either case, if required, as the Court may allow) and a copy of the Court Order is not delivered to the Registrar of Companies.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel, and subject to the terms of the Co-operation Agreement, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Trident as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

13. Cancellation of admission to trading on AIM and the FSE of the Trident Shares and Re-registration

It is intended that dealings in Trident Shares on AIM, the Open Market of the Frankfurt Stock Exchange (“FSE”) and the OTCQB will be suspended on or shortly before the Effective Date at a time to be set out in the Scheme Document or as separately announced following the date of this Announcement.

It is further intended that an application will be made to the London Stock Exchange for the cancellation of the admission to trading of the Trident Shares on AIM with effect on, or shortly after, the Effective Date and that applications will be made as necessary to cancel trading in Trident Shares on the FSE and OTCQB in each case to take effect on, or shortly after, the Effective Date.

It is currently expected that the last day of dealings in Trident Shares on AIM and the Open Market of the FSE will be the Business Day immediately prior to the Effective Date, and that no transfers will be registered on AIM after 6.00 p.m. on that date and no transfers will be registered on the Open Market of the FSE after the close of trading on that date.

Upon the Scheme becoming Effective, share certificates in respect of the Trident Shares will cease to be valid. In addition, entitlements to Trident Shares held within the CREST system will be cancelled on the Effective Date.

As soon as practicable after the Effective Date, it is intended that Trident will be re-registered as a private limited company under the relevant provisions of the Companies Act.

14. Disclosure of Interests in Trident

As at the close of business on the Latest Practicable Date, save for the irrevocable undertakings referred to in Section 6 of this Announcement, none of Bidco or any of its directors or, so far as Bidco is aware, any person acting, or deemed to be acting, in concert with Bidco had:

- any interest in, or right to subscribe for, any relevant securities of Trident;
- any short position in (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery of, relevant securities of Trident;
- procured an irrevocable commitment or letter of intent to accept the terms of the Offer in respect of relevant securities of Trident; or
- borrowed or lent, or entered into any financial collateral arrangements or dealing arrangements in respect of, any relevant securities of Trident.

Furthermore, no indemnity or dealing arrangement (of the kind referred to in Note 11 of the definition of “acting in concert” in the Code) exists between Bidco or Trident or, so far as Bidco is aware, any person acting in concert with Bidco or Trident in relation to relevant securities of Trident.

An “interest in” securities for these purposes arises, in summary, when a person has long economic exposure, whether absolute or conditional, to changes in the price of securities (and a person who only

has a short position in securities is not treated as interested in those securities). In particular, a person will be treated as having an 'interest' by virtue of the ownership, voting rights or control of securities, or by virtue of any agreement to purchase, option in respect of, or derivative referenced to securities.

15. Rule 2.9 Disclosure

In accordance with Rule 2.9 of the Code, Trident confirms that, as at the Latest Practicable Date, it had in issue 293,079,382 ordinary shares of £0.01 each admitted to trading on AIM. The International Securities Identification Number (ISIN) for Trident Shares is GB00BF7J2535.

In particular, the ability of persons who are not resident in the United Kingdom or who are subject to the laws of another jurisdiction to vote their Trident Shares in respect of the Scheme at the Court Meeting or the General Meeting, or to execute and deliver Forms of Proxy appointing another to vote at the Court Meeting or the General Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located or to which they are subject. Any failure to comply with applicable legal or regulatory requirements of any jurisdiction may constitute a violation of securities laws or regulations in that jurisdiction. To the fullest extent permitted by applicable law or regulations, the companies and persons involved in the Offer disclaim any responsibility or liability for the violation of such restrictions by any person.

Notice to U.S. Investors in Trident

*The Offer relates to the shares of a company registered under the laws of England and Wales and is proposed to be made by way of a scheme of arrangement provided for under Part 26 of the Companies Act. This Announcement, the Scheme Document and certain other documents relating to the Offer have been or will be prepared in accordance with English law, the Code and UK disclosure requirements, format and style, all of which differ from those in the United States. The Offer, implemented by way of a scheme of arrangement, is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Exchange Act of 1934, as amended (the “**U.S. Exchange Act**”). Accordingly, the Offer is subject to the procedural and disclosure requirements and practices applicable in the UK to a scheme of arrangement involving a target company in England with its securities admitted to trading on the London Stock Exchange, which differ from the procedural and disclosure requirements of U.S. tender offer and proxy solicitation rules. If, in the future, Bidco exercises its right to implement the Offer by way of a Takeover Offer and determines to extend the Takeover Offer into the United States, the Takeover Offer will be made in compliance with applicable U.S. laws and regulations including without limitation and to the extent applicable, under Section 14(e) of the U.S. Exchange Act and Regulation 14E thereunder, as well as the U.S. Securities Act of 1933, as amended. Such a Takeover Offer would be made in the United States by Bidco and no one else.*

The financial information that is included in this Announcement or that may be included in the Scheme Document, or any other documents relating to the Offer, has been or will be prepared in accordance with International Financial Reporting Standards or other reporting standards or accounting practice applicable in the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

It may be difficult for U.S. Trident Shareholders to enforce their rights and any claim arising out of the U.S. federal securities laws or the laws of any state or other jurisdiction in the United States in connection with the Offer, because Trident is located in a non-U.S. country, and some or all of its officers and directors may be residents of a non-U.S. country. U.S. Trident Shareholders may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. federal securities laws or the laws of any state or other jurisdictions in the United States. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgment.

U.S. Trident Shareholders also should be aware that the Offer may have tax consequences in the United States and that such consequences, if any, are not described herein. The receipt of cash by a U.S. holder of Trident Shares as consideration for the transfer of its Scheme Shares pursuant to the Scheme may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws.

U.S. Trident Shareholders (including U.S. holders) are urged to consult with legal, tax and financial advisers in connection with making a decision regarding the Offer.

Notice to Trident Shareholders in Australia

To the extent that this Announcement is received by a Trident Shareholder in Australia, it is provided in reliance upon ASIC Corporations (Unsolicited Offers—Foreign Bids) Instrument 2015/1070.

Forward-looking Statements

This Announcement (including any information incorporated by reference in this Announcement), oral statements made regarding the Offer, and other information published by Deterra, Bidco or Trident contain statements which are, or may be deemed to be, "forward-looking statements" with respect to Deterra, Bidco, Trident and the Enlarged Deterra Group. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "aim", "will", "may", "would", "could" or "should" or other words of similar meaning or the negative thereof. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, synergies, financial conditions, market growth, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the Deterra Group or the Trident Group; and (iii) the effects of government regulation on the business of the Deterra Group or the Trident Group. There are many factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among such factors are the satisfaction (or, where permitted, waiver) of the Conditions as well as additional factors, such as domestic and global business and economic conditions; the impact of pandemics, asset prices; market-related risks such as fluctuations in interest rates and exchange rates, industry trends, competition, changes in government and regulation, changes in the policies and actions of governments and/or regulatory authorities (including changes related to capital and tax), changes in political and economic stability (including exposures to terrorist activities, the UK's exit from the European Union, Eurozone instability, the Russia-Ukraine conflict, disruption in business operations due to reorganisation activities, interest rate, inflation, deflation and currency fluctuations), the timing impact and other uncertainties of future or planned acquisitions or disposals or offers, the inability of the Enlarged Deterra Group to realise successfully any anticipated synergy benefits when the Offer is implemented (including changes to the board and/or employee composition of the Enlarged Deterra Group), the inability of the Deterra Group to integrate successfully the Trident Group's operations and programmes when the Offer is implemented, the Enlarged Deterra Group incurring and/or experiencing unanticipated costs and/or delays (including IT system failures, cyber-crime, fraud and pension scheme liabilities), or difficulties relating to the Offer when the Offer is implemented. Other unknown or unpredictable factors could affect future operations and/or cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors.

These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. By their nature, these forward-looking statements involve known and unknown risks and uncertainties (and other factors that are in many cases beyond the control of Trident, Deterra and/or Bidco) because

they relate to events and depend on circumstances that will occur in the future. The factors described in the context of such forward-looking statements in this Announcement may cause the actual results, performance or achievements of any such person, or industry results and developments, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. No assurance can be given that such expectations will prove to have been correct and persons reading this Announcement are therefore cautioned not to place undue reliance on these forward-looking statements which speak only as at the date of this Announcement. None of the Deterra Group nor Trident Group, nor any of their respective associates or directors, officers or advisers, provide any representation, warranty, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this Announcement will actually occur. All subsequent oral or written forward-looking statements attributable to Deterra, Bidco or Trident or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Other than in accordance with their legal or regulatory obligations (including under the Code, MAR and the AIM Rules), neither of Deterra, Bidco nor Trident is under or undertakes any obligation, and each of the foregoing expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

No Profit Forecasts, Estimates or Quantified Financial Benefits Statements

No statement in this Announcement is intended, or is to be construed, as a profit forecast or estimate for any period or a quantified financial benefits statement and no statement in this Announcement should be interpreted to mean that earnings or earnings per ordinary share, for Deterra, Bidco or Trident, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per ordinary share for Deterra, Bidco or Trident, respectively.

Right to Switch to a Takeover Offer

Bidco reserves the right to elect, with the consent of the Panel and subject to the terms of the Co-operation Agreement, to implement the Offer by way of a Takeover Offer for the entire issued and to be issued share capital of Trident as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms or, if Bidco so decides, on such other terms being no less favourable (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendment referred to in Part C of Appendix I to this Announcement.

Electronic Communication – Information Relating to Trident Shareholders

Addresses, electronic addresses and certain other information provided by Trident Shareholders, persons with information rights and other relevant persons for the receipt of communications from Trident may be provided to Bidco during the Offer Period as required under Section 4 of Appendix 4 of the Code to comply with Rule 2.11(c) of the Code.

Disclosure Requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) of the Code applies must be made by no later than 3.30 p.m. (London time) on the 10th business day (as defined in the Code) following the commencement of the offer period and, if appropriate, by no later than 3.30 p.m. (London time) on the 10th business day (as defined in the Code) following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8 of the Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Code applies must be made by no later than 3.30 p.m. (London time) on the business day (as defined in the Code) following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Code).

You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B

Waiver and Invocation of the Conditions

1. Subject to the requirements of the Panel in accordance with the Code, Bidco reserves the right in its sole discretion to waive, in whole or in part, all or any of the Conditions in Part A above, except for Conditions 2(a)(i), 2(b)(i) and 2(c)(i), which cannot be waived. The deadlines in any of Conditions 2(a)(ii), 2(b)(ii) and 2(c)(ii) may be extended to such later date as may be agreed (a) in writing by Bidco and Trident or (b) (in a competitive situation) specified by Bidco with the consent of the Panel, and in either case with the approval of the Court, if such approval is required. If any of Conditions 2(a)(i), 2(b)(i) and 2(c)(i) is not satisfied by the relevant deadline specified in the relevant Condition, Bidco shall make an announcement by 8.00 a.m. (London time) on the Business Day following such deadline confirming whether it has invoked the relevant Condition, waived the relevant deadline or agreed with Trident to extend the relevant deadline.

3. Conditions 2(a)(i), 2(b)(i) and 3(a) to (i) (inclusive) must be fulfilled, determined by Bidco to be or to remain satisfied or (if capable of waiver) waived, by no later than 11.59 p.m. on the date immediately preceding the date of the Court Hearing, failing which the Offer will lapse. Bidco shall be under no obligation to waive or treat as satisfied any of Conditions 3(a) to (i) (inclusive) by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions to the Offer may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
4. Under Rule 13.5(a) of the Code, Bidco may not invoke a Condition so as to cause the Offer not to proceed, to lapse or be withdrawn without the consent of the Panel. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the Offer. The Conditions in paragraphs 1 and 2 of Part A (and, if applicable, any acceptance condition adopted on the basis specified in paragraph 2 of Part C below in relation to any Takeover Offer) are not subject to this provision of the Code. 2. In such event, such Takeover Offer will be implemented on the same terms and conditions or, if Bidco so decides, on such other terms and conditions being no less favourable, so far as applicable, as those which would apply to the Scheme subject to appropriate amendments to reflect the change in method of effecting the Takeover Offer, including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the Trident Shares to which the Takeover Offer relates or such lesser percentage as Bidco, with the consent of the Panel, decides, being in any case more than 50 per cent. of the Trident Shares to which the Takeover Offer relates.

Part D

Certain Further Terms of the Offer

1. The availability of the Offer to persons not resident in the UK may be affected by the laws and regulations of the relevant jurisdictions. 3. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
4. The Trident Shares will be acquired by Bidco fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of this Announcement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Trident Shares.
5. If any dividend, distribution or other return or value is announced, authorised, declared, made or paid in respect of Trident Shares on or after the date of this Announcement and prior to the Effective Date, Bidco reserves the right to reduce the consideration payable for each Trident Share under the terms of the Offer by the amount per Trident Share of such dividend, distribution or other return of value. In such circumstances, Trident Shareholders shall be entitled to retain any such dividend, distribution or other return of value announced, declared, made or paid.
6. If Bidco is required by the Panel to make an offer for Trident pursuant to Rule 9 of the Code, Bidco may make such alterations to any of the above Conditions and terms of the Offer as are necessary to comply with the provisions of the Code.
