Contract Award

DTI Group Ltd (ASX: DTI) (DTI) is pleased to announce the successful contract award by Adelaide Metro Operations Pty Ltd for the design, manufacture and supply of a Public Address, Closed circuit television and Information System (PACIS) for the upgrade of the Citadis and Flexity Torrens Connect trams in Adelaide.

The contract covers the equipment, software and project support associated with the replacement of the CCTV and passenger information system on the Adelaide tram fleet, providing passengers with updated displays, audio announcements and emergency help points.

The contract value is in excess of AUD\$4 million commencing in September 2024 with all works scheduled to be completed by February 2027.

Matt Strack, DTI CEO said:

“The award of this contract is testament to DTI’s capabilities to support the upgrading of aged vehicles to provide enhanced CCTV and passenger information systems. DTI is excited to be supporting Torrens Connect to deliver an improved customer experience to passengers and enhancement of their safety systems.”
