Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://evergreenlithium.com.au/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2025 Annual General Meeting (**2025 AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2025 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2025 AGM. All of the Directors who were in office when the 2025 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Directors' Recommendation

The Directors have not made a recommendation for this Resolution.

The Chair intends to vote in favour of this Resolution.

Resolutions 2 - Re-election of Directors

Resolution 2 – Re-election of Simon Lill as Director

Background

The Company's Constitution requires that at the Company's annual general meeting (**AGM**), one third of the Directors shall retire from office, or if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself for re-election. The Directors to retire at the AGM are those

who have been in office the longest since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Simon Lill was appointed a Director of the Company on 21 January 2022 and was last re-elected as a Director at the 2022 AGM held on 14 September 2023.

Under this Resolution, Simon Lill has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Qualifications and other material directorships

Simon has extensive experience since the 1980's with ASX listed companies, spanning small cap companies to larger concerns, involving restructuring, corporate, compliance, marketing, company secretarial and management activities. Current Chairman of De Grey Mining Ltd, an ASX 200 gold exploration/development company with 100% ownership of one of Western Australia's largest greenfields discoveries, Hemi, in the Pilbara region of Western Australia.

Independence

If re-elected the Board does not consider Simon Lill to be an independent Director, as he is a substantial shareholder.

Other material information

Simon Lill has confirmed that he considers he will have sufficient time to fulfil his responsibilities as the Non-Executive Chairman of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Chairman of the Company.

Board's Recommendation

The Board has reviewed the performance of Simon Lill since his appointment to the Board and considers that Simon Lill's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (excluding Simon Lill) supports the election of Simon Lill and recommends that Shareholders vote for this Resolution.

The Chair intends to vote in favour of this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the close of trading on 27 September 2024, the Company has a market capitalisation of

approximately \$7.424 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The capital structure of the Company as at 27 September 2024 is:

Security Class (Listed)	Number on issue
Listed Ordinary Shares (EG1)	56,230,000
Listed Ordinary Shares Escrowed 24M from Quotation (11 April 2025)	124,848,300

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- the time and date of the entity's next annual general meeting; and
- the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) general corporate purposes, including working capital;
- (b) Bynoe Lithium Project, Kenny Lithium Project and Fortune Lithium Project as defined and outlined in the Prospectus dated 13 January 2023 (released to the ASX on 5 April 2023) and
- (c) to acquire other tenements of the same nature as the Company's current operations, which are permitted under the ASX Listing Rules without requiring share approval;
- (d) to acquire businesses, whether through acquisition of business assets or through acquisitions under share purchase agreements, which are permitted under the ASX Listing Rules without requiring share approval; and
- (e) costs of the capital raisings.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.0205 50% decrease in issue price	\$0.0410 issue price ^(b)	\$0.0820 100% increase in issue price

	Funds raised	\$371,211	\$742,421	\$1,484,842

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to

whom the Company is able to make an offer of equity securities.

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.
