

## **ASX ANNOUNCEMENT**

### **APPOINTMENT OF COO**

Vysarn Limited (**ASX:VYS**) (**Vysarn or Company**) is pleased to announce that the Company has appointed Mr Steve Dropulich as Chief Operating Officer (**COO**).

Mr Dropulich is a 30 year veteran of the Australian energy and infrastructure services sector having established and led market leading contracting companies in senior executive management roles across both public and private business.

During his career Mr Dropulich has developed extensive experience in financial and commercial management, establishment of high performing teams, strategy formation and execution, as well as driving operational excellence.

Prior to joining Vysarn, Mr Dropulich was a founder of ASX listed energy and infrastructure services group Valmec Limited, where he was the Managing Director for over 10 years until its acquisition in 2021 by French company, Altrad Group. Following the acquisition, Mr Dropulich held the role of Altrad's Executive Director of Operations for the Australian region.

Mr Dropulich holds a Bachelor of Commerce in accounting and business law, is a Chartered Accountant, and is a member of the Australian Institute of Company Directors.

As previously stated by the Company, in preparation for Vysarn's next leg of growth an appropriate level of investment will be made in key senior human resources to provide greater depth and capability within the Company's executive leadership team. The appointment of Mr Dropulich as COO underpins this strategic growth initiative.

*This announcement has been authorised for release by the board of Vysarn*
