2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company. Nevertheless, the Company will take the outcome of the vote and discussion at the Annual General Meeting into account in setting remuneration policy for future years.

The Company's Remuneration Report on pages 40 to 56 of the Company's 2024 Annual Report sets out the Company's remuneration arrangements for the Directors and Key Management Personnel (**KMP**) of the Company for the financial period ended 30 June 2024.

In summary, the remuneration for executives in respect of the financial year ended 30 June 2024 included fixed remuneration, a scorecard based short-term incentive (**STI**), a long-term incentive (**LTI**) plan (performance based and subject to a three year performance period), and a one-off Initial Equity Grant of Performance Rights (to the Chief Financial Officer in respect of his appointment in FY24).

For the financial year ended 30 June 2024, actual remuneration awarded to KMP comprised

- fixed pay;
- a scorecard based STI;

- for Julian Andrews, Managing Director & Chief Executive Officer, at 75% of the maximum;
- for Brendan Ryan, Head of Corporate Development, at 75% of the maximum; and
- for Jason Clifton, Chief Financial Officer, at 70% of the maximum (prorate from his appointment).

The basis for the assessments detailed above are detailed in the Remuneration Report. In line with the STI conditions, one-third of the award was paid in cash after the end of the STI performance period (ie after 30 June 2024) with the remainder delivered as share rights deferred for up to two years.

- a performance based LTI for 2022 awarded at 50% of the maximum (based on the three year performance assessment of the metrics which is detailed in the Remuneration Report).

A one-off incentive (Initial Equity Grant) of Performance Rights was also granted to the Chief Financial Officer in respect of his appointment in FY24. The award is 20% of the Chief Financial Officer's total fixed remuneration, to be vested in two tranches in December 2024 and 2025 respectively. Each tranche of Performance Rights are subject to two equally weighted performance conditions (the same as the LTI award).

During the financial year ended 30 June 2024 (but in relation to the awards for prior years):

- 38% of the 2021 LTI Performance Rights (ie 72,507 Performance Rights) held by the Managing Director and Chief Executive Officer vested and were exercised into shares in August 2023, and the remaining 62% lapsed.
- 38% of the 2021 LTI Performance Rights (ie 36,913 Performance Rights) held by the Head of Corporate Development vested and were exercised into shares, and the remaining 62% lapsed.
- 100% of the one-off 2022 Management Alignment Rights (ie 32,131 Management Alignment Rights) held by the Head of Corporate Development vested in September 2023.

Further details in relation to the Remuneration Report (including details regarding the vesting of the incentives above) are set out in the Company's 2024 Annual Report to Shareholders which is available on its website at www.deterraroyalties.com.

The Chair of the meeting will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting. If you wish to ask the Chair a question with regards to the business of the Meeting in advance of the Meeting, please submit your question in writing to the Company at investor.relations@deterraroyalties.com at least 48 hours before the commencement of the Meeting. Shareholders who watch the Meeting by viewing the webcast will not be able to vote, ask questions or make comments via the webcast.

3. RESOLUTIONS 2 and 3 – RE-ELECTION OF DIRECTORS

Ms Stratton holds a Bachelor of Accounting from the University of Liverpool and is a Fellow of the Institute of Chartered Accountants.

The Directors (excluding Ms Stratton) recommend that shareholders vote in favour of Resolution 3. The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

4. RESOLUTION 4 – GRANT OF SECURITIES TO MANAGING DIRECTOR AND CHIEF EXECUTIVE OFFICER

4.1 Background

During FY24, the Board undertook a review of its executive remuneration framework in the context of its strategy, market expectations and growth objectives.

In reviewing the structure, the Board recognised that as the Company executes on its growth strategy and diversifies its portfolio, both in terms of asset and commodity exposure, its management incentive performance metrics will need to evolve to align with that strategy.

The current long-term incentive (**LTI**) structure has two equally weighted performance metrics: relative share performance against iron ore pricing; and relative total shareholder returns (**TSR**) against the ASX200 Resources Accumulation Index, both assessed over a three year period. This tests outperformance against a key value driver for the Company at the time the LTI was implemented, namely iron ore pricing, and against the closest peers the Company has on ASX, namely the broader resource sector.

Whilst these metrics were appropriate when the Company was looking to establish itself as a new business model in the resources sector on ASX with a single iron ore related asset providing the great majority of its earnings, the Board recognises that there is an opportunity to better align the LTI performance metrics with the Company's growth strategy of diversification and market positioning as a maturing royalty investment company. Accordingly, it is recommending the following adjustments to the LTI performance metrics:

1. the weighting of the share price performance relative to iron ore price performance metric be reduced from 50 per cent to 33.3 per cent. This is to promote better alignment with the Company's strategy of diversifying its portfolio of royalties and increasing its exposure to other bulk, base and battery commodities, whilst recognising that the Mining Area C royalty and hence iron ore pricing will continue to be an important factor in Company performance for the foreseeable future, and creates room in the weighting for greater emphasis on comparable investible equities; and
2. the weighting of performance TSR relative to peers be increased to 66.7 per cent, and that this test be split into two equally weighted components of:
 - (a) the existing ASX200 Resources Accumulation Index (i.e. 33.3 per cent); and
 - (b) a peer group of international listed royalty and streaming companies (i.e. 33.3 per cent).

This is to promote alignment with both the Australian listed resource market and royalty peers and incentivise outperformance against each. It is recognized that the international listed royalty and streaming companies not only share our business model and are with whom we compete, but also share similar operating margins and capital structures, though having a strong precious metals weighting (8 of the 15 companies in the group focus predominantly or exclusively on gold and precious metals). The ASX 200 Resources Accumulation Index is substantially operating mining companies and heavily weighted to iron ore producers.

It is proposed the royalty peer group include 15 international listed royalty and streaming companies (including the Company) with a market capitalisation greater than US\$200 million as at 1 July 2024. Relative performance will be tested against the quintile of the group with no vesting for TSR in the fourth or fifth quintile, 50 per cent vesting for third quintile performance, 75 per cent for second quintile performance and 100 per cent for first quintile performance.

Further details on the composition of the proposed peer group and operation of the testing thresholds is provided in Schedule 2.

No change to the quantum of the LTI or the three year testing period is proposed.

In summary, the remuneration framework for Mr Andrews for FY25 reflects the following:

- no change to total fixed remuneration (**TFR**);
- no change to the scorecard based short-term incentive (**STI**) structure. One-third of the STI is deliverable in cash and other two-thirds is deliverable in shares (subject to retention periods of one year (one-third) and two years (one-third));
- no change to the quantum of the LTI, with the structure remaining substantially the same, with the exception that an additional performance measure has been added (based on Deterra's relative TSR measured against a peer group of listed international mining royalty companies) as described above and the weighting of each of ASX 200 Resources Accumulation Index and iron ore price performance being reduced to accommodate this additional metric; and
- continuation of the minimum shareholding requirement (**MSR**) policy to provide alignment with

shareholders. A copy of the MSR policy is available on the Deterra website at <https://www.deterraroyalties.com/wp-content/uploads/2022/05/Deterra-Minimum-Shareholding-Policy.pdf>

The maximum total remuneration for the Managing Director and Chief Executive Officer for FY25 is set out below:

Remuneration Element	Amount
Total Fixed Remuneration	\$900,000
Short-Term Incentive (maximum)	\$360,000
Long-Term Incentive (maximum)	\$900,000
Total Remuneration (maximum)	\$2,160,000

As part of the STI and LTI components of the proposed remuneration for FY25, the Company is proposing to grant STI Rights and LTI Rights to the Managing Director and Chief Executive Officer, Mr Julian Andrews, under the Company's Equity Incentive Plan (the **Issue**) on the basis set out below, subject to Shareholder approval of Resolution 4. The Company is proposing to issue the STI Rights and LTI Rights consistent with the principles and objectives of the Deterra remuneration policy and for the purpose of incentivising Mr Andrews to achieve the relevant performance measures attached to these rights (which are set out in Schedule 1 and Schedule 2).

4.2 Requirement for Shareholder Approval

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company (Listing Rule 10.14.1);
- an associate of a director of the company (Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

The Issue falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14. The Company may elect to purchase shares on market to satisfy any incentive payment.

Resolution 4 seeks the required shareholder approval of the Issue under and for the purposes of Listing Rule 10.14.

If Resolution 4 is passed, the Company will be able to proceed with the Issue.

If Resolution 4 is not passed, the Company will not be able to proceed with the Issue, and the Company would need to consider alternatives for Mr Andrews' remuneration to incentivise Mr Andrews and align his interest with those of the Shareholders. Alternatives may involve cash arrangements or acquiring shares on market.

4.3 Information required by Listing Rule 10.15

In accordance with Listing Rule 10.15, the Company provides the following information:

- **Name of the person:** Mr Julian Andrews.
- **Which category in Listing Rules 10.14.1 – 10.14.3 the person falls within and why:** Mr Julian Andrews falls within the category in Listing Rule 10.14.1, as he is the Managing Director and Chief Executive Officer of the Company.

- **STI Rights:** the number of STI Rights cannot be determined at this time but will be calculated in accordance with the formula set out in Schedule 1; and

• **Details (including the amount) of the director's current total remuneration package:**

4.4 ASX Listing Rule 10.11

Listing Rule 10.11 provides that a listed company must not issue or agree to issue equity securities to, among other persons, a "related party" of the Company, without prior shareholder approval. As Managing Director and Chief Executive Officer of the Company, Mr Andrews is a "related party" of the Company pursuant to the ASX Listing Rules definitions. ASX Listing Rule 10.12 (exception 8) provides that a company does not need to obtain prior shareholder approval for an issue or proposed issue of equity securities to a related party if shareholder approval is obtained for the issue or proposed issue under ASX Listing Rule 10.14. Accordingly, the Company is not seeking shareholder approval under ASX Listing Rule 10.11 for the proposed grant of STI Rights or LTI Rights to Mr Andrews.

4.5 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company.

For the purposes of Chapter 2E of the Corporations Act, Mr Andrews, being the Managing Director, is a "related party" of the Company and the grant of the STI Rights and LTI Rights will constitute the giving of a "financial benefit" to Mr Andrews. Subject to certain exceptions, the Corporations Act prohibits the giving of financial benefits to a related party of the Company unless Shareholder approval is

obtained.

The Board (other than Mr Andrews because of his interest in Resolution 4) considers that the grant of the STI Rights and LTI Rights to Mr Andrews is an appropriate and reasonable part of his remuneration for the period in which he is the Managing Director and Chief Executive Officer, and that the financial benefit represented by the Issue falls within the "reasonable remuneration" exception in section 211 of the Corporations Act.

For this reason, the Company is not seeking Shareholder approval of Resolution 4 for the purposes of Chapter 2E of the Corporations Act.

4.6 Recommendation of the Directors

The Directors (other than Mr Andrews because of his interest in Resolution 4) recommend that Shareholders vote in favour of Resolution 4. The Chair of the Meeting intends to vote undirected proxies in favour of the Resolution.

Performance measures	<p>Annual Executive KMP performance is set and assessed through a balanced scorecard which includes a range of key measures that directly affect shareholder value.</p> <p>Each scorecard measure is weighted according to its importance, measurable and is assessed quantitatively and qualitatively.</p> <p>At the start of each year, the Board determines the performance requirements and planned and maximum levels of performance that form the STI scorecard.</p> <p>The levels of performance set by the Board are challenging and are determined by the extent to which the objectives of each scorecard are achieved. Achievement of planned levels of performance delivers the award of 50% of maximum opportunity for the relevant scorecard category. Awards from 50% to 100% of opportunity are on a linear basis consistent with the level of performance attained.</p> <p>Meets Expectations performance: represents the achievement of annual plans. Such performance results in the payment of 50% of the maximum STI opportunity.</p> <p>Exceeds Expectations performance: represents the delivery of exceptional outcomes that are above expectations. Such performance results in the award of more than 50% of the maximum STI opportunity up to a possible 100% depending on the level of achievement.</p> <p>Further details can be found in the following table outlining the scorecard.</p>
Vesting conditions	<p>The STI Rights that are granted will vest according to the following schedule:</p> <ul style="list-style-type: none"> in respect of 50% of the STI Rights, 1 July 2026; and in respect of the remaining 50% of the STI Rights, 1 July 2027.

Exercise period	Where the STI Rights vest, they may be exercised at any time up to a date 8 years following the date of grant. Any unexercised Share Rights will lapse following this date, subject to any earlier lapse occurring pursuant to the rules of the Equity Incentive Plan.
Price payable on grant or vesting	No amount will be payable in respect of the grant or upon vesting of the STI Rights.
Treatment of dividends and voting rights	<p>STI Rights do not have voting or dividend rights.</p> <p>For STI Rights that vest, additional shares may be allocated, or a cash payment will be made, equal in value to the amount of dividends paid (not grossed up for franking credits) on the underlying shares during the period from grant of the STI Rights to exercise on a reinvested basis, calculated in accordance with the following formula:</p> $\text{entitlement} \stackrel{\text{def}}{=} E = (1 + \text{div}_1 / P\text{div}_1) \times (1 + \text{div}_2 / P\text{div}_2) \times \dots \times (1 + \text{div}_n / P\text{div}_n)$ <p>where:</p> <ul style="list-style-type: none"> E is the entitlement conversion factor; $\text{div}_1, \text{div}_2, \text{div}_n$ are the dividends paid on a Share in the Company over the period from the date of grant to the date of exercise (with n being the total number of dividends paid over that period); $P\text{div}_1, P\text{div}_2, P\text{div}_n$ are the end-of-day prices on the date that the dividends are paid (ie immediate reinvestment of dividends on the distribution date). <p>No dividends accrue in respect of any STI Rights that lapse.</p> <p>The maximum number of Shares or equivalent cash payment that an Eligible Employee will receive upon exercise of STI Rights will be the number of vested STI Rights multiplied by E, with the result rounded up to the nearest whole number, or cash payment of equivalent value to those additional Shares that would otherwise be issued in respect of the period to exercise (calculated in accordance with Rule 2.4(b) of the Equity Incentive Plan Rules).</p>

Restriction on hedging	Hedging of entitlements by executives is not permitted
Board discretion	The Board has discretion to vary STI outcomes having regard for the circumstances at the time (including in the event the

	STI outcome would result in an inappropriate outcome).
Treatment on termination	The share rights are granted on the basis that they remain on foot on cessation of employment with the Board having the discretion to forfeit some, none or all of the STI Rights having regard for the facts and circumstances in which the executive's employment ceases.
Change of control	Vesting is subject to board discretion, taking into account performance to the date of change in control.

Plan Rules

INTRODUCTION

The purpose of the Equity Incentive Plan (**Plan**) is to allow the Board to make Offers of Incentives to Eligible Employees.

These Rules outline the terms and conditions upon which Offers will be made, including:

- the process for making and accepting Offers (**Part A**);
- the type of instruments that may be offered as incentives (being Rights, Options, Restricted Shares and Units) (**Part B**); and
- the general terms and conditions that apply to Incentives (**Part C**).

Capitalised terms are defined in Part D of these Rules.

PART A

1 Offers of Incentives

1.1 Board to make invitations

- (a) The Board may, from time to time, in its absolute discretion invite Eligible Employees to participate in a grant of Incentives, which may comprise any one or more of:
- Rights;
 - Options;
 - Restricted Shares; and
 - Units,
- being an **Offer**.
- (b) Offers will be made on the terms set out in these Rules and/or on any additional or alternative terms as the Board determines, as specified in the terms of an Offer.

1.2 Information to be provided to Participants

Without limiting the Board's discretion, each Eligible Employee should be advised of the following information in connection with an Offer:

- (a) the type and number of Incentives being offered, or the method by which the number will be calculated;
- (b) the amount (if any) that will be payable for the grant of Incentives;
- (c) any Vesting Conditions or other conditions that apply, including any Vesting Period;

- (d) the terms of exercise for an Option or a Right (where exercisable), including the period(s) during which exercise is permitted;
- (e) that Rights or Options will only be settled through an allocation of Shares or by making a cash payment (as applicable) where the Board has made a determination pursuant to rules 2.2(g) or 3.2(g) at the time of the Offer;
- (f) the circumstances in which Rights, Options and/or Units may lapse, Shares (including Restricted Shares) allocated under the Plan may be forfeited or a Participant's entitlement to Incentives may be reduced;
- (g) how Incentives may be treated if the Eligible Employee ceases employment with a Group company;
- (h) any restrictions (including the period of restriction) on Dealing in relation to a Restricted Share or Share allocated under the Plan; and
- (i) that all or part of an Offer is made as a salary sacrifice offer under rule 4.2 or as a tax-exempt offer under rule 4.3 of these Rules.

1.3 Acceptance of Offer

- (a) Acceptance of an Offer must be made by the Eligible Employee in accordance with the instructions that accompany the Offer, or in any other way the Board determines.
- (b) The Board may, at its discretion, refuse to allow the participation of an Eligible Employee where that Eligible Employee ceases to be an Eligible Employee, or ceases to satisfy any other conditions imposed by the Board, before the grant is made.
- (c) Nothing limits the Board's ability to treat the conduct of an Eligible Employee in respect of an Offer (including the failure of an Eligible Employee to lodge an election not to participate within the time specified in the instructions accompanying the Offer) as valid acceptance of that Offer under these Rules.

1.4 Offer terms and conditions take precedence

To the extent of any inconsistency, the terms and conditions advised to an Eligible Employee in an Offer will prevail over any other provision of these Rules.

PART B

2 Rights

2.1 Grant

- (a) Where an Eligible Employee has accepted an Offer to participate in a grant of Rights in accordance with rule 1.3(a), the Board will, subject to its discretion under rule 1.3(b), grant Rights to the Eligible Employee.
- (b) Unless the Board determines otherwise:
 - (1) no payment is required for the grant of a Right;

- (2) Rights may not be registered in any name other than that of the Eligible Employee; and
- (3) subdivision 83A-C of the Tax Act applies to the Rights (subject to the requirements of the Tax Act).

2.2 Vesting

- (a) Subject to any express rule to the contrary, a Right will only Vest (and if applicable, become exercisable) where each Vesting Condition, and all other relevant conditions advised to the Participant by the Board pursuant to rule 1.2, have been satisfied or otherwise waived by the Board.
- (b) Where the Board notifies a Participant that a Right is exercisable, the exercise of the Right will be effected in the form and manner determined by the Board and notified to the Participant.
- (c) If the Vesting of a Right would arise in a period where Dealings by a Participant would be prohibited or the Board determines that the Vesting of a Right would otherwise be inappropriate in the circumstances, the Board may determine that Vesting will be delayed until such time as Dealings are permitted or appropriate. For the avoidance of doubt, the Board may determine that Vesting will be delayed only in relation to the affected Participant or in relation to some or all Participants (irrespective of whether they are subject to the Dealing restriction).
- (d) Subject to rule 2.2(e), the Vesting of a Right (and, if applicable, exercise) will be satisfied by the Company allocating Shares to the Participant pursuant to rule 2.3.
- (e) The Board may determine that the Vesting (and, if applicable, exercise) of a Right will be satisfied by the Company making a cash payment in lieu of an allocation of Shares pursuant to rule 2.4. For the avoidance of doubt, the Board may determine that some or all of a Participant's Rights will be settled in this way.
- (f) The Participant has no entitlement to receive a Share under rule 2.2(d) or a cash payment under rule 2.2(e) until the Rights have Vested, and if applicable, been exercised.
- (g) The Board may exercise its discretion to determine whether Rights that Vest will be satisfied by an allocation of Shares or by making a cash payment at any time prior to Vesting or exercise (if applicable), including, for the avoidance of doubt, at the time an Offer is made.
- (h) Vesting occurs upon notification from the Company to the Participant that a Right has Vested pursuant to this rule 2.2.
- (i) In the case of a Right that is exercisable, where the Right has not been exercised by the expiry date, it will be automatically exercised on the expiry date.

- (a) Subject to rules 2.2(e) and 2.3(b), as soon as practicable following Vesting (and if applicable, exercise) of a Right, the Board must issue to, procure the transfer to, or procure the setting aside for, the Participant the number of Shares in respect of which Rights have Vested or have been exercised (as applicable). No further action is required on the part of the Participant.
- (b) In the case of Rights held by or on behalf of a Participant who is a Director, Vested Rights must be satisfied by Shares that have been purchased on market, unless:

- (1) no shareholder approval is required under the Listing Rules in respect of the Director's participation in the Plan; or
- (2) shareholders have approved the Director's participation in the Plan to the extent required under the Listing Rules.

2.4 Payment of cash equivalent

- (a) Where the Board exercises its discretion under rule 2.2(e) to make a cash payment to a Participant in lieu of an allocation of Shares, the Company must pay to the Participant an amount in Australian dollars (or any other currency determined by the Board in its absolute discretion) equivalent to the value of the Shares underlying the relevant Rights that the Board determines will be settled by a cash payment.
- (b) The amount of the cash payment referred to in rule 2.4(a) will be calculated by multiplying the number of Shares underlying the relevant Rights that the Board determines will be settled by a cash payment by the Current Market Price.
- (c) If the Board determines that the payment under rule 2.4(a) is to be made in a currency other than Australian dollars, unless the Board determines otherwise, the foreign exchange rate applied will be the average closing exchange rate of the relevant currency for the 5 days prior to the date of Vesting (or, if applicable, exercise).

2.5 Lapse of Rights

A Right will lapse upon the earliest to occur of:

- (a) 15 years after the date on which the Rights were allocated to the Participant, or any other date nominated as the expiry date in the Offer, other than a Vested but unexercised Right which will be automatically exercised on the expiry date;

3.2 Vesting

- (a) Subject to any express rule to the contrary, an Option granted under the Plan will only Vest and become exercisable where each Vesting Condition, and all other relevant conditions advised to the Participant by the Board pursuant to rule 1.2, have been satisfied or otherwise waived by the Board.
- (b) If the Vesting of an Option would arise in a period where Dealings by a Participant would be prohibited, or the Board determines that the Vesting of an Option would otherwise be inappropriate in the circumstances, the Board may determine that Vesting will be delayed until such time as Dealings are permitted or appropriate. For the avoidance of doubt, the Board may determine that Vesting will be delayed only in relation to the affected Participant or in relation to some or all Participants (irrespective of whether they are subject to the Dealing restriction).
- (c) The exercise of any Option granted under the Plan will be effected in the form and manner determined by the Board and notified to the Participant and, subject to rule 3.4, must be accompanied by payment of the relevant Exercise Price (if any) either in cleared funds or by a cashless exercise facility provided for under this rule 3.2(c) (**Cashless Exercise Mechanism**). Unless the Board determines otherwise, the Cashless Exercise Mechanism will operate as follows:
 - (1) The number of Shares the Participant will receive will be calculated in accordance with the following formula (rounded down to the nearest whole number of Shares):

$$\frac{[\text{Number of Options being exercised} \times (\text{Current Market Price of Shares as at the date of exercise} - \text{Exercise Price})]}{\text{Current Market Price of Shares as at the date of exercise}}$$

- (2) only that number of Vested Options that will result in the Participant being allocated the number of Shares calculated in rule 3.2(c)(1) are able to be exercised, and the balance of the Vested Options that the Participant has requested to exercise will lapse; and
 - (3) the Participant will not be required to pay the Exercise Price in respect of the exercise of the Vested Options referred to in rule 3.4(b).
- (d) Subject to rule 3.2(e), the exercise of an Option will be satisfied by the Company allocating Shares to the Participant pursuant to rule 3.3.
- (e) The Board may determine that the exercise of an Option will be satisfied by the Company making a cash payment in lieu of an allocation of Shares pursuant to rule 3.4. For the avoidance of doubt, the Board may determine that some or all of a Participant's Options will be settled in this way.
- (f) The Participant has no entitlement to receive a Share under rule 3.2(d) or a cash payment under rule 3.2(e) until the Options have been exercised.
- (g) The Board may exercise its discretion to determine whether Options that Vest and are exercised will be satisfied by an allocation of Shares or by making a cash payment at any time prior to Vesting or exercise, including, for the avoidance of doubt, at time of exercise or at the time an Offer is made.
- (h) Vesting occurs upon notification from the Company to the Participant that an Option has Vested pursuant to this rule 3.2.

- (a) Subject to rules 3.2(e) and 3.3(b), as soon as practicable following the exercise of an Option, the Board must issue to, procure the transfer to, or procure the setting aside for, the Participant the number of Shares in respect of which Options have been exercised. No further action is required on the part of the Participant.
- (b) In the case of Options held by or on behalf of a Participant who is a Director, Vested Options must be satisfied by Shares that have been purchased on market, unless:
 - (1) no shareholder approval is required under the Listing Rules in respect of the Director's participation in the Plan; or
 - (2) shareholders have approved the Director's participation in the Plan to the extent required under the Listing Rules.

3.4 Payment of cash equivalent

- (a) Where the Board exercises its discretion under rule 3.2(e) to make a cash payment to a Participant in lieu of an allocation of Shares, the Company must:
 - (1) refund any amount paid by the Participant to exercise those Options; and
 - (2) as soon as reasonably practicable, pay to the Participant an amount in Australian dollars (or any other currency determined by the Board in its absolute discretion) determined under rule 3.4(b).
- (b) The amount of the cash payment referred to in rule 3.4(a)(2) will be calculated by multiplying the number of Shares underlying the relevant Options by the Current Market Price, less any Exercise Price that would otherwise have been payable in respect of those Options.
- (c) If the Board determines that the payment under rule 3.4(a)(2) is to be made in a currency other than Australian dollars, unless the Board determines otherwise, the foreign exchange rate applied will be the average closing exchange rate of the relevant currency for the 5 days prior to the date of exercise.

3.5 Lapse of Options

An Option will lapse upon the earliest to occur of:

 - (1) issuing Restricted Shares to;
 - (2) procuring the transfer of Restricted Shares to; or
 - (3) procuring the setting aside of Restricted Shares for,the Eligible Employee.

For the avoidance of doubt, the Board may determine that allocation will be delayed only in relation to the affected Participant or in relation to some or all Participants (irrespective of whether they are subject to the Dealing restriction).
- (c) Unless the Board determines otherwise:
 - (1) no payment is required for the grant of a Restricted Share (other than a Restricted Share purchased pursuant to rule 4.2); and

- (c) If the Vesting of a Restricted Share would arise in a period where Dealings by a Participant would be prohibited or would otherwise be inappropriate in the circumstances, the Board may determine that Vesting will be delayed until such time as Dealings are permitted or appropriate. For the avoidance of doubt, the Board may determine that Vesting will be delayed only in relation to the affected Participant or in relation to some or all of Participants (irrespective of whether they are subject to the Dealing restriction).
- (d) Unless provided otherwise in the terms of an Offer, when a Share that is held by the Trustee on behalf of a Participant ceases to be a Restricted Share, the Trustee will continue to hold the Share on trust on behalf of the Participant until such time as the Participant, or the Company on behalf of the Participant, directs the Trustee to:

 - (A) law;
 - (B) regulation, including a direction from a regulator;

 - (3) Vest (immediately or subject to conditions);
 - (4) are only exercisable for a prescribed period and will otherwise lapse; and/or

- (5) are no longer subject to some of the restrictions (including any Vesting Condition) that previously applied,

as a result of the Participant ceasing to be an employee of the Group.

- (b) The Board may specify in the Offer to the Participant (in accordance with rule 1.2) how the Participant's Incentives will be treated on cessation of employment. The applicable treatment may vary depending on the circumstances in which the Participant's employment ceases. In specifying a cessation treatment to apply to an Offer, the Board may preserve some or all of its discretion under rule 9.19.1.

- (c) Notwithstanding anything else in this rule 9, where:

- (1) a Participant ceases their employment with a Group company; and
- (2) the reason for the cessation is due to the transfer of the Participant's employment to another Group company or to a joint venture in which a Group company participates;

the Participant will be treated as though their employment did not cease and rules 9.1(a) and 9.2 do not apply, unless the Board determines otherwise.

9.2 Post cessation discretions

- (a) The Board may exercise any of the post cessation discretions in rule 9.2(b) in respect of a Participant who has:

- (1) ceased to be employed by the Group; and
- (2) received or may receive remuneration or favourable treatment under the Plan or any other plan or agreement with the Group in connection with their cessation of employment (including where entitlements Vest or remain on foot after cessation of employment in accordance with their terms),

where the Board determines in good faith that:

- (3) the Participant has breached a Post Cessation Covenant; or
- (4) a change in the Participant's circumstances since he or she ceased to be employed by the Group means it is no longer appropriate for the Participant to retain the benefits outlined in rule 9.2(a)(2) above. Such circumstances may include, for example, where the Participant commences employment with a Competitor, or where the Participant purported to retire from the workforce and subsequently recommences employment.

- (b) For the purposes of rule 9.2(a), the Board may do any one or more of the following:

- (1) deem any unvested Incentives of the Participant to have lapsed or be forfeited with effect from the date determined by the Board;

made under rule 12, require the Participant to repay all or part of the cash to the Company as a debt.

9.3 Approved leave of absence

Subject to applicable laws, at the discretion of the Board, a Participant who is granted an approved leave of absence and who exercises their right to return to work under any applicable award, enterprise agreement, other agreement, statute or regulation may be treated as not having ceased to be an employee for the purposes of this rule 9. Whether a Participant who is granted leave without pay is deemed to have ceased employment will be determined with reference to the Group's policies and any applicable laws.

10 Change of Control

10.1 Change of Control Events

- (a) Where there is a Change of Control Event, the Board may determine that all or a specified number of a Participant's Incentives Vest or cease to be subject to restrictions (as applicable). For the avoidance of doubt:
 - (1) a Change of Control Event does not include an internal reorganisation of the structure, business and/or assets of the Group; and
 - (2) subject to rule 10.1(b), if the Board does not make a determination pursuant to this rule 10.1(a), then all of a Participant's Incentives will remain on foot subject to the original terms of grant.
- (b) Without limiting rule 10.1(a), where there is an actual change in the Control of the Company then, unless the Board determines otherwise, all unvested Incentives will immediately Vest or cease to be subject to restrictions (as applicable) on a pro rata basis having regard to the portion of the Vesting Period that has elapsed.
- (c) Any unvested Incentives that do not Vest under rule 10.1(a) or 10.1(b) will lapse, unless the Board determines a different treatment.
- (d) Notwithstanding the default treatment set out in these Rules, the Board may specify in the Offer to the Participant (in accordance with rule 1.2) a particular treatment that will apply to unvested Incentives in the context of a Change of Control Event.

10.2 Notification of Vesting

Where some or all of a Participant's Incentives Vest pursuant to rule 10.1, the Board will, as soon as reasonably practicable, give written notice to each Participant of the number of Incentives that have Vested.

10.3 Treatment of Vested Incentives

- (a) The Board has the discretion to determine the treatment of all Vested Incentives (including those that Vest in accordance with rule 10.1) where a Change of Control Event occurs.
- (b) Without limiting rule 10.3(a), where there is an actual change in the Control of the Company then, unless the Board determines otherwise:

- (1) all Vested Options, and where Rights are exercisable, all Vested Rights, will be exercisable for a period of 6 months from the actual change in the Control of the Company and will lapse if not exercised within the specified period; and
- (2) any restrictions on Dealing imposed by the Board on Vested Incentives will cease to have effect.

10.4 Acquisition of shares in Acquiring Company

- (a) If:
 - (1) a company (**Acquiring Company**) obtains Control of the Company as a result of a Change of Control Event; and
 - (2) the Company and the Acquiring Company agree,
 subject to applicable laws (including the Listing Rules) a Participant may, upon:
 - (3) Vesting (and, if applicable, exercise) of Rights; or
 - (4) exercise of Options,
 be provided with shares of the Acquiring Company or its parent or subsidiary in lieu of Shares in such manner as the Company and the Acquiring Company may agree (including by a replacement security or exchange of Shares issued on Vesting or exercise) and on substantially the same terms and on substantially the same conditions but with any necessary or appropriate adjustments to the number and kind of shares.
- (b) If rule 10.4(a) applies, the Participant appoints the Company as their agent to do anything needed to give effect to this arrangement, including agreeing to become a member of the Acquiring Company or its parent (as applicable).

10.5 Divestment of material business or subsidiary

- (a) Where the Company divests a business designated by the Board for this purpose as “material”, the Board may make special rules that apply to some or all of the Participant’s Incentives.
- (a) Without limiting the Board’s discretion in rule 10.5(a), such rules may include varying the Vesting Condition and/or any other relevant conditions advised to a Participant and deeming that a Participant remain an employee of the Group for a specific period for the purposes of the relevant Offers.
- (b) As soon as reasonably practicable after making any special rules under this rule 10.5, the Board will give notice in writing of those special rules to any affected Participant.

11 Power to adjust Rights, Options and/or Units and the Exercise Price

- (a) Rights, Options and Units carry no entitlement to participate in new issues of Shares by the Company prior to the Vesting and exercise (if applicable) of the Right, Option or Unit.
- (b) Subject to rule 11(c), prior to the allocation of Shares (or payment of a cash equivalent) to a Participant upon Vesting (and, if applicable, exercise) of Rights, exercise of Options or Vesting of Units, the Board may grant additional Rights,

Options or Units or make any adjustments it considers appropriate to the terms of a Right, Option or Unit granted to that Participant in order to minimise or eliminate any material advantage or disadvantage to a Participant resulting from a corporate action by, or capital reconstruction in relation to, the Company, including but not limited to any return of capital. Adjustments that may be made include adjustments to:

- (1) the number of Rights, Options or Units to which the Participant is entitled;
 - (2) the number of Shares to which the Participant is entitled upon Vesting (and, if applicable, exercise) of Rights or exercise of Options;
 - (3) any amount payable on Vesting (and, if applicable, exercise) of Rights or exercise of Options (including the Exercise Price); or
 - (4) a combination of paragraphs (1), (2) and/or (3) above.
- (c) Without limiting rule 11(b), if:
- (1) Shares are issued pro rata to the Company's shareholders generally by way of a rights issue, Options will be adjusted in accordance with ASX Listing Rule 6.22.2 (or any replacement rule);
 - (2) Shares are issued pro rata to the Company's shareholders generally by way of a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) involving capitalisation of reserves or distributable profits, Options and Rights will be adjusted in the manner allowed or required by the ASX Listing Rules; or
 - (3) any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected, Options and Rights will be adjusted in the manner required by the ASX Listing Rules.
- (d) Where additional Rights, Options or Units are granted to the Participant under this rule 11, such Rights, Options or Units will be subject to the same terms and conditions as the original Rights, Options or Units granted to the Participant (including without limitation, any Vesting Conditions), unless the Board determines otherwise.
- (e) The Board must, as soon as reasonably practicable after making any additional grants or adjustments under this rule 11, give notice in writing to any affected Participant.

12 Dividends and other rights

12.1 Dividends and other rights associated with Shares

- (a) Subject to the terms of any Trust Deed (if applicable) or Offer, the following rules apply in respect of Shares allocated to, or on behalf of, a Participant under this Plan (including Restricted Shares allocated under rule 4.1):
- (1) the Participant is entitled to receive all dividends and other distributions or benefits payable to the Participant or to the Trustee in respect of the Shares;
 - (2) the Participant is entitled to exercise, or to direct the Trustee in writing how to exercise, the voting rights attaching to the Shares, either generally or in a particular case;

- (3) any bonus shares that are issued in respect of the Shares will be issued to the Participant, or to the Trustee on the Participant's behalf, and will be held by the Participant or Trustee as Shares subject to the same terms, conditions and restrictions on Dealing (if any) as the Shares in respect of which they were issued; and
- (4) if rights arise on a rights issue in respect of the Shares, the Participant may Deal with or exercise those rights, or instruct the Trustee (if applicable) in relation to those rights in accordance with the Trust Deed. If the Shares are held by the Trustee on the Participant's behalf and the Participant does not instruct the Trustee how to Deal with the rights, the rights will be Dealt with in accordance with the Trust Deed.

12.2 Dividend equivalent payments and other rights associated with Rights, Options and Units

- (a) Unless or until Shares are allocated to a Participant following Vesting or exercise of their Rights or Options (as applicable), the Participant has no interest in those Shares in respect of which the Right or Option was granted.
- (b) Notwithstanding rule 12.2(a), the Board may determine at the time an Offer is made that a dividend equivalent payment will be paid to a Participant who becomes entitled to an allocation of Shares (or equivalent cash amount) following the Vesting (and, if applicable, exercise) of Rights or exercise of Options under that Offer (minus any applicable tax) or to a cash payment following the Vesting of Units under that Offer (minus any applicable tax).
- (c) A Participant will have no right to receive a dividend equivalent payment made in respect of any Rights, Options or Units that lapse in accordance with the Plan.
- (d) Subject to the terms of any Offer, a dividend equivalent payment:
 - (1) in respect of Rights and Options, will be an amount determined by the Company that will be approximately equal to the amount of dividends that would have been payable to the Participant had they been the owner of the Shares referred to in rule 12.2(b) during the Vesting Period;
 - (2) in respect of Units, will be an amount determined by the Company that will be approximately equal to the amount of dividends that would have been payable to the Participant had they held Shares instead of Units;
 - (3) will not be grossed up or otherwise adjusted to account for any tax consequences which would have applied if the Participant had actually been paid a dividend; and
 - (4) may be satisfied through the allocation of Shares or payment of cash.

13 Withholding

- (a) Notwithstanding any other provisions of these Rules, if a Group company, the Trustee or a plan administrator is obliged, or reasonably believes it may have an obligation, as a result of or in connection with any:
 - (1) grant of Incentives;
 - (2) allocation of Shares under the Plan;

- (3) payment of a cash equivalent amount; or
 - (4) payment of a dividend equivalent amount,
- to account for the following liability of a Participant:
- (5) income tax or employment taxes under any wage, withholding or other arrangements; or
 - (6) any other tax, social security contributions or levy or charge of a similar nature,

then the relevant Group company, Trustee or plan administrator is entitled to withhold or be reimbursed by the Participant for the amount or amounts so paid or payable.

- (b) Where rule 13(a) applies, the relevant Group company, the Trustee or plan administrator is not obliged to grant any Incentives, to allocate Shares or to make a cash payment in accordance with these Rules unless the Company is satisfied that arrangements for payment or reimbursement of the amounts referred to in rule 13(a) have been made. Those arrangements may include, without limitation:
 - (1) the provision by the Participant of sufficient funds to reimburse the relevant Group company, Trustee or plan administrator for the amount (by salary deduction, reduction of any amount owed by the Group to the Participant or otherwise);
 - (2) the sale on behalf of the Participant of Shares allocated pursuant to these Rules for payment or reimbursement of these amounts, as well as the costs of any such sale;
 - (3) a reduction in any amount payable to the Participant on Vesting of Units or in lieu of an allocation of Shares under these Rules;
 - (4) the Participant forgoing their entitlement to an equivalent number of Shares that would otherwise be allocated to the Participant; or
 - (5) lapse or forfeiture of a sufficient number of Rights, Options, Units and/or Shares to satisfy the debt the Participant owes to the relevant Group company, Trustee or plan administrator. Unless the Group company, Trustee or plan administrator (as applicable) and the Participant agree to use a different valuation, any Rights, Options, Units and/or Shares lapsed or forfeited (as applicable) under this rule will be valued at the Current Market Price on the date of lapse or forfeiture.
- (c) Any amounts which are paid or payable for the purposes of these Rules are inclusive of the Group's compulsory superannuation contribution (if applicable).

14 Amendments

14.1 Power to make amendments

- (a) Subject to rule 14.2, the Board may at any time by resolution:
 - (1) amend or add to (**amend**) all or any of the provisions of the Plan;
 - (2) amend the terms or conditions of any Incentive granted under the Plan; or

suspend or terminate the operation of the Plan.

- (b) Notwithstanding rule 14.2, the Board may waive, amend or replace any Vesting Condition attaching to an Incentive if the Board determines that the original Vesting Condition is no longer appropriate or applicable (including, without limitation, where a Vesting Condition refers to a particular stock market index that is no longer published or there is a corporate action by the Company, including a discounted rights issue, which impacts on the Vesting Condition), provided that the interests of the relevant Participant are not, in the opinion of the Board, materially prejudiced or advantaged relative to the position reasonably anticipated at the time of the grant.

14.2 Restrictions on amendments

Without the consent of the Participant, the Board may not exercise its powers under rule 14.1(a) in a manner which reduces the rights of the Participant in respect of any Incentive or Share already granted other than an amendment introduced primarily:

- (a) for the purpose of complying with or addressing present or future laws or regulatory developments that apply to one or more of the following:
 - (1) the remuneration and benefits of Participants (collectively or individually);
 - (2) awards of Incentives; and
 - (3) the Plan or incentive plans generally;
- (b) to correct any manifest error or mistake; or
- (c) to take into consideration possible adverse tax implications in respect of the Plan arising from, amongst others, adverse rulings, changes to tax legislation and/or changes in the interpretation of tax legislation by a court of competent jurisdiction.

14.3 Notice of amendment

As soon as reasonably practicable after making any amendment under rule 14.1, the Board will give notice in writing of that amendment to any Participant affected by the amendment.

15 Participants based overseas

15.1 Overseas transfers

If a Participant is transferred to work in another country and, as a result of that transfer:

- (a) the Participant or any Group company would suffer a tax disadvantage in relation to their Incentives (this being demonstrated to the satisfaction of the Board);
- (b) the Company would be restricted in its ability to Vest Incentives and/or allocate Shares to the Participant; or
- (c) the Participant would become subject to restrictions on their ability to Deal with the Incentives or any Shares allocated to the Participant in respect of those Incentives because of the security laws or exchange control laws of the country to which he or she is transferred,

then, if the Participant continues to hold an office or employment with the Group, the Board may decide that:

- (d) some or all of the Participant's Restricted Shares will Vest or will be forfeited and replaced with cash or an entitlement to a future cash amount;
- (e) some or all of the Participant's Options or Rights will Vest and, if applicable, become exercisable;
- (f) some or all of a Participant's Units will Vest;
- (g) some or all of the Participant's Options or Rights will be settled in cash in lieu of Shares; or
- (h) any other treatment that the Board determines will apply in relation to some or all of a Participant's Incentives,

with the balance (if any) continuing to be held on the original terms.

15.2 Non-Australian residents

The Board may adopt additional rules of the Plan that will apply to a grant made to an Eligible Employee who is a resident in a jurisdiction other than Australia. The remaining provisions of these Rules will apply subject to whatever alterations or additions the Board may determine having regard to any securities, exchange control, taxation or other laws and/or regulations or any other matter that the Board considers directly or indirectly relevant. To the extent of any inconsistency, any additional rules adopted by the Board under this rule will prevail over any other provision of these Rules.

16 Miscellaneous

16.1 Shares issued under the Plan

- (a) Any Shares issued under the Plan will rank equally in all respects with other Shares for the time being on issue by the Company (for example, having rights with respect to voting, dividends and other distributions, and in the event of a winding up of the Company), except:
 - (1) in relation to any rights attaching to such Shares by reference to a record date prior to the date of their issue; or
 - (2) as provided for in accordance with rule 12.1.
- (b) If the Company is listed, the Company will apply for quotation of Shares issued under the Plan within the period required by the Listing Rules.

16.2 Rights and obligations of Participants

- (a) Unless the subject of an express provision in an employment contract, the rights and obligations of any Participant under the terms of their office, employment or contract with the Group are not affected by their participation in the Plan.
- (b) Participation in the Plan does not confer on any Participant any right to future employment and does not affect any rights which any member of the Group may have to terminate the employment of any Participant.
- (c) These Rules will not form part of and are not incorporated into any contract of any Participant (whether or not they are an employee of the Group).
- (d) The grant of Incentives on a particular basis in any year does not create any right or expectation of the grant of Incentives on the same basis, or at all, in any future year.

- (e) No Participant has any right to compensation for any loss in relation to the Plan, including:
 - (1) any loss or reduction of any rights or expectations under the Plan in any circumstances or for any reason (including lawful or unlawful termination of employment or the employment relationship);
 - (2) any exercise of a discretion or a decision taken in relation to a grant of Incentives or in relation to the Plan, or any failure to exercise a discretion under these Rules;
 - (3) the operation, suspension, termination or amendment of the Plan; or
 - (4) lapse or forfeiture (as applicable) of any Incentives.
- (f) The Participant irrevocably appoints each company secretary of the Company (or any other officer of the Company authorised by the Board for this purpose) as their attorney to do anything necessary to:
 - (1) allocate Shares to the Participant in accordance with these Rules;
 - (2) effect a forfeiture of Shares in accordance with these Rules (including rule 8 or the terms of an Offer); and
 - (3) execute transfers of Shares in accordance with these Rules,
 and the Participant acknowledges that this irrevocable attorney is deemed to be given for valuable consideration.

16.3 Power of the Board to administer the Plan

- (a) The Plan is administered by the Board which has power to:
 - (1) determine procedures for administration of the Plan consistent with these Rules including to implement an employee share trust for the purposes of delivering and holding Shares on behalf of Participants upon the grant of Restricted Shares or the Vesting (and, if applicable, exercise) of Rights or exercise of Options; and
 - (2) delegate to any one or more persons for such period and on such conditions as it may determine the exercise of any of its powers or discretions arising under the Plan.
- (b) Except as otherwise expressly provided in the Plan, the Board has absolute and unfettered discretion to act or refrain from acting under or in connection with the Plan and in the exercise of any power or discretion under the Plan.

16.4 Waiver of terms and conditions

Notwithstanding any other provisions of the Plan, the Board may at any time waive in whole or in part any terms or conditions (including any Vesting Condition) in relation to any Incentives or Shares granted to a Participant.

16.5 Application of the constitution of the Company, Corporations Act, and Listing Rules

- (a) Notwithstanding any other provisions of the Plan, Incentives and Shares will not be allocated, issued, acquired, transferred or otherwise dealt with under the Plan, and no other benefit will be deliverable under the Plan, if to do so would or would be likely to, in the opinion of the Board:

- (1) contravene the constitution of the Company, the Corporations Act, the Listing Rules, or any other applicable laws (including any applicable foreign law);
 - (2) give rise to unreasonable cost or regulatory requirements for the Company or any Group company; or
 - (3) require the Company or any Group company to pay, provide, or procure the payment or provision of, any money or benefits to the Participant which would require shareholder approval under Part 2D.2, Division 2 of the Corporations Act.
- (b) Neither the Company nor any Group company has any obligation to seek shareholder approval to deliver any benefit under the Plan that cannot be delivered without shareholder approval.
 - (c) The Plan must be operated in accordance with the constitution of the Company, the Corporations Act, the Listing Rules, other applicable laws and regulations (Australian or foreign).

16.6 Error in Allocation

- (a) If, in the opinion of the Board, any Incentive is provided under the Plan in error or by mistake to a person (**Mistaken Recipient**) who is not the intended recipient, the Mistaken Recipient will have no right or interest, and will be taken never to have had any right or interest in, that Incentive and the Incentive will immediately lapse or be forfeited (as applicable).
- (b) If any cash payment is paid under the Plan in error or by mistake to a person who is not the intended recipient (**Mistaken Recipient**), the Mistaken Recipient will have no right to retain that cash payment and the Company may take whatever steps it deems reasonably necessary to seek repayment of that cash payment as a debt.

16.7 Dispute or disagreement

In the event of any dispute, disagreement or uncertainty as to the interpretation of the Plan or these Rules, or as to any question or right arising from or related to the Plan or to any Incentives or Shares granted under it, the decision of the Board is final and binding.

16.8 Communication

Any notice or other communication provided to a Participant under or in connection with the Plan may be given by personal delivery, by post or email, or by posting it on the Company's intranet.

16.9 Data protection

Subject to any applicable laws, by participating in the Plan, the Participant:
