

23 September 2024

Argent BioPharma Ltd.
(Argent BioPharma or the Company)

Delisting Update

Argent BioPharma, an innovative multidisciplinary drug discovery company within the biopharmaceutical sector, provides the following update regarding its proposed delisting from the Australian Securities Exchange (**ASX**).

The Company wishes to remind shareholders that it will be holding a shareholder vote at 4:00 PM (AWST) on Tuesday, 1 October 2024, at Suite 1, 295 Rokeby Road, Subiaco WA 6008 to allow shareholders to vote (amongst other things) on its proposed delisting from the ASX. Any proposed delisting from the ASX is conditional on, amongst other things, shareholder approval.

To remain eligible to be listed on the London Stock Exchange's Main Market and the Financial Conduct Authority's (**FCA**) Official List in the event of a delisting from the ASX, application must be made to, and approved by, the FCA to transfer the Company's listing category on the Official List in accordance with the UK Listing Rules (**Application**). The Company is currently listed on the equity shares (international commercial companies secondary listing) category of the FCA's Official List, but prior to any delisting from ASX, the Company intends to apply to move its listing to the equity shares (commercial companies) category (**ESCC**) of the FCA's Official List. There are a number of prerequisites and eligibility requirements that will need to be met for an Application to be approved, one being the appointment of a Sponsor, and following any such transfer the Company would be subject to additional disclosure and corporate governance obligations. There can be no guarantee whether or when an Application to transfer listing category will be approved, in which case there is no guarantee that the Company will delist from the ASX, notwithstanding whether shareholder approval is given. The Company will not delist from the ASX without such approval of the Application to transfer to the ESCC.

—Ends—
