1. BACKGROUND TO RESOLUTIONS 1 TO 9

Convertible Note

On 4 July 2024, the Company announced that it had entered into Convertible Security Agreements (**CSA**) with Mercer Street Global Opportunity Fund II, LP and other funds managed by US-based C/M Capital partners, LP (**Mercer Street**). These agreements provide access to up to \$12 million in funding, beginning with an initial tranche of \$3 million (with \$1.5 million subject to Shareholder approval) and a potential additional tranche of up to \$9 million by mutual agreement. The material terms of the CSA are outlined in Schedule 1.

In accordance with the terms of the CSA, the Company issued 576,738 fully paid ordinary shares (**Commencement Shares**) on 12 July 2024 as partial consideration to Mercer Street. Furthermore, as additional consideration under the CSA, the Company is seeking Shareholder approval to issue 4,054,053 unlisted options, exercisable at \$0.37 and expiring 24 months from the date of issue (**Subscription Options**).

Resolutions 1 and 2 seek approval from Shareholders to ratify the issue of convertible securities and Commencement Shares respectively to Mercer Street pursuant to ASX Listing Rule 7.4.

Resolutions 3 seeks approval from Shareholders to issue the convertible securities and Resolutions 4(A) and 4(B) seeks approval from Shareholders to issue the Subscription Options to Mercer Street pursuant to Listing Rule 7.1.

Placement

On 4 July 2024, the Company announced to ASX that it had undertaken a placement (**Placement**) to raise approximately \$595,000 (before costs) through the issue of 1,983,340 Shares (**Placement Shares**) at an issue price of \$0.30 per Placement Share with investors also to receiving two (2) free attaching options (one of each class) described below, for every two (2) new Placement Shares subscribed, subject to Shareholder approval (**Placement Options**).

- One (1) option with an exercise price of \$0.40 and expiry date of 30 June 2025 (Short Term Options); and
- One (1) option with an exercise price of \$0.60 and expiry date of 30 June 2027 (Long Term Options).

The Placement Shares are being issued in two tranches as follows:

• 1,772,224 Placement Shares were issued on 10 July 2024 under the Company's Listing Rule 7.1A placement capacity to Mercer Street and management of the Company (excluding directors) (**Tranche 1**); and

 211,111 Placement Shares are proposed to be issued to Directors Wayne Zekulich, Darren Wates and Paul Brown, subject to and conditional on the receipt of Shareholder approval pursuant to Resolutions 7 to 9 (inclusive).

Resolution 5 seeks approval from Shareholders to ratify the issue of the Tranche 1 Placement Shares in pursuant to Listing Rule 7.4. The Company seeks approval from Shareholders in Resolution 6 to issue the Tranche 1 Placement Options pursuant to Listing Rule 7.1.

Director Participation in Placement

Three of the Company's Directors, Wayne Zekulich, Darren Wates and Paul Brown, agreed to participate in the Placement, on the same terms as Tranche 1, subject to Shareholder approval for a total of \$63,333 via the issue of 211,111 Placement Shares at an issue price of \$0.30 per Placement Share, and attaching Placement Options. The Company seeks Shareholder approval pursuant to Listing Rule 10.11 in Resolutions 7 to 9 (inclusive) for these Directors to participate in the Placement.

2. RESOLUTION 1 – RATIFICATION OF CONVERTIBLE SECURITIES

On 12 July 2024, the Company issued 1,650,000 convertible notes (**Notes**) the subject of Resolution 1 to Mercer Street under placement capacity available to the Company under Listing Rule 7.1. The 1,650,000 Notes the subject of Resolution 1 are convertible into a maximum of 8,250,000 fully paid ordinary shares on the basis of the minimum "floor" conversion price of \$0.20 (20 cents). The actual number of fully paid ordinary shares issued on conversion of the Notes (if any) the subject of Resolution 1 is dependent upon the conversion price at the time of conversion. Further details of the Notes and the CSA are set out in Schedule 1.

Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Notes that were issued without Shareholder approval using the Company's capacity under Listing Rule 7.1.

2.1 Regulatory Requirements

Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.1 provides that, the company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% (under Listing Rule 7.1) of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The issues of the Notes do not fit within any of the exceptions and, as they have not yet been approved by Shareholders, the issues effectively use up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Convertible notes.

Listing Rule 7.4 sets out an exception to Listing Rules 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1.

The Company confirms that in issuing the Notes, the Company did not breach Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1. Accordingly, under Resolution 1, the Company seeks from Shareholders approval for, and ratification of, the issue of 1,650,000 Notes that are convertible into a maximum of 8,250,000 Shares under Listing Rule 7.4.

If Resolution 1 is passed, the issue of the Notes will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without shareholder approval over the 12-month period following the date of issue of the Convertible notes.

If Resolution 1 is not passed, the issue of the Notes will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue of the Notes.

2.2 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 1:

2.3 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 – RATIFICATION OF COMMENCEMENT SHARES

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Commencement Shares, that were issued without Shareholder approval using the Company's capacity under Listing Rule 7.1.

3.1 Regulatory Requirements

Listing Rule 7.1, subject to specific exceptions, limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Commencement Shares not fit within any of these exceptions and, as they have not yet been approved by Shareholders, they effectively use up part of the 15% limit in

Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Commencement Shares.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1 and as such, increase the Company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company seeks Shareholder approval to ratify the issue of the Commencement Shares under Listing Rule 7.4.

If Resolution 2 is passed, the issue of the Commencement Shares under the relevant Resolution will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without shareholder approval over the 12-month period following the date of issue of the Commencement Shares.

If Resolution 2 is not passed, the issue of the Commencement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue of the Commencement Shares.

The Company confirms that the issue of the Commencement Shares did not breach Listing Rule 7.1 at the time the issue occurred.

3.2 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 1:

(a) Identity of the persons to whom securities were issued

The Commencement were issued to Mercer Street. Mercer Street is not a related party of the Company.

(b) The number and class of securities issued or agreed to issue

576,738 Commencement Shares issued to Mercer Street.

(c) A summary of the material terms of the securities

The Commencement Shares were all fully paid ordinary shares in the capital of the Company, issued on the same terms and conditions as the Company's existing Shares.

(d) Issue date

The Commencement Shares were issued on 12 July 2024.

(e) Issue price

The Commencement Shares were issued for a nil issue price, as partial consideration under the CSA.

(f) Purpose of the issue

The Commencement Shares were issued as partial consideration to Mercer Street pursuant to the CSA.

(g) Relevant Agreement

The Commencement Shares were issued under the CSA. A summary of the material terms of the CSA are outlined in Schedule 1.

(h) Voting exclusion statement

A voting exclusion statement for Resolution 2 is included in the Notice of Meeting preceding this Explanatory Statement.

3.3 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 - APPROVAL TO ISSUE CONVERTIBLE SECURITIES

Resolution 3 seeks Shareholder approval pursuant to Listing Rule 7.1 for the issue of the Notes as outlined in section 1 above.

4.1 Regulatory Requirements

Listing Rule 7.1, subject to specific exceptions, limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Notes does not fall within any of the exceptions and exceeds the 15% limit in Listing Rule 7.1. The issue of the Convertible notes therefore requires approval of the Company's Shareholders under Listing Rule 7.1. To that end, Resolution 3 seeks the required Shareholder approval for the issue of the Convertible notes under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the issue of Notes to Mercer Street and the issue of the Notes will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Notes. Further if the Notes are issued the Company will be able to raise a further \$1,500,000 (before costs).

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Notes and consequently, the Company will not raise a further \$1,500,00. Furthermore if Resolution 3 is not passed then Resolution 4 (B) will have no effect.

4.2 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 3:

(a) Identity of the persons to whom securities are proposed to be issued

The Notes are proposed to be issued to Mercer Street. Mercer Street is not a related party of the Company.

(c) A summary of the material terms of the securities

A summary of the material terms of the Notes are set out in Schedule 1 and Schedule 2.

(e) Issue price

The Notes will be issued at an issue price of \$0.9091 per Note.

(f) Purpose of the issue

The funds raised via the issue of Notes will be used for the Completion of the McDermitt Pre-Feasibility Study, ongoing US activities such as baseline studies, permitting, and stakeholder engagement, and general working capital.

(g) Relevant Agreement

The Convertible notes were issued under the CSA. A summary of the material terms of the CSA are outlined in Schedule 1.

(h) Voting exclusion

A voting exclusion statement for Resolution 3 is included in the Notice of Meeting preceding this Explanatory Statement.

4.3 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTIONS 4(A) AND (B) – APPROVAL TO ISSUE SUBSCRIPTION OPTIONS

Resolutions 4(A) and 4(B) seek Shareholder approval pursuant to Listing Rule 7.1 for the issue of the Tranche 1 and Tranche 2 Subscription Options as outlined in section 1 above.

5.1 Regulatory Requirements

Listing Rule 7.1, subject to specific exceptions, limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Subscription Options does not fall within any of the exceptions and exceeds the 15% limit in Listing Rule 7.1. The issue of the Subscription Options therefore requires approval of the Company's Shareholders under Listing Rule 7.1. To that end, Resolutions 4(A) and 4(B) seek the required Shareholder approval for the issue of the Subscription Options under and for the purposes of Listing Rule 7.1.

If Resolutions 4(A) and 4(B) are passed, the Company will be able to proceed with the issue of Subscription Options to Mercer Street and the issue of the Subscription Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Subscription Options. Further, if all of the Subscription Options are issued and exercised before the expiry date, the Company has the potential to raise up to \$1,500,000 from the exercise of those Subscription Options

If Resolutions 4(A) and 4(B) are not passed, the Company will not be able to proceed with the issue of the Subscription Options and consequently, the Company will not potentially raise up to \$1,500,000 on the exercise of Subscription Options.

5.2 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 4:

(a) Identity of the persons to whom securities are proposed to be issued

The Subscription Options are proposed to be issued to Mercer Street. Mercer Street is not a related party of the Company.

(b) The number and class of securities issued or agreed to issue

Up to 4,054,053 Subscription Options are to be issued to Mercer Street.

(c) A summary of the material terms of the securities

The Subscription Options are unlisted options, exercisable at \$0.37 each and expiring 24 months from the date of issue.

The terms of the Subscription Options are set out in Schedule 3.

(d) Issue date

Pursuant to the terms of the CSA the Company anticipates that the 2,027,027 Tranche 1 Subscription Options will be issued within 5 business days following the conclusion of the meeting, and the 2,027,026 Tranche 2 Subscription Options will be issued upon the Company issuing the Convertible Securities the subject of Resolution 3 or within any event no later than 3 months after the date of the Meeting.

(e) Issue price

The Subscription Options are to be issued for a nil issue price as partial consideration under the CSA.

(f) Purpose of the issue

The purpose of the issue of the Subscription Options is to provide partial consideration to Mercer Street pursuant to the CSA.

If all of the Subscription Options are exercised prior to expiry, the Company will raise up to \$1,500,000. If this is the case, the Company anticipates it will use those funds for working capital purposes as required at the time.

(g) Relevant Agreement

The Subscription Options are agreed to be issued under the CSA.

A summary of the material terms of the CSA are outlined in Schedule 1.

(h) Voting exclusion

A voting exclusion statement for Resolutions 4(A) and 4(B) are included in the Notice of Meeting preceding this Explanatory Statement.

5.3 Board Recommendation

The Board recommends that Shareholders vote in favour of Resolutions 4(A) and 4(B).

6. RESOLUTION 5 - RATIFICATION OF PRIOR ISSUE OF SHARES UNDER THE PLACEMENT

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares, that were issued without Shareholder approval using the Company's capacity under 7.1A.

6.1 Regulatory Requirements

Listing Rule 7.1A limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 10% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.1A provides that, company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The issues of the Placement Shares do not fit within any of the exceptions and, as they have not yet been approved by Shareholders, the issues effectively use up part of 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1A for the 12-month period following the date of issue of the Placement Shares.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1A. It provides that where a company in general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1A (and provided that the previous issue did not breach Listing Rule 7.1A) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1A.

The Company confirms that in issuing the Placement Shares, the Company did not breach Listing Rule 7.1A.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1A. Accordingly, under Resolution 5, the Company seeks from Shareholders approval for, and ratification of, the issue of 1,772,224 Placement Shares under Listing Rule 7.4

If Resolution 5 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without shareholder approval over the 12-month period following the date of issue of the Placement Shares.

If Resolution 5 is not passed, the issue of the Placement Shares will be included in calculating the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of issue of the Placement Shares.

6.2 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5:

(a) Identity of the persons to whom securities were issued

The Board recommends that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 – APPROVAL TO ISSUE PLACEMENT OPTIONS

Resolution 6 seeks Shareholder approval pursuant to Listing Rule 7.1 for the issue of the Placement Options.

7.1 Regulatory Requirements

Listing Rule 7.1, subject to specific exceptions, limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Options does not fall within any of the exceptions and exceeds the 15% limit in Listing Rule 7.1. The issue of the Placement Options therefore requires approval of the Company's Shareholders under Listing Rule 7.1. To that end, Resolution 6 seeks the required Shareholder approval for the issue of the Placement Options under and for the purposes of Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to proceed with the issue of Placement Options to the Placement participants and the issue of the Placement Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Placement Options. Further, if all of the Placement Options are issued and exercised before the expiry date, the Company has the potential to raise up to \$886,113 from the exercise of those Placement Options.

If Resolution 6 is not passed, unless the Company otherwise has the capacity under Listing Rule 7.1, the Company will not be able to proceed with the issue of the Placement Options and consequently, the Company will not potentially raise up to \$886,113 on the exercise of Placement Options.

8. RESOLUTIONS 7 TO 9 - DIRECTOR PARTICIPATION IN PLACEMENT - WAYNE ZEKULICH, DARREN WATES AND PAUL BROWN

8.1 Background

The Company has received commitments from three of its Directors, Mr Wayne Zekulich (Non-Executive Chair), Mr Darren Wates (Non-Executive Director) and Mr Paul Brown (Non-Executive Director), to raise a further \$63,333 (before costs) in addition to the funds raised from investors under the Placement. 8.2 Regulatory Requirements

Listing Rule 10.11 provides that, unless a specified exception applies, a company must not issue or agree to issue securities to a related party without the approval of ordinary shareholders. A "related party", for the purposes of the Listing Rules, has the meaning given to it in the Corporations Act, and includes the Directors of a company.

As such, Shareholder approval is sought under Listing Rule 10.11 as Resolutions 7 to 9 (inclusive) propose the issue of up to 211,111 Director Placement Shares and 211,114 Director Placement Options under the Director Placement to the Directors, who are related parties of the Company by virtue of their directorships.

As Shareholder approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1.

If any of Resolutions 7 to 9 are passed, the Director that is the subject of the relevant Resolution that is passed will be able to participate in the Director Placement and subscribe for the number of Placement Shares and Placement Options as applicable to that Director as set out at section 8.1 above.

If any of Resolutions 7 to 9 are not passed, the Director that is the subject of the relevant Resolution that is not passed will not be able to participate in the Director Placement and will not be issued Director Placement Shares or Director Placement Options.

(h) Relevant agreement

All material terms for the agreements for the issue of the Director Placement securities are summarised in section 1.

(i) Voting exclusion statement

A voting exclusion statement for Resolutions 7 to 9 (inclusive) is included in the Notice of Meeting preceding this Explanatory Statement.

8.4 Section 195(4) Corporations Act

Three of the Directors have a personal interest in the outcome of Resolutions 7 to 9 (as applicable to each Director) in this Notice of Meeting by virtue of the fact that Resolutions 7 to 9 are concerned with the issue of securities to those Directors.

Section 195 of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a material personal interest are being considered.

In the absence of Shareholder approval under section 195(4) of the Corporations Act, the Directors may not be able to form a quorum at Board meetings necessary to carry out the terms of these Resolutions.

The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put the issue to Shareholders to determine.

8.5 Chapter 2E - Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A "related party" is widely defined under the Corporations Act and includes the directors of the Company. As such, the Directors are related parties of the Company for the purposes of section 208 of the Corporations Act.

A "financial benefit" is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party. Accordingly, the issue of the securities under Resolutions 7 to 9 (inclusive) constitutes the provision of a financial benefit to a related party.

One of the nominated exceptions to the requirement to obtain shareholder approval under Chapter 2E of the Corporations Act is where the provision of the financial benefit is on terms that would be reasonable in the circumstances if the Company and the related party were dealing at arm's length (or on terms less favourable than arm's length).

Approval is not being sought under Chapter 2E of the Corporations Act for Resolutions 7 to 9 (inclusive) as it is the view of the Board that the issue of the securities by the Company to the Directors is being made on an arm's length basis as the securities are on the same terms as the securities issued to investors under the Placement who are not related parties of the Company.

8.6 Board Recommendation

The Board has only considered the issue of the securities under Resolutions 7 to 9 (inclusive) for the purposes of section 195(4) of the Corporations Act, given the fact the Directors have a personal interest in the outcome of the Resolutions. For this reason, the Board declines to make a recommendation to Shareholders with respect to Resolutions 7 to 9 (inclusive).

9. RESOLUTION 10 - ISSUE OF OPTIONS TO WAYNE ZEKULICH

Shareholders are being asked to approve Resolution 10 to allow unlisted options to be issued to the Company's Chair Wayne Zekulich under the Employee Securities Incentive Plan (**Plan**) (**Chair Options**) as set out below.

The Board has determined that the grant of Chair Options under the Plan to Wayne Zekulich is an appropriate form of long-term incentive for the Company's Key Management Personnel. The Board considers that Wayne Zekulich is essential to the operation of the Company's ongoing business.

Accordingly, the Company is proposing, subject to obtaining Shareholder approval, to issue the Chair Options to Wayne Zekulich under the Plan.

The terms and conditions of the Chair Options are in Schedule 5.

In determining Wayne Zekulich's remuneration package, including this proposed issue of Chair Options under the Plan, the Board considered the scope of the Directors' roles, the

business challenges facing the Company and market practice for the remuneration of executive officers in positions of similar responsibility.

Accordingly, they determine this proposed grant of Chair Options is appropriate.

As Shareholder approval is being sought under Listing Rule 10.14, approval is not also required under Listing Rule 7.1.

9.1 Listing Rules

As noted in section 9 the Company is proposing to issue securities to Wayne Zekulich under the Plan (**Issue**).

Listing Rule 10.14 provides that a company must not issue, under an employee incentive scheme, Equity Securities to:

- (a) a director of the Company;
- (b) an associate of a director of the Company;
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by the Shareholders,

unless the issue has been approved by holders of ordinary securities.

The Issue falls within Listing Rule 10.14.1 above and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 10 seeks the required Shareholder approval to the Issue under and for the purposes of Listing Rule 10.14.

If approval is given by Shareholders under Listing Rule 10.14, the Company will be able to proceed with the Issue.

If approval is not given by Shareholders under Listing Rule 10.14, the Issue will not be able to proceed.

Accordingly, under Resolution 10, the Company seeks approval from Shareholders for the issue of Chair Options to Wayne Zekulich, who by virtue of his position as a Director of the Company is a related party of the Company.

9.2 **Listing Rule 10.15**

In compliance with the information requirements of Listing Rule 10.15, Shareholders are advised of the following information:

- (a) Nature of relationship between person to receive securities and the Company
 - The Chair Options are proposed to be issued to Wayne Zekulich, who is a Director of the Company in accordance with Listing Rule 10.14.1.
- (b) Maximum number of securities that may be acquired pursuant to the Resolution

The maximum number of Chair Options to be issued to Mr Zekulich is 500,000.

(c) Issue price

The Chair Options will be issued for nil consideration and accordingly no funds will be raised.

(d) Previous issues under the Plan

The Company has not previously issued any securities under the Plan to Mr Zekulich.

(e) Director's current total remuneration package

The current remuneration package of Mr Zekulich is \$80,000 per annum (exclusive of superannuation).

(f) Material terms of the Chair Options

A summary of the material terms of the Chair Options is provided for in Schedule 5 to this Notice.

(g) Summary of material terms of the Plan

A summary of the material terms of the Plan is provided for in Schedule 6 to this Notice.

(h) Use of Chair Options

The Company is issuing Chair Options as a cost effective, non-cash incentive in an effort to incentivise Mr Zekulich, as opposed to alternative forms of incentives such as cash bonuses or increased remuneration.

The issue of the Chair Options is designed to achieve this objective by encouraging continued improvement in performance over time.

The Board believes that the grant of Chair Options:

- (i) will align the interests of Mr Zekulich with those of Shareholders;
- (ii) is a reasonable and appropriate method to provide cost-effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Zekulich; and
- (iii) the Company does not consider that there are any opportunity costs to the Company or benefits foregone by the Company in issuing the Chair Options on the terms proposed.

(i) Value attributed to the Chair Options

The valuation of the Chair Options as conducted by Company's management, who the Company believes has the necessary experience and competency to perform the valuation, is set out in Schedule 7.

(j) Eligible participants under the Plan

Under the Plan, Chair Options may be issued to Mr Zekulich (or his nominee). Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Plan after this Resolution are approved and who are not named in Notice of Meeting will not participate until approval is obtained under Listing Rule 10.14.

(k) Issue date

The Company will issue the Chair Options under this Resolution as soon as possible after the date of the Meeting and in any event within one month of the Meeting.

(l) Loan

No loans have or will be made by the Company in connection with the proposed issue of the Chair Options.

(m) Voting exclusion statement

A voting exclusion statement for this Resolution is included in the Notice of General Meeting preceding this Explanatory Statement.

Details of any securities issued under the Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule

9.3 Section 208 Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A "related party" is widely defined under the Corporations Act, and includes the directors of the company. As such, the Directors of the Company are related parties of the Company for the purposes of section 208 of the Corporations Act.

A "financial benefit" is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

The issue of the Chair Options under Resolution 10 constitutes the provision of a financial benefit to a related party.

It is the view of the Board (other than Mr Zekulich) that the issue of the Chair Options by the Company to Mr Zekulich falls within the "reasonable remuneration" exception under section 211 of the Corporations Act. Accordingly, approval is not being sought under Chapter 2E of the Corporations Act for Resolution 10.

9.4 Board Recommendation

The Board (other than Wayne Zekulich who has a personal interest in the outcome of this Resolution) recommend Shareholders vote in favour of Resolution 10.

SCHEDULE 2 - SUMMARY OF TERMS OF CONVERTIBLE NOTES

The following is a broad summary of the rights, privileges and restrictions attaching to the Convertible Notes (**Notes**). The summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of the Noteholders.

Maturity Date	12 months from the date of issue
Conversion	Subject to the below, the Noteholder may, at its election, convert the Notes into Shares by delivering a conversion notice to the Company at any time prior to the Maturity Date.
	• The conversion price is \$0.345 for the first 3 months following issue of the Note and thereafter the lesser of \$0.345 and 90% of the average of the two lowest daily volume weighted average market prices (VWAPs) of the Shares during the preceding 20 trading days immediately before the Holder giving a conversion notice, subject to the conversion price being not less than \$0.20.
	The conversion price is subject to adjustment in the event of certain customary events (such as a consolidation or subdivision of the Company's issued capital).
	• Each conversion notice must specify how many Notes the Noteholder elects to convert and must be at least for a face value in an amount equal to or greater than \$25,000 (unless the remaining face value of the Notes is less than \$25,000).
	Upon conversion of the Notes, those Notes are cancelled and may not be reissued, and the face value of the Notes which have been converted will be deemed satisfied.
	The Company has no right to require the Noteholder to convert any Notes at any time.
Repurchase right	Provided that there is no existing event of default, the Company is in compliance with the Convertible Securities Agreements and there is no existing conversion notice, the Company may elect to repurchase all of the remaining Notes. The repurchase price will be a 5% premium to the Face Value of the Notes. Upon receipt of notice from the Company that it wishes to repurchase the Notes, the Noteholder may elect to convert all or some of the Notes instead of having them repurchased by the Company.
Repayment	If the Noteholder has not notified the Company in writing by the day that is 10 business days prior to the Maturity Date that it will be converting the Notes (in whole or in part), the Company is to pay in full to the holder of the Notes, the face value of the Notes (and any accrued but unpaid interest).
	If an event of default is subsisting after the Company has notice from the Noteholder requiring repayment, the Company must repay the face value of the outstanding Notes held by the Noteholder together with any accrued but unpaid interest. The Convertible Securities Agreement contains various events which constitute events of default which are standard for agreements of this nature.

	Change of Control Event means each of:
	a takeover bid being made to acquire all of the Shares and:

	 the offer under the takeover bid is, or becomes, unconditional; and

	the directors of the Company recommend acceptance of the offer under the takeover bid; or
	 a court approves a proposed scheme of arrangement which, when implemented, will result in a person having a relevant interest in 100% of the Shares (where the requisite shareholder approval has also been obtained).
	Delisting Event means where the Shares are no longer quoted on ASX or the Shares are suspended from trading on ASX for a period of 20 consecutive business days, in any case, other than as a result (directly or indirectly) of a Change of Control Event.
	Qualifying Capital Raising Event means capital raises under which the Company raises in aggregate \$10m or more during the term of the Convertible Securities Agreement.
Interest	Upon an event of default occurring, the Company must pay interest at a rate of 18% per annum on the amount of the face value of all Notes issued which have not been converted or repurchased, calculated daily and compounded monthly. Interest is not otherwise payable on the Notes.
Security	The Notes are unsecured.
Ranking on conversion	Shares issued on conversion of the Notes will rank equally with existing Shares on issue.
Reconstruction of capital	In the event of a consolidation, subdivision or similar reconstruction of the issued capital of the Company, the terms of the Notes will be reconstructed to the extent necessary to comply with the ASX Listing Rules
Participation rights	The Notes will not carry any entitlement to participate in future issues of securities by the Company prior to any conversion of the Notes into Shares.
No voting rights	Except as required by the Corporations Act, the Notes will not carry a right to vote at meetings of the Company prior to any conversion of the Notes.

 - (a) assist in the reward, retention and motivation of Eligible Participants;
 - (b) link the reward of Eligible Participants to Shareholder value creation; and
 - (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- 4. (Plan administration): The New Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- 5. (**Eligibility, invitation and application**): The Board may from time to time determine that an Eligible Participant may participate in the New Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the New Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- 6. (**Grant of Securities**): The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the New Plan rules and any ancillary documentation required.
- 7. (**Terms of Convertible Securities**): Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the New Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- 8. (Vesting of Convertible Securities): Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- 9. (Exercise of Convertible Securities and cashless exercise): To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the VWAP per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the New Plan rules, or such earlier date as set out in the New Plan rules.

- 10. (**Delivery of Shares on exercise of Convertible Securities**): As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the New Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- 11. (Forfeiture of Convertible Securities): Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically

be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the New Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

- 12. (Change of control): If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- 13. (Rights attaching to Plan Shares): All Shares issued under the New Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the New Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- 14. (**Disposal restrictions on Securities**): If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
- 15. (Adjustment of Convertible Securities): If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- 16. (Participation in new issues): There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- 17. (Amendment of Plan): Subject to the following paragraph, the Board may at any time amend any provisions of the New Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the New Plan and determine that any amendments to the New Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the New Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

18.	(Plan duration): The New Plan continues in operation until the Board decides to end it. The Board
	may from time to time suspend the operation of the New Plan for a fixed period or indefinitely, and may
	end any suspension. If the New Plan is terminated or suspended for any reason, that termination or
	suspension must not prejudice the accrued rights of the Participants.
