

## ASX Announcement 21 June 2024

### CHANGE OF AUDITOR

Helix Resources Limited (**ASX: HLX**, Helix Resources Limited or the Company) advises that in accordance with Listing Rule 3.16.3, BDO Audit Pty Ltd (BDO Audit) has been appointed as auditor of the Company. The appointment follows the resignation of BDO Audit (WA) Pty Ltd (BDO WA) and ASIC's consent to the resignation in accordance with s329(5) of the Corporations Act 2001 (the Act).

The change of auditor arose as a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA.

In accordance with s327C of the Act, a resolution will be proposed at the Company's next Annual General Meeting to confirm the appointment of the Company's auditor.

This ASX release was authorised by the Board of Directors of Helix Resources Ltd.

## About Helix Resources

Helix Resources is an ASX-listed resources company which is exploring in the prolific copper producing region of Cobar, NSW. The Company possesses a sizable ground position across three tenement groups which are largely untested despite being located within ~50km of significant copper producing operations. The strategy is to generate new copper and gold targets on its large, underexplored ground position and test them through drilling to make new discoveries.

The western tenement group consists of 30km of contiguous strike and the Company is advancing a pipeline of wholly owned copper opportunities, as well as the Canbelego JV Project (70% owned and operated by Helix and 30% owned by Aeris Resources). The eastern tenement group encompasses more than 150km of prospective strike and includes the 100% owned high-grade CZ copper project.
