Regulatory Information

1. Annual Report

The Annual Report of the Company for the financial year ended 30 June 2024, which includes the Financial Report, the Directors' Report, the Remuneration Report and the Auditor's Report, will be laid before the Annual General Meeting.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will allow a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company.

A representative of the Company's Auditor will be in attendance to respond to any questions raised of the Company's Auditor or on the Auditor's Report in accordance with section 250T of the Corporations Act.

2. Resolution 1 – Adoption of Remuneration Report

The Remuneration Report for the financial year ended 30 June 2024 is set out in the 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for its Directors and senior management.

Section 249L(2) of the Corporations Act requires a company to inform Shareholders that a resolution on the Remuneration Report will be put at an annual general meeting. Section 250R(2) of the Corporations Act requires a resolution that the Remuneration Report adopted be put to a vote. Resolution 1 seeks this approval.

In accordance with section 250R(3) of the Corporations Act, Shareholders should note that Resolution 1 is an "advisory only" Resolution which does not bind the Directors or the Company. However, the Directors take the discussion at the meeting and the outcome of the vote into account when considering the Company's remuneration practices.

Following consideration of the Remuneration Report for the financial year ended 30 June 2024, the Chair, in accordance with section 250SA of the Corporations Act, will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

If at least twenty-five percent (25%) of the votes cast on a resolution for the adoption of a Remuneration Report are voted against at two (2) consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution proposing that another general meeting be held within ninety (90) days, at which all of the Directors (other than the Managing Director) would be up for re-election.

2.1. Directors' recommendation

The Directors encourage all Shareholders to vote on Resolution 1.

3. Resolution 2 – Re-election of Andrew Tudor

Resolution 2 is an ordinary resolution which seeks to approve the re-election of Andrew Tudor as Non-Executive Director of the Company.

In accordance with clause 41 of the Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office by rotation and are eligible for re-election. The Directors to retire are those who have been in office for three (3) years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

These requirements for a Director to retire do not apply to a Managing Director (but if there is more than one Managing Director, only one is exempt from retirement).

In determining the number and identity of the Directors to retire by rotation, the Managing Director and any Director seeking election after appointment by the Board to fill a casual vacancy are not considered.

Mr Tudor retires by rotation at this meeting and, being eligible, offers himself for re-election.

A brief biography of Mr Tudor is set out below.

3.1. Biography of Andrew Tudor

Mr Tudor is a Non-Executive Director of the Company. Mr Tudor's experience has been gained over more than 35 years as a geologist in the mining industry. He has encompassed roles ranging from Managing Director/CEO of ASX listed companies to General Manager, Country Manager and Exploration Manager roles, as well as exploration and mine geology functions.

Mr Tudor has also held the position of General Manager and Principal Consultant of a global mineral consulting firm where his role concentrated on project assessment, due diligence and evaluation studies, in conjunction with geological and resource assessments.

Mr Tudor's career commenced exploring and mining gold in Western Australia and progressed to the varying gold and base metal environments of the Australasian/Pacific region.

The Board considers that Mr Tudor, if re-elected, will be an independent director of the Company given that he is not a substantial shareholder and has no executive responsibilities. Other than in relation to his security holdings, the Company is not aware of any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect, Mr Tudor's capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company.

3.2. Directors' recommendation

The Directors (other than Mr Tudor) unanimously recommend that Shareholders vote in favour of Resolution 2. The Chair intends to exercise all available proxies in favour of Resolution 2.

4. Resolution 3 – Approval of 10% Placement Capacity

4.1. Background

Resolution 3 seeks Shareholder approval for the issue of Equity Securities totalling up to 10% of the issued capital of the Company under and in accordance with Listing Rule 7.1A (**10% Placement Facility**).

4.2. Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 3 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Resolution 3 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Approval of the 10% Placement Facility is valid from the date of the Annual General Meeting until the earlier of:

- 12 months after the Annual General Meeting;
- the time and date of the Company's next annual general meeting; and
- the date shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

The number of Equity Securities that the Company will have the capacity to issue under the 10% Placement Facility will be calculated in accordance with the following formula:

$$(A \times D) - E$$

A has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity – i.e., the number of shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
- plus the number of fully paid Equity Securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of fully paid Equity Securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or

- the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of any other Equity Securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly paid Equity Securities that became fully paid in the relevant period;
- less the number of fully paid Equity Securities cancelled in the relevant period;

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

4.3. Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided to Shareholders in relation to Resolution 3:

(a) Minimum price at which the securities may be issued

In accordance with Listing Rule 7.1A.3, any Equity Securities issued under the 10% Placement Facility will be issued for at least 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the above date, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Facility will dilute Shareholders who do not participate in the issue. The table below shows the potential economic and voting dilution of existing Shareholders as a result of the Company issuing Shares under the 10% Placement Facility, based on different issue prices and values for variable 'A' in the formula above.

Variable 'A' (Shares on issue)		Issue price		
		\$0.018 (50% decrease)	\$0.036 (Current) ²	\$0.054 (50% increase)
158,750,000 (Current) ¹	Shares issued	15,875,000	15,875,000	15,875,000
	Funds raised	\$285.750	\$571.500	\$857.250
238,125,000 (50% increase)	Shares issued	23,812,500	23,812,500	23,812,500
	Funds raised	\$428,625	\$857,250	\$1285,875
	Shares issued	31,750,000	31,750,000	31,750,000

Variable 'A' (Shares on issue)		Issue price		
		\$0.018 (50% decrease)	\$0.036 (Current) ²	\$0.054 (50% increase)
317,500,000 (100% increase)	Funds raised	\$571,500	\$1,143,000	\$1,714,500

Notes:

1. The current variable 'A' is assumed to be the number of Shares on issue as at the date of this Notice. The number of Shares on issue could increase as a result of, for example, an issue that does not require Shareholder approval (e.g. a pro rata offer to Shareholders) or an issue with Shareholder approval under Listing Rule 7.1.
2. The current price of Shares is the closing price on the ASX on 7 October 2023.
3. The table assumes that no Options or other convertible securities are exercised or converted into Shares prior to an issue under the 10% Placement Facility.
4. The table assumes that the Company issues the maximum number of Shares available under the 10% Placement Facility.
5. The table assumes that issues of Equity Securities under the 10% Placement Facility consist only of Shares.
6. The table does not show examples of dilution that may be caused to a particular Shareholder by reason of issues under the 10% Placement Facility. Shareholders should consider the potential dilution caused in the context of their own circumstances.
7. The table only shows the effect of issues under Listing Rule 7.1A, and not issues under the 15% placement capacity under Listing Rule 7.1.

Shareholders should further note that:

- the market price for the Equity Securities may be significantly lower on the date of issue than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the date of issue.

(c) Purposes for which the securities may be issued

Any Equity Securities issued under the 10% Placement Facility may only be issued for cash consideration to raise funds. In such circumstances, the Company may apply the funds raised towards the exploration activities at its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisition) and general working capital.

(d) Allocation policy for issues of securities

The Company's allocation policy for any Equity Securities issued under the 10% Placement Facility will depend on the prevailing market conditions at the relevant time, however, recipients will not be related parties of the Company. The identity of recipients of Equity Securities will otherwise be determined on a case by case basis having regard to the following factors (without limitation):

- the purpose of the issue;

- alternative methods for raising funds that are available to the Company including rights issues or other issues in which existing Shareholders can participate;
- the effect of the issue on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issuing any Equity Securities.

(e) Previous issues of securities

The Company has not issued any Shares under Listing Rule 7.1A in the 12 months prior to the date of the Annual General Meeting (LR7.3A.6).

(f) Voting Exclusion Statement

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice.

4.4. Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3. The Chair intends to exercise all available proxies in favour of Resolution 3.
