

## Management Changes

Western Yilgarn NL (**ASX: WYX**) (“**Western Yilgarn**” or “**the Company**”) is pleased to announce the appointment of Craig Moulton as Managing Consultant for the Company to lead and implement Western Yilgarn’s next phase of exploration and growth.

Craig is a qualified Geologist and Mineral Economist holding a Bachelor of Science (Geology (Hons)) from the University of Western Australia, a Master of Science (Mineral Economics) with Distinction from Curtin University and is a member of the AusIMM and a fellow of the Geological Society (London).

Craig has a long and reputable career of over 30 years in the global exploration and mining industry and brings with him an extensive network across Australia and overseas having worked in senior management roles on first Tier deposits in major mining houses such as Rio Tinto Ltd , CRAE, Hamersley Iron, Pilbara Iron and Cleveland Cliffs.

Craig’s corporate experience includes leading junior exploration companies as MD / CEO including Cobra Resources plc (Gold), Nickel Search Ltd (Ni) and Northam Resources Ltd (Ni-Cu-PGE), whilst also serving as a Non-Executive Director for Metals One Plc (Ni) and First Development Resources Plc (Cu-Au, Li, U3O8 & REE).

In addition Craig possesses strong financial and commercial acumen and is an experienced deal maker, having recently completed two deals with a maximum value of ~A\$25 million with Chalice Mining Ltd while CEO of Northam Resources Ltd.

The initial term of Craig’s appointment is six (6) months and can be terminated by either party on the giving of 30 days’ notice. Craig will be paid customary consultancy fees for an appointment of this nature.

The Company also announces the departure of General Manager, Gavin Rutherford, effective 22 June 2024. The Board thanks Gavin for his significant contributions over the past 2 years and wishes him well on his future endeavours.

### **Peter Lewis, Chairman of Western Yilgarn commented:**

*“Western Yilgarn is delighted to welcome Craig as its Managing Consultant to progress the Company’s exciting Ida Holmes Junction and Julimar West Projects. Craig’s deep Ni-Cu experience, Craigs previous dealings with Western Yilgarns neighbours will be particularly useful in advancing both projects as well as moving the Company to the next level as an emerging junior explorer.”*

### **Craig Moulton commented:**

*“It is an exciting time to join Western Yilgarn. There is significant shareholder value to be unlocked in the Ida Holmes, Julimar West and Boodanoo projects, and I am looking forward to working with the WYX Board which is keenly focused on growing its business well beyond its current value. I look forward to being part of that journey.”*
