

**ASX Announcement**

30 September 2024

## DELAY IN LODGEMENT OF ANNUAL REPORT

**Wide Open Agriculture Limited** (ASX: WOA, "Wide Open Agriculture" or the "Company") advises of a delay in the lodgement of its audited Annual Report to Shareholders for the year ending 30 June 2024 ("Annual Report").

The Company was not able to provide its Annual Report by the required deadline of 30 September 2024 due to delays with preparation for and commencement of the audit, contributed by recent changes in executive management, including the Chief Financial Officer as announced to the ASX in July and August 2024.

The Company will lodge its Annual Report as soon as possible, expected to be in the coming days, and will also undertake a review of its accounting systems and practices to prevent further instances of non-compliance with mandatory reporting obligations.

**About Wide Open Agriculture Ltd**

Wide Open Agriculture (WOA) is an ASX-listed ingredient company focusing on the next generation of plant protein ingredients for food and drink manufacturers globally. Using its unique Intellectual Property (IP) WOA manufactures a range of plant proteins and fibres that create better food and drink products for consumers. The Company's flagship product, Buntine Protein®, is a novel plant-based protein derived from lupins. Manufactured under a globally protected patent, Buntine Protein® is a versatile ingredient used to create products across multiple categories including plant-based dairy, meats, baked goods, and health foods. Buntine Protein® is gaining a reputation as a clean tasting, versatile, high performing plant protein, and WOA is focused on generating sales and scaling production at its state-of-the-art manufacturing facility in Grimm, Germany.

WOA is listed on the Australian Securities Exchange (ASX: WOA) and the Frankfurt Stock Exchange (2WO).
