  - (f) The issue of the SPP Options by the Company will be subject to shareholder approval at a general meeting intended to be held on or around 5 September 2024 (**General Meeting**).
-

### 3. Issue Price

- (a) The issue price for each New Share under the Offer is \$0.026 per Share (**Issue Price**).
- (b) In accordance with the requirements of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC Instrument 2019/547**) and ASX Listing Rule 7.2, Exception 5, the Company notes the following in respect of the Issue Price:
  - (i) On the last trading day immediately prior to the announcement date of the Offer (being 24 July 2024), the closing price of the Shares traded on the Australian Securities Exchange (**ASX**) was \$0.029 per Share. The Issue Price is a 10.3% discount to that closing price.
  - (ii) The volumed weighted average market price (**VWAP**) of the Company's Shares over the 5 trading days up to and including 24 July 2024 was \$0.0298 (**5 Day VWAP**). The Issue Price represents a 12.6% discount to the 5 Day VWAP. In accordance with ASX Listing Rule 7.2 Exception 5, the Issue Price is equal to or greater than 80% of the VWAP for the 5 days in which trading in the Shares occurred before the date of the announcement of the Offer.
  - (iii) The Issue Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the Offer (such specified period being the 5 days in which trading in Shares occurred before the date of announcement of the Offer, being 29 July 2024).
  - (iv) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any New Shares are issued under this Offer.
  - (v) By making an application under this Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the 5 Day VWAP, Shares are a speculative investment and the price of Shares on the ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of New Shares under the Offer. The Share prices may rise or fall, and the price of Shares might trade below or above the Issue Price. There can be no guarantee that trading prices will be sustained.
- (c) The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

- (c) If the Company receives an amount that does not equal one of the amounts specified above, the Company may either:
  - (i) reject the application and refund in full the application money (without interest) to the Eligible Shareholder; or

#### 4.2 \$30,000 maximum

- (a) In order to comply with ASIC Instrument 2019/547, the maximum value of New Shares each Eligible Shareholder (irrespective of the size of their shareholding) may apply for under this Offer is \$30,000 (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest(s)). This limit will apply even if you receive more than one offer from the Company (for example, because you are a joint holder of shares or because you hold more than one shareholding under separate share accounts).
- (b) The Board reserves the right to issue to an Eligible Shareholder fewer New Shares than the number applied for, for whatever reason, including to avoid the possible subscription of over \$30,000 worth of New Shares by an Eligible Shareholder (including through joint holdings, multiple registered holdings or any holding in which they have a beneficial interest(s)).

#### 4.3 Maximum number of New Shares to be issued and Scale Back policy

- (a) **Maximum amount:** In accordance with ASX Listing Rule 7.2 Exception 5, the total number of New Shares under the Offer must not exceed 30% of the number of Shares currently on issue (**ASX Limit**). However, the Board reserves the right to change this cap at its discretion by announcement to the ASX (subject to the ASX Limit).
- (b) **Scale back:** The Board reserves the right to reject or scale back any applications in whole or in part at its absolute discretion (**Scale Back**). If there is a Scale Back, you may not receive all the New Shares for which you have applied. The Company may in its absolute discretion determine to apply the Scale Back to the extent and in the

manner it sees fit, which may include taking into account a number of factors including, but not limited to:

- (i) the size of your shareholding at the Record Date;
- (ii) the extent to which you have sold or purchased Shares since the Record Date;
- (iii) whether you have multiple registered holdings;
- (iv) the date on which your application was made; and
- (v) the total number of applications and New Shares subscribed for by Eligible Shareholders.

#### **4.4 Return of excess application monies**

The Company will refund to you by direct credit deposit to your nominated bank account (where you have given your nomination to the Share Registry), the difference between your application money and the total offer price for the New Shares issued to you.

---

### **5. Participation costs**

Eligible Shareholders must pay the issue price per New Share and any fees or charges incurred in making an application under the Offer, for example, bank fees or fees of professional advisors. No commission is payable by the Company on the issue of the New Shares and no brokerage applies.

---

### **6. Rights attaching to New Shares**

The rights of the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer).

The New Shares will be issued on the same terms and rank equally in all respects with the Company's existing Shares on issue.

---

### **7. Quotation of New Shares**

The Company will apply for the New Shares to be quoted on ASX in accordance with the timetable in paragraph 14.

If the New Shares are not quoted on ASX, the New Shares will not be issued and all application monies will be refunded (without interest).

# INSTRUCTIONS FOR COMPLETION OF THIS APPLICATION FORM

The right to participate in the SPP is optional and is offered exclusively to all Shareholders (including Custodians) who are registered as holders of fully paid ordinary shares in the capital of the Company on the Record Date with a registered address in Australia or New Zealand (**Eligible Shareholders**).

If the Company rejects or scales-back an application or purported applications, the Company will return to the Shareholder the relevant Application Monies, without interest.

## HOW TO APPLY FOR SHARES UNDER THE SPP

### 1 Subscription

As an Eligible Shareholder, you can apply for up to a maximum of \$30,000 worth of New Shares. Eligible Shareholders can select one of the parcels prescribed overleaf.

In order to comply with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547, the maximum value of New Shares each Eligible Shareholder (irrespective of the size of their shareholding) may apply for under this Offer is \$30,000 (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest/s). This limit will apply even if you receive more than one offer from the Company (for example, because you are a joint holder of Shares or because you hold more than one shareholding under separate share accounts).

If the Company receives an amount that does not equal one of the amounts specified overleaf the Company may accept the payment at their discretion and refund any excess Application Money (without interest) to the Eligible Shareholder. If the Company receives a subscription of over \$30,000 worth of New Shares by an Eligible Shareholder through multiple applications or joint holdings, the Company may refund any excess Application Money (without interest) to the Eligible Shareholder.

Any application made under the SPP Offer is not guaranteed to result in the Eligible Shareholder receiving any New Shares that have been applied for. Applications may be scaled back at the absolute discretion of the Company.
