June 2024 Quarterly Investor Webinar

Disclaimer

The material in this presentation has been prepared by DigitalX Limited (ACN 009 575 035) ("Company").

This presentation may not be reproduced, redistributed or passed on, directly or indirectly, to any other person, or published, in whole or in part, for any purpose without prior written approval of the Company. The material contained in this presentation is for information purposes only. This presentation is not an offer or invitation for subscription or purchase of, or a recommendation in relation to, securities in the Company and neither this presentation nor anything contained in it shall form the basis of any contract or commitment. Any offering of any of the Company's securities to Australian persons will be subject to Australian securities laws. The distribution of this document in jurisdictions outside of Australia may be restricted by law, and persons into whose possession this document comes should inform themselves about, and observe, all such restrictions.

This presentation is not financial product or investment advice. It does not take into account the investment objectives, financial situation and particular needs of any investor. Before making an investment in the Company, an investor or prospective investor should consider whether such an investment is appropriate to their particular investment needs, objectives and financial circumstances, seek legal and taxation advice as appropriate and consult a financial adviser if necessary.

This presentation may contain forward-looking statements that are subject to risk factors associated with a technology business. Forward looking statements include those containing such words as "anticipate", "estimates", "forecasts", "should", "could", "may", "intends", "will", "expects", "plans" or similar expressions. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company. It is believed that the expectations reflected in these statements are reasonable but they may be affected by a range of variables and changes in underlying assumptions which could cause actual results or trends to differ materially. The Company does not make any representation or warranty as to the accuracy of such statements or assumptions.

This presentation has been prepared by the Company based on information currently available to it. No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this presentation. To the maximum extent permitted by law, none of the Company or its subsidiaries or affiliates or the directors, employees, agents, representatives or advisers of any such party, nor any other person accepts any liability for any loss arising from the use of this presentation or its contents or otherwise arising in connection with it, including without limitation, any liability arising from fault or negligence on the part of the Company or its subsidiaries or affiliates or the directors, employees, agents, representatives or advisers of any such party.

DigitalX

What's next?

- → Work with 3iQ and K2AM to scale spot Bitcoin ETF and further products
- Share with wholesale investors the benefits we see in having 5% of their portfolio in digital assets
- Partnering to find a cornerstone investor

↑ Drawbridge/SMS

- Firmly position Drawbridge
- → Continue margin improvement drive
- → Add wholesale clients and identify adjacent revenue streams

Ω Partnerships

- Continue to develop our smartlist and playlist innovations with UNSW and the DFCRC
- → Develop Web3.0 Sales channels
- Identify a Web 3.0 partner who can assist in accentuating our vision and strategy

DigitalX ASX:DCC, OTCQB:DGGXF | digitalx.com

- → The launch of the DigitalX Bitcoin ETF (ASX: BTXX) In partnership with K2 Asset Management as the Responsible Entity, DigitalX Asset management successfully launched its flagship spot Bitcoin ETF on the Australian Securities Exchange (ASX). We will explore further products this quarter.
- → This quarter has continued to show that the digital assets space is, and will continue to be highly volatile, however it is positive to see the uptake from the broader investment community.
- → The momentum in the real world asset tokenisation space has been promising and the Company sees great potential in developing these global channels. In the coming quarter we anticipate launching our real world asset tokenisation offering into a number of global channels to boost take up under a new mantle RWAx.
- → Driving revenue via increasing our TVL (assets under management) continues to be the main focus for the Company.
- → The Company continues to focus on execution, and on simplifying the business and its message to shareholders.
