Results of Shareholder's General Meeting

Argent BioPharma would like to announce the results from the Company's General Meeting of Shareholders held today, Tuesday, 1 October 2024, in accordance with ASX Listing Rule 3.13.2.

The Company confirms that all motions put to the meeting were voted by poll, with all resolutions carried. Details of the proxy voting and voting outcomes for all motions put to the meeting are set out in the attached report.

Additionally, the Company advises that it is actively progressing towards the appointment of a sponsor, a key step in moving its listing category from Equity Shares (International Commercial Companies - Secondary Listing) to Equity Shares (Commercial Companies) category (**ESCC**) of the FCA's Official List. Following the appointment of a sponsor, the Company will be in a position to submit an application to the Financial Conduct Authority (**FCA**) to facilitate the move between listing categories. Once this process is complete, the Company will provide an updated indicative timetable outlining the anticipated ASX delisting timeline, in accordance with the approval granted by shareholders at the General Meeting held today.

There can be no guarantee whether or when an Application to transfer listing category will be approved, in which case there is no guarantee that the Company will delist from the ASX, notwithstanding whether shareholder approval is given. The Company will not delist from the ASX without such approval of the Application to transfer to the ESCC.
