EXPLANATORY STATEMENT

This Explanatory Statement accompanies and comprises part of the notice (**Notice**) convening the Annual General Meeting (**Meeting**) of Shareholders of Golden State Mining Limited to be held at 12.00 pm (WST) on 22 November 2024.

Capitalised terms in this Explanatory Statement are defined in the Glossary.

FINANCIAL STATEMENTS AND REPORTS

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report, for the financial year ended 30 June 2024.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered a reasonable opportunity to:

- (a) discuss the Annual Report which is available online from the Company's website www.goldenstatemining.com.au;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Company's auditor if the question is relevant to:

- (a) the content of the Auditor's Report; or
- (b) the conduct of the audit of the Annual Report to be considered at the AGM,

may be submitted no later than 5 business days before the Meeting to the Company by email at info@gsmining.com.au or delivered to the Company's registered office.

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

Section 250R of the Corporations Act requires the Company to put the Remuneration Report to members for adoption. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the Key Management Personnel. Copies of the Annual Report are available by contacting the Company's share registry or visiting the Company's web site www.goldenstatemining.com.au.

The vote of the members is advisory only and does not bind the Directors of the Company.

Following consideration of the Remuneration Report, members will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Under the Corporations Act if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, then a further resolution (**Spill Resolution**) may be required to be considered at the second annual general meeting as to whether a further meeting be convened to put certain Directors to re-election. The Directors to be put to re-election are those Directors, other than the Managing Director, who were Directors when the resolution to make the directors report was passed.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the requirement for a Spill Resolution will not arise at this Meeting irrespective of the outcome of the vote on Resolution 1.

If you are appointing the Chair as your proxy, please note that the proxy form accompanying this Notice expressly authorises the Chair to vote any undirected proxies in favour of Resolution 1 even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Accordingly, if you are appointing the Chair as your proxy and do not wish your proxy to vote in favour of Resolution 1, you will need to mark "against" or "abstain" where indicated in the proxy form in relation to Resolution 1.

The Chair intends to exercise all available proxies in favour of Resolution 1.

RESOLUTION 2 – RE-ELECTION OF MR GREG HANCOCK AS A DIRECTOR

Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Clause 14.2 of the Constitution provides at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

Mr Hancock was appointed as a Director on 6 April 2018 and was re-elected as a Director at the 2022 AGM on 25 November 2022. He retires in accordance with the Company's Constitution and ASX Listing Rule 14.4 and, being eligible, offers himself for re-election.

Mr Hancock has over 25 years' experience in capital markets practicing in the area of Corporate Finance. He has extensive experience in both Australia and the United Kingdom through his close links to the stockbroking and investment banking community. In this time, he has specialised in mining and natural resources and has had a background in the finance and management of small companies.

He is Chairman of AusQuest Limited, Cobra Resources Plc, Triangle Energy (Global) Limited and Non-Executive Director of Group 6 Metals Limited and BMG Resources Limited.

Mr Hancock continues his close association with the capital markets in Australia and the United Kingdom through his private company Hancock Corporate Investments Pty Ltd.

The Board considers that Mr Hancock will, if re-elected, qualify as an independent Director.

Board recommendation

The Board (other than Mr Hancock who has a material interest in the outcome of Resolution 2) supports the re-election of Mr Hancock as a Director.

RESOLUTION 3 – APPROVAL OF 10% PLACEMENT FACILITY

General

ASX Listing Rule 7.1A provides that, in addition to the 15% placement capacity permitted without prior shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue, during the period the approval is valid, a number of quoted Equity Securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period as adjusted in accordance with the formula in ASX Listing Rule 7.1 (**10% Placement Facility**).

An eligible entity is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis). The Company is an eligible entity.

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company has one class of quoted equity securities on issue, being ordinary shares (ASX Code: GSM).

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue quoted Equity Securities under the 10% Placement Facility available under ASX Listing Rule 7.1A. The maximum number of quoted Equity Securities that may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue quoted Equity Securities without Shareholder approval available under ASX Listing Rule 7.1A, and will remain subject to the 15% limit on issuing (or agreeing to issue) Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A and information required by Listing Rule 7.3A

(a) 10% Placement Period

If Shareholders approve Resolution 3, the Company's ability to issue quoted Equity Securities under the 10% Placement Facility will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of the Meeting;

- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.1 or 11.2, (the **10% Placement Period**).

(b) **Minimum Issue Price**

The issue price of quoted Equity Securities issued under Listing Rule 7.1A must be a cash consideration per Equity Security of not less than 75% of the volume weighted average market price (**VWAP**) of Equity Securities in the same class calculated over the 15 Trading Days on which trades in the class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

(c) **Purpose of Funds Raised**

Funds raised from the issue of quoted Equity Securities under the 10% Placement Facility are intended to be used towards advancing existing assets and investments, the acquisition and development of new assets and investments, corporate and administration costs and working capital.

(d) **Economic and Voting Dilution Risk**

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Options, only if the Options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100% and the voting dilution impact of such an increase. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0055 (50% decrease in current issue price)	\$0.011 (Current issue price)	\$0.022 (100% increase in current issue price)
279,370,630 (Current Variable A)	Shares issued – 10% voting dilution	27,937,063		
	Funds raised	\$153,654	\$307,308	\$614,615
419,055,945 (50% increase in Variable A)	Shares issued – 10% voting dilution	41,905,595		
	Funds raised	\$230,481	\$460,962	\$921,923
558,741,260 (100% increase in Variable A)	Shares issued – 10% voting dilution	55,874,126		
	Funds raised	\$307,308	\$614,615	\$1,229,231

The table has been prepared on the following assumptions.

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No Options or Performance Rights (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused by their own shareholding depending on the specific circumstances.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The current issue price is \$0.011 being the closing price of the Shares on the ASX on 7 October 2024.
- (viii) The Company will only issue the Equity Securities during the 10% Placement Period.

(e) **Allocation Policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors set out in the Company's allocation policy, including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The recipients under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Substantial Holders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) **Use of 10% Placement Facility in prior 12 months**

In the 12 month period prior to the Meeting (commencing 22 November 2023) the Company has not issued any equity securities under its 10% Placement Facility).

(g) **Voting Exclusion**

A voting exclusion statement is not included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of any Equity Securities under the Additional 10% Placement Facility.
