### About Complii Fintech Solutions

Complii is a digital platform providing an electronic centralised framework to manage AFSL holders (Stockbrokers & Financial Planners) and their licenced user centric workflows for compliance, capital raising and operational needs.

Complii's customisable software provides a single desktop solution which automates key compliance and operational needs. The software automates multiple routine activities so that clients can better meet their regulatory obligations, while giving them more scope to better service clients in a targeted way. Complii is uniquely positioned in Australia as a full-service software provider for AFSL holders including brokers, advisers and wealth management firms.
