Company Highlights

Team

- Highly credentialed gold project operational and in-house development team;
- A proven history of building projects on time and on budget.

Gold Production

- Okvau Gold Mine commissioned on time on budget in 2021;
- 2024 production guidance achieved of 114koz gold production at AISC US\$818/oz;

Growth

- Significant exploration and resource growth potential in Cambodia:
 - Okvau Gold Mine reserve expansion;
 - Memot Project (100%) maiden open pit inferred resource of 8MT @ 1.84g/t Au for 470koz (Updated Resource (interim) expected second half calendar 2024)
 - 1,428km² of prospective tenure
- Significant exploration and resource growth potential in Australia:
 - Dingo Range Gold Project located on the underexplored Dingo Range greenstone belt
 - Resource expected second half calendar 2024
 - 1,300km² of prospective tenure

ESG

- Focussed on a net positive impact on near-mine environmental and social values by targeting strict compliance with corporate governance, international guidelines (IFC PS's) and local laws by engaging and collaborating with all stakeholders.
- Commitment to carbon neutral operations in Cambodia

Emerald Resources NL (ASX: EMR) is pleased to advise that access to all parts of the pit at the Company's 100% owned Okvau Gold Mine in Cambodia have been fully restored well ahead of schedule following the minor wall slip announced on 16 September 2024.

The cutback of the affected area has been completed and normal operations have resumed.

A comprehensive update will be provided in the September 2024 Quarterly Report to be released next month.

This ASX release was authorised on behalf of the Emerald Board by: Morgan Hart, Managing Director.

Forward Looking Statement

Certain statements contained in this document, including information as to the future financial or operating performance of the Company and its projects, are forward looking statements. Such forward looking statements involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company and which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements. Forward looking statements are provided as a general guide only and should not be relied on as an indication or guarantee of future performance. Given these uncertainties, recipients are cautioned to not place undue reliance on any forward looking statement. Subject to any continuing obligations under applicable law, the Company disclaims any obligation or undertaking to disseminate any updates or revisions to any forward looking statements in this document to reflect any change in expectations in relation to any forward looking statements or any change in events, conditions or circumstances on which any such statement is based.

No New Information

This document should be read in conjunction with Emerald's other periodic and continuous disclosure announcements lodged with the ASX, which will be available on Emerald's website.

The Company confirms that it is not aware of any new information as at the date of this announcement that materially affects the information included in this announcement and that all material assumptions and technical parameters underpinning the estimates in the Company's previous announcements continue to apply and have not materially changed.
