Dear Sir/Madam,

Further to the Company's request for a trading halt lodged with ASX on 20 September 2024, the Company requests that its shares be placed into suspension until the Company is in a position to announce results of drilling undertaken by Central Iron Ore Limited, a company in which the Company has a 36.9% interest."

We expect the suspension will last until Friday 27 September 2024. We are not aware of any reason why our securities should not be suspended.

Yours sincerely,
