2024 NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of Shareholders of Element 25 Limited (Company) will be held at The Garden Office Park, 355 Scarborough Beach Road, Osborne Park, Western Australia, Australia on 22 November 2024 at 10.00am (AWST) for the purpose of transacting the following business.

The Explanatory Memorandum to this Notice provides additional information on matters to be considered at the meeting. The Explanatory Memorandum and the Proxy Form are part of this Notice.

Terms used in this Notice will, unless the context otherwise requires, have the same meaning given to them in the glossary contained in the Explanatory Memorandum.

2024 FINANCIAL STATEMENTS

To receive the financial statements of the Company for the year ended 30 June 2024, consisting of the annual financial report, the Directors' report and the auditor's report.

RESOLUTION 1. RE-ELECTION OF DIRECTOR - MR SALVATORE LANCUBA

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution:

"That, in accordance with and pursuant to the Company's Constitution and listing rule 14.4 and for all other purposes, Salvatore Lancuba, a Director appointed on 30 January 2023, retires at the Meeting and, being eligible and offering himself for re-election, is elected as a Director"

Short Explanation: Pursuant to the Company's Constitution, one-third of the Directors of the Company (other than the Managing Director) must retire at each AGM and, being eligible, may offer themselves for re-election at that AGM.

RESOLUTION 2. ADOPTION OF REMUNERATION REPORT

To consider and, if thought fit, to pass, with or without amendment, the following advisory only resolution:

"That, for the purposes of Section 250R(2) of the Corporations Act, and for all other purposes, the Remuneration Report forming part of the Company's 2024 Annual Report be and is hereby adopted."

Short Explanation: Section 250R of the Corporations Act requires a listed company to put to Shareholders at each AGM a resolution adopting the report on the remuneration of the Company's key management personnel included in the Company's Annual Report. The above Resolution is being proposed to comply with this requirement. The vote on this Resolution is advisory only and neither binds the Company's Directors nor the Company. A reasonable opportunity will be provided to Shareholders for discussion of the Remuneration Report at the AGM.

Voting Prohibition Statement: A vote on this Resolution must not be cast (in any capacity) by or on behalf of either the following persons:

- a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report;
or
- b) a Closely Related Party of such a member.

However, a person (the voter) described above may cast a vote on the Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; *or*
- d) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorised the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 3. APPROVAL OF 10% PLACEMENT FACILITY

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a special resolution:

"That, pursuant to and in accordance with Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of the issue) calculated in accordance with the formula prescribed in Listing Rule 7.1A.2 and on the terms and conditions in the Explanatory Memorandum."

Short Explanation: Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the AGM. The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. Please refer to the Explanatory Memorandum for details.

Voting Exclusion: For the purposes of Listing Rule 7.3A, the Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who may participate in the 10% Placement Facility or a person who might obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the Resolution is passed, or any of their Associates, unless it is cast by:

- a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- b) the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with direction given to the Chair to vote on the resolution as the Chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 4. GRANT OF PERFORMANCE RIGHTS TO THE COMPANY'S MANAGING DIRECTOR MR JUSTIN BROWN

To consider and, if thought fit, to pass, with or without modification, the following as an ordinary resolution:

“That for the purposes of Listing Rule 10.14, and for all other purposes, Shareholders approve the issue of Performance Rights under the Performance Rights plan to Mr Justin Brown, Managing Director, including the issue of Shares upon vesting of those Performance Rights, in accordance with the terms and conditions of the Performance Rights plan and as more particularly specified, the terms set out in the Explanatory Memorandum.”

Short Explanation: Approval is sought under Listing Rule 10.14 to authorise the Company to issue these securities and for the Managing Director to acquire these securities under the Company's Performance Rights plan. Please refer to the Explanatory Memorandum for details. If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1 or 10.11.

Voting Exclusion: Pursuant to the Listing Rules, the Company will disregard any votes cast in favour of this Resolution by or on behalf of a person who is eligible to participate in the Performance Rights Plan or an associate of that person or those persons.

However, this does not apply to a vote cast in favour of this Resolution by:

- a) a person as a proxy for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy to vote on the resolution in that way; or
- b) the chair of the meeting as proxy for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:

- (ii) the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

Voting Prohibitions: In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution if:

- a) the proxy is either a member of the Key Management Personnel or a Closely Related Party of such a member; and
- b) the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:

- c) the proxy is the chair of the meeting; and
- d) the appointment expressly authorises the chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 5. GRANT OF SERVICE RIGHTS TO MR SALVATORE LANCUBA

To consider and, if thought fit, to pass, with or without modification, the following as an ordinary resolution:

“Shareholders approve the issue of Service Rights, including the issue of Shares upon vesting of those Service Rights to Mr Salvatore Lancuba, Non-Executive Director.”

Short Explanation: Approval is sought under Listing Rule 10.14 to authorise the Company to issue these securities. Please refer to the Explanatory Memorandum for details. If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1 or 10.11.

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of Mr Salvatore Lancuba (or his nominee) and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the Chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the Resolution; and
 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition: A person appointed as a proxy must not vote on the basis of that appointment, on this Resolution if:

- a) the proxy is either:
 - (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
- b) the appointment does not specify the way the proxy is to vote on this Resolution. However, the above prohibition does not apply if:
 - (i) the proxy is the Chair; and
 - (ii) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Further, a Restricted Voter who is appointed as a proxy will not vote on this Resolution unless:

- c) The appointment specifies the way the proxy is to vote on this Resolution; or
- d) The proxy is the Chair of the meeting, and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of this Resolution.

RESOLUTION 6. GRANT OF SERVICE RIGHTS TO MR RUDOLPH VAN JAARSVELD

To consider and, if thought fit, to pass, with or without modification, the following as an ordinary resolution:

“Shareholders approve the issue of Service Rights, including the issue of Shares upon vesting of those Service Rights to Mr Rudolph van Jaarsveld, Non-Executive Director.”

Short Explanation: Approval is sought under Listing Rule 10.14 to authorise the Company to issue these securities. Please refer to the Explanatory Memorandum for details. If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1 or 10.11.

Voting Exclusion: The Company will disregard any votes cast in favour of the Resolution by or on behalf of Mr van Jaarsveld (or his nominee) and any other person who will obtain a material benefit as a result of the issue of the securities (except a benefit solely by reason of being a holder of ordinary securities in the Company) or an associate of that person or those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- a) a person as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with directions given to the proxy or attorney to vote on the Resolution in that way; or
- b) the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the chair to vote on the Resolution as the Chair decides; or

 - (i) the proxy is the Chair; and
 - (ii) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Further, a Restricted Voter who is appointed as a proxy will not vote on this Resolution unless:

“That, subject to and in accordance with Listing Rule 7.1 and for all other purposes, Shareholders approve the issue of up to 100,000,000 Shares at an issue price of not less than 80% of the average market price of the Company’s shares (calculated over the 5 days on which sales of shares were recorded before the day on which the issue is made), upon the terms set out in the Notice of Annual General Meeting and Explanatory Memorandum.”

Voting Exclusion: The Company will disregard any votes cast on this Resolution by or on behalf of:

- a) any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity);
- b) an Associate of that person or those persons.

This Explanatory Memorandum should be read in conjunction with, and form part of, the accompanying notice.

The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the same meaning given to them in the glossary as contained in this Explanatory Memorandum.

At the AGM, Shareholders will be asked to consider the following Resolutions:

- Resolution 1 Re-election of Director - Mr Salvatore Lancuba
- Resolution 2 Adopting the Remuneration Report
- Resolution 3 Approving 10% Placement Facility
- Resolution 4 Approving Grant of Performance Rights to Mr Justin Brown
- Resolution 5 Approving Grant of Service Rights to Mr Salvatore Lancuba
- Resolution 6 Approving Grant of Service Rights to Mr Rudolph van Jaarsveld
- Resolution 7 Approving Issue of Shares
- Resolution 8 Section 195 approval

2024 FINANCIAL STATEMENTS

As required by Section 317 of the Corporations Act, the financial statements for the year ended 30 June 2024 and the accompanying Directors' report, Directors' declaration and auditor's report will be laid before the meeting.

Neither the Corporations Act, nor the Company's Constitution requires a vote on the reports. However, the Shareholders will have an opportunity to ask questions about the reports at the AGM.

RESOLUTION 1. RE-ELECTION OF DIRECTOR - MR SALVATORE LANCUBA

1.1 Introduction

The Company's Constitution requires that one third of the Company's directors (other than the Managing Director) must retire at each AGM. Accordingly, Mr Salvatore Lancuba will retire by rotation and, being eligible, offers himself for re-election.

This resolution is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

1.2 Director's Biography

Mr Lancuba is a chemical engineer with more than 40 years' experience in the global fertiliser industry across research and development, process engineering, manufacturing and management. Following 27 years at Incitec Pivot Limited, an ASX top 50 company, Mr Lancuba has consulted to industry clients in Australia, New Zealand, USA, South America, Europe, India and China in areas including plant design and maintenance, project management, project evaluation and marketing strategies. He has extensive experience in chemical processing, project development and operations in the chemical industry.

1.3 Directors' Recommendation

All the Directors except Mr Salvatore Lancuba recommend that Shareholders vote in favour of this resolution.

RESOLUTION 2. ADOPTION OF REMUNERATION REPORT

2.1 Introduction

As required by the Corporations Act, the Board is presenting the Remuneration Report to Shareholders for consideration and adoption by a non-binding vote.

The Remuneration Report, which is part of the 2024 Annual Report, has been sent to Shareholders who have made an election to receive the Annual Report. Copies of the 2024 Annual Report are available by contacting the Company's share registrar or visiting the Company's website www.e25.com.au.

The vote on this resolution is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast are against adoption of the Remuneration Report at the 2024 AGM and then again at the 2025 AGM, the Company will be required to put a resolution to the 2025 AGM to approve calling an extraordinary general meeting (spill resolution). If more than 50% of Shareholders vote in favour of the spill resolution, the Company must convene an extraordinary general meeting (spill meeting) within 90 days of the 2025 AGM. All the Directors who are in office when the 2025 Directors' Report is approved, other than the Managing Director, will (if desired) need to stand for re-election at the spill meeting.

The Remuneration Report explains Board policies in relation to the nature and level of remuneration paid to Key Management Personnel, sets out remuneration details for each member of the Key Management Personnel, details any service agreements and sets out the details of any share based compensation.

2.2 Voting on the Remuneration Report

Note that a voting prohibition applies to the resolution in the terms set out in the Notice of Meeting. In particular, the directors and other restricted voters may not vote on this resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the resolution.

RESOLUTION 3. APPROVAL OF 10% PLACEMENT FACILITY

3.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (10% Placement Facility).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. Based on the closing price of Shares on ASX on 9 October 2024 of \$0.33, the Company has a market capitalisation of \$73,231,093 and is an eligible entity for these purposes.

This resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If this resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

If on the date of the AGM the Company's market capitalisation exceeds \$300 million or it has been included in the S&P/ASX 300 Index, then this resolution for the 10% Placement Facility will no longer be effective and will be withdrawn.

3.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this resolution:

a) Period for which the 10% Placement Facility is valid

The 10% Placement Facility will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

b) Minimum price

Any Equity Securities issued under the 10% Placement Facility must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 3.2(b)(i), the date on which the Equity Securities are issued.

c) Use of funds raised under the 10% Placement Facility

The Company intends to use any funds raised from issues of Equity Securities under the 10% Placement Facility towards advancing the planned stage 2 expansion of manganese concentrate production from its 100% owned Butcherbird Project, the proposed high purity manganese sulphate monohydrate (HPMSM) production facility in Louisiana, mining operations, and general working capital purposes.

d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Facility, the economic and voting dilution of existing Shares would be as shown in the table below.

The Table 1 below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 9 October 2024.

The table also shows the voting dilution impact where the number of Shares on Issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Facility.

Table 1: Voting Dilution Impact

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.25 25% decrease in Issue Price	\$0.33 Issue Price	\$0.41 25% increase in Issue Price
Current Variable A 221,912,402 Shares	10% voting dilution	22,191,240 Shares	22,191,240 Shares	22,191,240 Shares
	Funds raised	\$5,492,332	\$7,323,109	\$9,153,887
10% increase in current Variable A 244,103,642 Shares	10% voting dilution	24,410,364 Shares	24,410,364 Shares	24,410,364 Shares
	Funds raised	\$6,041,565	\$8,055,420	\$10,069,275

The table has been prepared on the following assumptions:

- (i) There are currently 221,912,402 Shares on Issue at 9 October 2024.
- (ii) The issue price is \$0.33, being the closing price of the Shares on ASX on 9 October 2024.
- (iii) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (iv) No Options are exercised into Shares before the date of issue of the Equity Securities.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vii) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (viii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (ix) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
 - (x) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
- e) Allocation policy under the 10% Placement Facility

RESOLUTION 4. APPROVAL TO GRANT PERFORMANCE RIGHTS TO MR JUSTIN BROWN

The Company proposes to issue Performance Rights to Mr Justin Brown under the Company's Performance Rights Plan which was approved by Shareholders at the 2023 Annual General Meeting. A copy of the Performance Rights Plan can be viewed on the Company's website.

It is relevant to note that no Performance Rights will be issued to related parties of the Company (including Directors of the Company) unless Shareholders first approve the issue in accordance with Listing Rule 10.14.

The Board recognises the importance of including a variable remuneration component in an executive's remuneration package that is only paid on the achievement of key objective that the Board considers will deliver increased Shareholder value. Remuneration packages may include a combination of fixed compensation and variable performance linked compensation. The variable performance linked compensation includes short term incentives, deferred incentives and long term incentives and comprises of up to 60% of Total Fixed Remuneration.

The Board proposes to issue Mr Brown with the following Performance Rights measured on performance for the 30 June 2025 financial year. All three incentive types are capped at 20% of Total Fixed Remuneration (refer table below).

Table 2 : Performance Rights – Justin Brown

Performance Rights	Short Term Incentive (STI) – issued after 30 June 2025	Deferred STI – issue on or around 30 June 2026	Long Term Incentive – issued on or around 30 June 2027
Up to 60% Total Fixed Remuneration as at 1 July 2024	Up to 20%	Up to 20%	Up to 20%

For detailed information regarding the terms of the proposed Performance Rights please refer to Annexure A.

The proposed issue of Performance Rights will be issued without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period. Listing Rule 7.2

(Exception 13(b)) sets out an exception to Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme, as an exception to Listing Rule 7.1.

RESOLUTION 7. APPROVAL OF ISSUE OF SHARES

The Company seeks the approval of shareholders for an issue of up to 100,000,000 shares to advance the planned stage 2 expansion of manganese concentrate production from its 100% owned Butcherbird Project, to contribute to the development of the HPMSM refinery facility being constructed in Louisiana, mining operations and general working capital purposes.

ASX Listing Rule 7.1 prohibits a company from issuing shares representing more than 15% of its issued capital in any 12-month period, without the prior approval of its shareholders (subject to certain exceptions). Accordingly, shareholder approval is being sought under Listing Rule 7.1 for the issue of up to 100,000,000 additional shares in the Company without using the Company's annual 15% placement capacity.

By approving the issue, the subject of Resolution 7, the base figure (i.e. variable “A”) in which the Company’s 15% and 10% annual placement capacities are calculated under Listing Rule 7.1 and Listing Rule 7.1A will be a higher number which in turn will allow a proportionately higher number of securities to be issued without prior Shareholder approval.

The Company proposes Resolution 7 to approve the issue of Shares in accordance with Listing Rule 7.3. The Company confirms that the allotment and issue of the Shares the subject of Resolution 3 does not breach Listing Rule 7.1.

7.1 Information required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3.

- a) the maximum number of securities that may be issued under this resolution is 100,000,000 fully paid shares;
- b) the Shares will be issued at an issue price of not less than 80% of the average market price of the Company’s shares (calculated over the 5 days on which sales of shares were recorded before the day on which the issue is made);
- c) the Company intends to use the funds raised from the issue of Shares towards advancing the planned stage 2 expansion of manganese concentrate production from the 100% owned Butcherbird Project, to contribute to the development of the HPMSM refinery facility being constructed in Louisiana, mining operations and general working capital purposes;
- d) the proposed shares issued are fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company’s existing Shares.
- e) any shares issued in accordance with this resolution will be issued and allotted within 3 months from the date of the general meeting (or such later date as approved by ASX);
- f) as at the date of this Notice of Meeting there has been no decision to issue any shares;
- g) it is not known whether any allotments will occur as a single allotment or will occur progressively.

7.2 Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 15% annual placement facility will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 7 is approved by Shareholders and the Company issues Equity Securities, the potential economic and voting dilution of existing Shares would be as shown in the table below.

The Table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1, on the basis of the minimum issue price of Shares of \$0.40 and additional examples at \$0.30 and \$0.50, being a 25% decrease and 25% increase to the issue price respectively.

The table also shows the voting dilution impact where the number of Shares on Issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 15% annual placement facility.

Table 3 : Risk of Economic and Voting Dilution

Variable “A” in Listing Rule 7.1	Issue Price A\$0.30 per share	Issue Price A\$0.40 per share	Issue Price A\$0.50 per share
Current Variable A	221,912,402 shares	221,912,402 shares	221,912,402 shares
Equity Value	\$66,573,721	\$88,764,961	\$110,956,201
100,000,000 Shares issued			
Increase in Variable A	100,000,000 shares	100,000,000 shares	100,000,000 shares
Funds Raised	\$30,000,000	\$40,000,000	\$50,000,000
Variable A after proposed Share Issue	321,912,402 shares	321,912,402 shares	321,912,402 shares
Voting Dilution	45.06%	45.06%	45.06%

The table has been prepared on the following assumptions:

- there are currently 221,912,402 Shares on Issue at 9 October 2024.
- the issue price is \$0.40, with additional examples shown at an issue price of A\$0.30 and A\$0.50.
- the voting dilution reflects the potential aggregate percentage dilution against the Issued Share Capital at the time of issue. The Shares issued alters the dilution scenarios.
- the table shows only the effect of issue of Equity Securities under Listing Rule 7.1, not under the 10% placement capacity under Listing Rule 7.1A.
- the calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 15% annual placement facility, based on that Shareholder’s holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- the market price for the Company’s Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

7.3 Directors’ Recommendation

All Directors of the Company believe that this resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

RESOLUTION 8. SECTION 195 APPROVAL

8.1 General

In accordance with section 195 of the Corporations Act, a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a "material personal interest" are being considered.

In the absence of this resolution, the Directors may not be able to form a quorum at Board meetings necessary to carry out the terms of Resolutions 4, 5, and 6.

The Directors accordingly exercise their right under section 195(4) of the Corporations Act to put the issue to Shareholders to resolve.

This resolution is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

Treatment of Rights on cessation of employment

Unvested Rights will lapse if Mr Brown's employment is terminated for cause or if he resigns. If Mr Brown's employment ceases for any other reason, some or all unvested Rights may continue beyond cessation of employment and vest or lapse depending on whether the performance conditions are achieved, subject to the Board's discretion to determine otherwise.

Change of control

If a change of control event occurs, for example by way of a takeover of the Company or scheme of arrangement, the Board may determine that some or all Rights granted to Mr Brown will vest, having regard to relevant performance indicators. Alternatively the Board may determine that any unvested Rights will lapse or

be exchanged for a grant of new rights and/or securities in replacement in respect of any body corporate or other entity, as determined by the Board.

Clawback

The Board may determine that unvested or vested securities granted under the Plan lapse or be deemed to be forfeited as a result of adverse circumstances that arise or become known after securities have been granted or vested.

ANNEXURE B.

SUMMARY OF PERFORMANCE RIGHTS PLAN

The Company has established a Performance Rights Plan which was approved by Shareholders at the 2023 Annual General Meeting. The full terms of the Performance Rights Plan can be viewed on the Company's website. A summary of the terms of the Plan is set out below.

Eligible Persons

The Board may, from time to time, in its absolute discretion, make a written offer to participate in the Plan to any of the following persons:

- (i) a director of any Group Company (including executive and non-executive directors);
- (ii) an employee of any Group Company (including casual, part-time, and full-time employees);
- (iii) a contractor who provides services to a Group Company, or
- (iv) a prospective participant, being a person to whom an offer is made but who can only accept the Offer if an arrangement has been entered into that will result in the person becoming an Eligible Person under clauses (i), (ii) or (iii) above.

Eligible Persons must not encumber or hedge Performance Rights without the Board's consent and the Performance Rights are not transferrable except in the following limited circumstances:

- (i) with the consent of the Board (which may be withheld in its absolute discretion), if a "Special Circumstance" arises; or
- (ii) by force of law upon death to the participant's legal personal representative, or upon bankruptcy to the participant's trustee in bankruptcy;

"Special Circumstances" means:

- (i) a participant (or where a participant is a nominee of an Eligible Person, that Eligible Person) ceasing to be an Eligible Person due to death or total and permanent disability; or
- (ii) any other exceptional or extraordinary circumstances as determined by the Board to constitute a "Special Circumstance".

Purpose

The purpose of the Performance Rights Plan is to motivate participating staff members by rewarding them upon the achievement of milestones that are linked to the Company's performance.

Plan Administration

The Plan is administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

Offer

The Board may, from time to time, in its absolute discretion, make a written offer to participate in the Plan to an Eligible Person.

The Board will advise each Eligible Person of the following information when making an offer:

- (i) the number of Performance Rights that the Eligible Person may apply for, or the formula for determining the number of Performance Rights that may be applied for;
- (ii) the number of Shares that the Eligible Person is entitled to be allocated on the exercise of each Performance Right or the formula for determining the maximum number of Shares;
- (iii) any applicable vesting conditions;
- (iv) any restriction that will be imposed upon trading the Shares that are to be allocated upon vesting;
- (v) the fact that the Performance Rights will be issued for nil cash consideration;
- (vi) the date on which the offer will close (i.e. the Closing Date);
- (vii) the date on which the Performance Rights will lapse (i.e. the Expiry Date);
- (viii) any other information required by law or the Listing Rules or considered by the Board to be relevant to the Performance Rights or the Shares to be allocated on exercise of the Performance Rights.

Eligible Persons who receive an offer may renounce the offer in favour of a "Related Person" being:

- (i) a spouse, parent, child, or sibling of the Eligible Person; or
- (ii) a company controlled by the Eligible Person or a person mentioned in subparagraph (i); or
- (iii) a body corporate that is the trustee of a self-managed superannuation fund (within the meaning of the Superannuation Industry (Supervision) Act 1993) where the Eligible Person is a director of the body corporate.

Performance Rights will be granted for nil cash consideration and no money will be payable upon exercising a Performance Right.

Vesting

A Performance Right granted under the Plan will not vest and be exercisable unless the vesting conditions (if any) have been satisfied and the Board has notified the Eligible Person of that fact.

The Board must notify an Eligible Person in writing within 10 Business Days of becoming aware that any vesting conditions attaching to a Performance Right have been satisfied.

The Board may, in its absolute discretion, by written notice to a participant, resolve to waive any of the vesting conditions applying to the Performance Rights due to:

- (i) a participant or, where the participant is a nominee of an Eligible Person, that Eligible Person:
 - a. dying or suffering total or permanent disability; or
 - b. being made redundant by a Group Company; or
 - c. retiring;
- (ii) a participant or, where the participant is a nominee of an Eligible Person, that Eligible Person, suffering severe financial hardship;

- (iii) the terminal illness of the participant (or Eligible Person, as applicable) or of an immediate family member of the participant (or Eligible Person, as applicable);
- (iv) a change of control event occurring in respect of the Company or the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up of the Company.

Grant of Shares

Subject to the Corporations Act, the Listing Rules and the Plan, the Company must issue or transfer to the participant or his or her personal representative (as the case may be) the number of Shares the participant is entitled to be allocated in respect of vested Performance Rights that are exercised, within 10 business days of the Performance Rights being exercised.

Lapsing of Performance Right

A Performance Right will lapse upon the earlier to occur of:

- (i) an unauthorised dealing in, or hedging of, the Performance Right occurring;
- (ii) a vesting condition in relation to the Performance Right is not satisfied by the due date, or becomes incapable of satisfaction, as determined by the Board in its absolute discretion, unless the Board exercises its discretion to vest the Performance Right in accordance with the Plan;
- (iii) a vested Performance Right is not exercised within the time limit specified in the Plan;
- (iv) a participant (or, where the participant is a nominee of the Eligible Person, that Eligible Person) ceases to be an Eligible Person, unless the Board exercises its discretion to vest the Performance Right in accordance with the Plan;
- (v) the Board deems that a Performance Right lapses due to fraud, dishonestly or other improper behavior of the participant (or, where the participant is a nominee of the Eligible Person, that Eligible Person) in accordance with the Plan;
- (vi) the Company undergoes a change of control or a winding up resolution or order is made, and the Board does not exercise its discretion to vest the Performance Right in accordance with the Plan; and
- (vii) the Expiry Date of the Performance Right.

Change in Control

If the Company reorganises its capital, the Company will procure that the terms of the Plan or the rights of participants are varied in such a way as determined by the Board in its absolute discretion, which neither disadvantages nor advantages participants nor adversely effects the rights of the other holders of Shares, to account for the effect of the reorganisation event (in a manner consistent with the Listing Rules if applicable).

Rights Attaching to Plan Shares

The Performance Rights do not entitle holders to participate in new issues of capital, to vote, or to receive dividends (unless and until a Performance Right is exercised and the participant holds Shares).

Disposal Restrictions

A participant must not sell, transfer, or dispose of any Shares acquired on exercise of the Performance Rights (or any interest in them):

- (i) in contravention of the Corporations Act, including the insider trading and on-sale provisions; or
- (ii) during any restriction period designated in their offer document.

If a participant is subject to a restriction period of the kind noted in (ii) they will forfeit their Shares (unless the Board waives the forfeiture requirement) if, during the restriction period, they:

- (i) perpetrate fraud as against a Group Company;
- (ii) act dishonestly in their dealings with a Group Company;
- (iii) commit a breach of their obligations to a Group Company, including those obligations that survive cessation of employment;
- (iv) become an employee of, or providing services to, an entity considered by the Board (acting reasonably) to be a competitor of a Group Company; or
- (v) engage in any activity considered by the Board (acting reasonably) to be detrimental to a Group Company.

If the sale, transfer or disposal by a participant of the Shares allocated to them on exercise of the Performance Rights (or any interest in them) would require the preparation of a disclosure document (as that term is defined in the Corporations Act) the Company may at its discretion issue:

- (i) a cleansing statement under Section 708A(5) of the Corporations Act at the time the Shares are issued; or
- (ii) a disclosure document in relation to the Shares which complies with the requirements of the Corporations Act.

If the Board does not exercise the discretion described above, the participant agrees to enter into such arrangements with the Company as the Board considers appropriate to prevent the sale, transfer or disposal of the relevant Shares in a manner that would require a disclosure document to be prepared.

Amendment of Plan

Subject to any requirements of the Corporations Act or the Listing Rules, the Board may amend the terms of the Plan provided that any amendment must not materially reduce the rights of any participant, unless the amendment is introduced primarily:

- (i) for the purpose of complying with the law;
- (ii) to correct any manifest error or mistake;
- (iii) for reasons relating to the amount payable under fringe benefits tax; or
- (iv) to enable this Plan to comply with the Corporations Act, the Listing Rules or the Company's constitution.
