### **HGV Capital Management Initiative**

**Hygrovest Limited (ASX: HGV) ("HGV" or the "Company")** is an Australian-listed specialist investment company which concentrates on producing capital growth for shareholders over the medium term from investments in listed and unlisted equities and debt securities.

#### **HGV On market share buyback**

HGV is pleased to announce an on-market buyback of up to a maximum of 21,031,060 ordinary shares (being approximately 10% of HGV's ordinary shares) ('buyback') as part of its active approach to capital management.

Given both the discount at which HGV's shares are trading in comparison to their underlying net asset value, and given also HGV's strong capital position, the Board has determined that buying back shares is an appropriate use of available funds.

HGV intends to commence the buyback on 10 October 2024 and it will run for a 12-month period on the terms specified in the Appendix 3C lodged together with this announcement.

In accordance with ASX's Listing Rules, the price paid for shares bought pursuant to the buyback will not exceed 105% of the VWAP of HGV's shares over the five trading days prior to the purchase. HGV will buy back shares at such times and in such circumstances as it considers beneficial for its capital management and the buyback is therefore dependent on market conditions, available share volumes, and other relevant factors. HGV may at any time suspend or terminate the buyback, and shareholders should be advised there is no certainty that the Company will acquire the permitted maximum number of shares under the buyback.

The Board thanks shareholders for their continued support of HGV.
