Dual List on German Stock Exchanges

ANNOUNCEMENT

18 JUNE 2024

Newfield Resources Limited (ASX: **NWF**) (**Company**) is pleased to announce the quotation of its shares on Frankfurt Stock Exchange, Munich Stock Exchange and Stuttgart Stock Exchange under ticker code **4XK0**.

The quotation of Newfield shares at the German Exchanges will increase its exposure to European markets, which will complement the Company's strategy of selling its diamonds into the European diamonds market. The Company will also engage a local investor relations group to enlarge the Company's investor reach to attract new European investors, and to increase overall trading volumes on the ASX and in Europe.

No new shares were issued or funds raised under the dual-listing process.
