

Complii Fintech Solutions' business unit PrimaryMarkets to provide Trading Hub for the Dexu Wholesale Australian Property Fund.

Complii FinTech Solutions Ltd (Complii Group or the Company) (ASX:CF1) is pleased to announce that PrimaryMarkets has signed an agreement to provide a Trading Hub to the Dexu Wholesale Australian Property Fund (DWAPF).

DWAPF is a \$2 billion^[1] open-ended fund that aims to provide stable returns and long-term capital growth through investment in a diverse portfolio of quality Australian office, retail and industrial properties.

This agreement is a significant milestone for PrimaryMarkets and a first of its kind, offering an alternative liquidity solution to unit holders in DWAPF.

The Trading Hub will be provided through the PrimaryMarkets' Platform and enable unit holders to sell their holdings to accredited investors, financial advisors and institutional investors registered on the PrimaryMarkets' Platform.

Alison Sarich, Managing Director of Complii Fintech Solutions, said:

"I am very pleased with PrimaryMarkets' agreement with DWAPF, which will benefit the fund's client base of brokers and advisers by offering them extra investment opportunities. Such opportunities can be expanded to the whole Complii Group, leveraging the strength of our unique ecosystem".

Jamie Green, Executive Chairman of PrimaryMarkets, added:

"I am delighted that DWAPF has entrusted us with this important commercial opportunity. I believe this agreement is the first of what could be a significant new market for our Platform. This agreement is a continuation of PrimaryMarkets' growth strategy".

This announcement has been authorised by the Board of Complii FinTech Solutions Ltd.

About Complii Fintech Solutions

Complii Group offers an ecosystem of solutions to corporates and AFSLs, including the Complii business unit, a digital platform providing an electronic centralised framework to manage AFSL holders (Stockbrokers & Financial Advisers) and their licenced users' workflows for compliance, capital raising and operational needs.

Complii's customisable software provides a single desktop solution which automates key compliance and operational needs. The software automates multiple routine activities so that clients can better meet their regulatory obligations, while giving them more scope to better service clients in a targeted way. Complii is uniquely positioned in Australia as a full-service software provider for AFSL holders including brokers, advisers and wealth management firms.
