Review report on interim financial information to the shareholders of <u>NUTRITIONAL GROWTH SOLUTIONS LTD.</u>

Introduction

We have reviewed the accompanying condensed interim consolidated statement of financial position of Nutritional Growth Solutions Ltd. (the "Company") as of June 30, 2024 and the related condensed interim consolidated statements of comprehensive income, changes in shareholders' equity and cash flows for the six-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of review

We conducted our review in accordance with International standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of Interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial information does not present fairly, in all material respects, the consolidated financial position of the Company as at June 30, 2024, and of its financial performance and its consolidated cash flows for the six month period then ended in accordance International Accounting Standard 34.

Material Uncertainty Related to Going Concern

We draw attention to Note 1C in the consolidated financial statements, which indicated that the Company incurred net loss of USD 1,285 thousand during the six-month period ended June 30, 2024. As stated in Note 1C, this event and condition, indicate that a material uncertainty exists that may cast substantial doubt on the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

These events and conditions, indicate that a material uncertainty exists that may cast substantial doubt on the Group's ability to continue as a going concern. In order to overcome the uncertainty, the Company targeting its efforts in raising additional funds, increasing its revenue and implements cost reduction initiative.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES:

Basis of preparation

These interim consolidated financial statements have been prepared in accordance with IAS 34 Interim Financial Reporting. They do not include all disclosures that would otherwise be required in a complete set of financial statements and should be read in conjunction with the 2023 annual financial statements. These condensed interim consolidated financial statements do not include unmaterial disclosures to the annual financial statements.

Significant accounting policies

The Group has applied the same accounting policies and methods of computation in its interim consolidated financial statements as in its 2023 annual financial statements. Other new and amended standards and Interpretations issued by the IASB that will apply for the first time in future financial statements are not expected to impact the Group as they are either not relevant to the Group's activities or require accounting which is consistent with the Group's current accounting policies.
