

ASX RELEASE // 19 August 2024

Termination of Acquisition Agreement

MetalsTech Limited

Sauvolles Lithium Project, Quebec

MetalsTech Limited (ASX: MTC) (the **Company** or **MTC**) wishes to advise that it has terminated its agreement with Mr Glenn Griesbach and Junita Tedy Asihto (the **Vendors**) in relation to the acquisition of certain early stage exploration licences in Quebec, Canada, known as the Sauvolles Lithium Project.

The Company will therefore not be required to issue 5.5 million shares to the Vendors pursuant to the agreement, nor pay a further \$140,000 in cash. Furthermore, the Company is currently assessing the potential to recover certain deposit monies already paid.

The Company would like to thank Shareholders for their continued support of MTC.
