

INVESTOR WEBINAR PRESENTATION

Haranga Resources Ltd (ASX:HAR; FRA:65E0; “Haranga” or “the Company”) is pleased to invite shareholders to attend the upcoming Resource Connect Asia: Uranium Focused Webinar to be held on Tuesday, 16th July 2024 at 11:00 AM AWST / 1:00PM AEST.

The Webinar will feature a presentation from Managing Director Mr Peter Batten who will provide an update on the Saraya Uranium Deposit located in Eastern Senegal, West Africa, where the Company recently upgraded the Mineral Resource Estimate (MRE) to a Total Indicated and Inferred Resource of 16.11Mlbs of eU₃O₈ at a grade of 558ppm eU₃O₈ (at a 250ppm cut-off)¹.

Following the presentation, the webinar will include an interactive Q&A session where attendees will have the opportunity to ask questions directly to management.

This webinar can be viewed live via zoom with registration via the link below:

<https://the-pick.com.au/hubdb-webinars/resource-connect-asia-webinar-uranium-focused>

A recorded copy of the webinar will be made available following the event.

ENDS

This announcement is approved for release by the Managing Director of the Company.

Competent Person's and Compliance Statement

The information in this announcement that is footnoted below relates to exploration results including the Mineral resource at the Saraya Project has previously been released on the ASX. The Company confirms that it is not aware of any new information or data that materially affects the information included in the original market announcements and that, in the case of mineral resources estimates, all material assumptions and technical parameters underpinning the estimates continue to apply and have not materially changed.

Saraya - Mineral Resource

The Company confirms it is not aware of any new information or data that materially affects the information included in the Mineral Resource estimate and all material assumptions and technical parameters underpinning the estimate continue to apply and have not materially changed when referring to its resource announcement made on 20 June 2024. The Company confirms that the form and context in which the Competent Person's finding is presented have not been materially modified from the original market announcements.

¹ Refer to ASX Announcement dated: 20 June 2024

Saraya - Mineral Resource Estimate
