Explanatory Memorandum

This Explanatory Memorandum contains background material to assist Shareholders in relation to the items of business to be considered at the 2024 Annual General Meeting and in deciding how to vote on the resolutions set out in this Notice.

Item 1. Financial and other Reports

The Corporations Act requires the Directors to lay before the 2024 Annual General Meeting the financial statements, the Directors' report and the auditor's report for the last financial year that ended before the 2024 Annual General Meeting. These reports are contained in the 2024 Annual Report, which has been released to the ASX and is available from the Company's website www.nrw.com.au.

Shareholders will be provided with a reasonable opportunity to ask questions or make statements in relation to these reports but no formal resolution to adopt the reports will be put to Shareholders at the 2024 Annual General Meeting.

Item 2. Remuneration Report (Resolution 1)

Section 250R(2) of the Corporations Act requires that a resolution that the 2024 Remuneration Report be adopted be put to the vote at the 2024 Annual General Meeting. The 2024 Remuneration Report is set out on pages 26 - 46 of the 2024 Annual Financial Statements.

Under the Corporations Act, the vote on this resolution is advisory only and does not bind the Directors or the Company and does not affect the employment arrangements in place for employees of the Company and its subsidiaries. The Directors will consider the outcome of the vote and comments made by Shareholders on the 2024 Remuneration Report at the 2024 Annual General Meeting when reviewing the Company's remuneration policies.

The 2024 Remuneration Report sets out the Company's remuneration policy and reports on the remuneration arrangements in place for Directors and key executives of the Company for the financial year ended 30 June 2024.

In summary, the Remuneration Report:

- explains the Board's approach to executive remuneration and the link to company performance and shareholder outcomes;
- explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the Company (including Directors);
- explains the relationship between the Board's remuneration policy, the Company's performance and incentives for Key Management Personnel;
- details the remuneration framework which explains the reward elements and any performance conditions applicable to the remuneration of the Key Management Personnel of the Company; and
- sets out remuneration details for the Key Management Personnel of the Company.

The Company received a "Strike" at the 2023 Annual General Meeting against the 2023 Remuneration Report. The N&RC and Company Executives have actively engaged with shareholders and proxy advisors for the last three years regarding the Company's remuneration framework and arrangements. The N&RC has always acted, where it considers reasonable, on feedback received from these engagement sessions. In this regard, the Company has worked over the last three years to action the following:

- eliminate the use of gearing as a performance measure in the LTI schemes;
- include Earnings Per Share in lieu of Earnings Before Interest Tax and Amortisation to ensure stronger earnings targets aligned with shareholder value;
- increase transparency in NRW's Remuneration Report by way of disclosing STI performance targets in the year they are assessed;
- move to relative total shareholder return, from absolute total shareholder return, to eliminate market impacts, and disclose the peer group to shareholders to promote transparency;
- where appropriate, include an ESG related strategic objective as part of the STI Plan performance measures; and
- annually engage an independent remuneration consultant to review the remuneration framework and package of NRW's CEO and Managing Director, along with other members of its Executive team and Non-Executive Directors on an ad hoc basis.

The Board does not make any recommendations to Shareholders in relation to Resolution 1 as it is intended to provide guidance to the Board.

With the exception of Ms. Murdoch, the Board unanimously recommends that Shareholders vote in favour of Resolution 3. Ms. Murdoch does not make any recommendation to Shareholders in relation to this resolution as she is subject to the re-election.

Item 4. Election of Mr. David Joyce (Resolution 3)

Rule 5.1 of the Constitution requires that, at the Annual General Meeting, one-third of the Directors for the time being or, if their number is not 3 or a multiple of 3, the number nearest to but not exceeding 1/3 retire from office. Pursuant to rule 5.4 of the Constitution, a retiring Director is eligible for re-election without the necessity of giving any previous notice of his intention to submit himself for re-election.

Mr Joyce was appointed as a Non-Executive Director on 19 March 2024.

Mr Joyce is a former mining executive with over 37 years' experience in delivering major projects in Australia and internationally. This experience includes delivering the required infrastructure, services, processing facilities and initial mining developments (underground and open pit) for both greenfield and brownfield developments around the world.

Mr Joyce graduated from the University of Adelaide with a Bachelor of Engineering (1st Class Hons.).

Mr Joyce has held the following directorship in the three years immediately before the end of the financial year:

- Non-Executive Director, Synergy (Appointed 21 February 2024)

With the exception of Mr Joyce, the Board unanimously recommends that Shareholders vote in favour of Resolution 3. Mr. Joyce does not make any recommendation to Shareholders in relation to this resolution as he is subject to election.

Item 5. Election of Ms. Adrienne Parker (Resolution 4)

Rule 5.1 of the Constitution requires that, at the Annual General Meeting, one-third of the Directors for the time being or, if their number is not 3 or a multiple of 3, the number nearest to but not exceeding 1/3 retire from office. Pursuant to rule 5.4 of the Constitution, a retiring Director is eligible for re-election without the necessity of giving any previous notice of his intention to submit himself for re-election.

Ms Parker was appointed as a Non-Executive Director on 13 May 2024.

Ms Parker is a lawyer with over 25 years' experience in the resources, energy and infrastructure sectors, with a focus on major projects as well as running complex disputes.

Ms Parker has a law degree from the University of Western Australia.

Ms Parker has held the following directorships of listed companies in the three years immediately before the end of the financial year:

- Non-Executive Director, Lione Resources Limited (Appointed 1 October 2022)
- Non-Executive Director, Resolute Mining Limited (Appointed 20 March 2024)

With the exception of Ms. Parker the Board unanimously recommends that Shareholders vote in favour of Resolution 3. Ms. Parker does not make any recommendation to Shareholders in relation to this resolution as she is subject to election.

Item 6. Approval of grant of Performance Rights for FY25 to Mr Julian Pemberton under the NRW Holdings Limited Performance Rights Plan (Resolution 5)

The Company is proposing to issue 590,164 Performance Rights to Mr Pemberton under the NRW Holdings Limited Performance Rights Plan which was approved at the 2023 annual general meeting of the Company (the **Plan**). The Company has decided to grant the Performance Rights to Mr Pemberton because they create share price alignment between Mr Pemberton and Shareholders but do not provide the full benefits of share ownership (such as dividend and voting rights) unless the Performance Rights vest.

ASX Listing Rule 10.14 requires that shareholder approval must be obtained for the acquisition of securities by, amongst others, a director of a company under an employee incentive scheme. ASX Listing Rule 10.14.1 applies to the issue of Performance Rights because Mr Pemberton is the Managing Director and CEO of the Company. Resolution 5 thus seeks the required shareholder approval to issue the Performance Rights to Mr Pemberton under and for the purposes of ASX Listing Rule 10.14.

If Resolution 5 is passed, the Company will issue 590,164 Performance Rights to Mr Pemberton as soon as practicable after the date of the 2024 Annual General Meeting and in any event within 12 months of the date of the meeting. Upon vesting, subject to the relevant performance targets described below, each Performance Right will entitle Mr Pemberton to one fully paid ordinary share in the Company.

If Resolution 5 is not passed, the proposed grant of the Performance Rights will not proceed and the Board will need to, acting reasonably and consistent with the Company's remuneration policies, determine the amount and form of the compensation payable to Mr Pemberton for the loss of the benefit of the Performance Rights, which may include providing an equivalent long-term cash incentive subject to the same risk of forfeiture, performance targets and performance periods as described below in respect of the grant of the Performance Rights.

Details of remuneration structure of CEO

The structure of the CEO's remuneration is a combination of a fixed annual salary and a variable annual award comprising of a short-term incentive and a long-term incentive, details of which are set out in the 2024 Remuneration Report on pages 26 – 46 of the 2024 Annual Financial Statements. The remuneration structure has been designed to not only ensure retention of the CEO but also to align Shareholder and executive remuneration outcomes by ensuring a significant portion of CEO remuneration is at risk, while rewarding performance.

The Board has awarded Mr Pemberton a fixed salary increase from \$1,352,000 to \$1,500,000 effective 1 July 2024. The fixed salary increase is driven by and in line with broader market conditions and competitive benchmarking against peers in the industry. The decision is also reflective of the growing size and complexity of the NRW business, which has expanded significantly requiring enhanced leadership and strategic oversight from our CEO. In recognition of these evolving demands, the Board felt it necessary to adjust Mr Pemberton's compensation to ensure it remains competitive and aligned with market expectations. This increase also reflects the critical role Mr Pemberton plays in value creation for the Company and his depth of expertise and talent at this important time in the Company's growth. The FY25 Performance Rights award is therefore calculated with reference to Mr Pemberton's total fixed remuneration (**TFR**) in FY25 of \$1,500,000.

Mr Pemberton is entitled under his remuneration structure to be awarded a long-term incentive equal to 120% of TFR. Resolution 5 seeks Shareholder approval for the issue of Performance Rights to Mr Pemberton which, if granted, will form part of his remuneration.

Key terms of Performance Rights issue

It is proposed that, if Resolution 5 is approved, Mr Pemberton will be granted 590,164 Performance Rights for the FY25 financial year (**FY25 Award**). Key terms associated with the grant are as follows:

- 3-year performance period (1 July 2024 to 30 June 2027).
- Vesting date of 30 September 2027.
- Vesting of Performance Rights will be subject to meeting certain performance targets set out below.
- Each Performance Right will, on vesting, entitle the holder to one fully paid ordinary share in the Company.
- As the Performance Rights are part of Mr Pemberton's remuneration, there is no price payable on the issue of Performance Rights or on allocation of shares if Performance Rights vest.

The number of Performance Rights proposed to be granted pursuant to Resolution 5 was determined using a 30-day volume-weighted average price (**VWAP**) of shares in the Company as at 30 June 2024 (which was an amount of \$3.05 per share). Accordingly, without applying any discount for the probability of vesting hurdles being satisfied (and if so, to what extent), this implies a value of \$1,800,000 for those Performance Rights.

Performance targets and vesting

The table below sets out the performance targets for the Performance Rights which will be measured over the performance period. Performance Rights proposed to be granted pursuant to Resolution 5 are focussed on delivering increased earnings and growth in shareholder value. Aligned with the scheme design of prior years, which was approved by shareholders at last year's Annual General Meeting, the Board have decided to retain the equal weighting of Performance Rights to Relative Total Shareholder Return (**Relative TSR**) and Earnings Per Share (**EPS**). This has resulted in a 50%: 50% weighting to Relative TSR and EPS.

Performance Hurdles			
Relative TSR ⁽¹⁾	Min	Between 50th and 75th percentile (when compared to TSR Comparator Group)	Relative TSR performance will be assessed as TSR for the whole performance period relative to an appropriate and pre-defined comparator group for NRW Holdings Ltd. The comparator group includes MacMahon (ASX: MAH), Monadelphous (ASX: MND), Emeco (ASX: EHL), SRG Global (ASX: SRG), Southern Cross Electrical (ASX: SXE) and Perenti (PRN).
	Max	At or above the 75th percentile (when compared to TSR Comparator Group)	If an entity in the comparator group ceases to be listed during the Performance Period (for example, through a take-over) then in measuring the TSR for the Comparator Group, the TSR for that entity is to be taken into account in the manner determined by the Board. In 2024 the NRC conducted an analysis of the chosen peer group to evaluate Relative TSR, including consideration of a broader peer group to better assess NRW's performance against the market. The NRC is confident that the current peer group is adequately sized and includes enough competitors to facilitate this performance assessment in a rigorous manner.
EPS (cents) ⁽²⁾	Min	31.6	The FY27 hurdles have been calculated utilising FY24 actual NPATN (\$123.8M) for compounded growth at 5% and 10%, or min and max respectively.
	Max	36.3	In 2024 the NRC conducted an analysis of the growth hurdles included in the long-term incentive plans. The NRC is confident that the current growth hurdles of 5% (min) and 10% (max) are sufficiently "stretchy" for our CEO and Managing Director whilst remaining aligned with the long-term strategic plans of the Company.

(1) The TSR objective will include the movement in share price during the performance period, in addition to the appropriate adjustments which will include dividend payments and any equity raisings to reflect actual TSR performance.

(2) The final assessment of EPS will exclude the amortisation of acquisition intangibles and non-operating transactions (acquisition transaction costs, for example) at normal tax rates and may be adjusted for any significant variations in forecast assumptions.

The quantum of Performance Rights that will vest as each performance hurdle is met is shown in the table below. If performance is above the minimum objective but below the maximum objective, the performance rights will vest pro rata to actual achievement. Measurement of performance against the targets will be based on achieving the targets within the performance period.

		No. Performance Rights
Relative TSR	At min	147,541
	At max	Up to an additional 147,541
EPS (cents)	At min	147,541
	At max	Up to an additional 147,541
Total		590,164

Other key provisions of the Plan

If a Key Management Personnel's (**KMP**) employment with the Company ceases for reasons other than death or permanent disability, any unvested Performance Rights will lapse and expire unless the Board of the Company considers it appropriate in the circumstances to consider the vesting of any unvested Performance Rights. Where a KMP has died or becomes permanently disabled the Board may determine that the Performance Rights will not lapse and will be tested against the vesting hurdles on the applicable vesting dates.

Upon a change of control occurring in respect of the Company, the following rules will apply to determine how Performance Rights should vest or lapse.

- Performance Rights that have met the vesting hurdle will vest on a date to be determined before the change of control date.
- Performance Rights which have met the vesting hurdle as a consequence of the change of control (for example a share price increment) will vest on a date to be determined before the change of control date.
- In respect of Performance Rights which have not yet met the vesting hurdle, the N&RC may (in its absolute discretion) determine that all or a portion of these Performance Rights will vest, notwithstanding that time restrictions or performance conditions applicable to the Performance Rights have not been satisfied.

A KMP can be considered to be a "Good Leaver" subject to agreement with the N&RC. Good Leaver conditions are generally very specific to the individual and the individual's personal circumstances but will normally require appropriate notice periods to allow the orderly transfer of responsibilities from the incumbent to his or her replacement. Any Performance Rights awarded to a Good Leaver will be "pro-rated" based on the number of months of completed employment in the performance period divided by the relevant performance period. Awards will then be tested at the relevant vesting date (or the date relevant to the performance hurdle) and the pro-rated number of Performance Rights will vest on the vesting date.

At present, Mr Pemberton is the only Director entitled to participate in the Plan. Shares acquired on vesting of Performance Rights may be delivered to participants through the issue of Shares or on-market acquisitions, at the discretion of the Board. The Performance Rights will not carry any voting rights and do not give the holder a right to participate in any entitlement issues (such as pro rata rights issues or a share purchase plan). The Performance Rights will not be eligible for any dividends. Any new Shares issued on the vesting of Performance Rights will be quoted on the ASX. Performance Rights will not be quoted on the ASX. Variations to the terms of the Performance Rights following their issue is subject to the Plan and the ASX Listing Rules. No security interests (such as charges or mortgages) can be held against Performance Rights.

Information for the purposes of ASX Listing Rule 10.15 regarding Resolution 5

The following information is disclosed in relation to Resolution 5 for the purpose of ASX Listing Rule 10.15:

- The Performance Rights will be granted to Mr Julian Pemberton (or his nominee).
- Mr Pemberton is covered by Listing Rule 10.14.1 because he is the Company's CEO & Managing Director.
- The maximum number of Performance Rights that will be granted to Mr Pemberton (or his nominee) if Shareholders approve Resolution 5 is 590,164. Each Performance Right entitles the holder, on vesting, to receive one fully paid ordinary share in the Company (subject to any permitted adjustment under the rules of the Plan).

- Details of Mr Pemberton's current total remuneration package are included above. Further details of Mr Pemberton's remuneration are set out in the 2024 Remuneration Report on pages 26 - 46 of the 2024 Annual Financial Statements.
- Mr Pemberton has been granted a total of 693,333 Performance Rights under the Plan at nil cost as each time they were granted to Mr Pemberton as part of his remuneration. If Resolution 5 is approved, that number will be increased by 590,164 Performance Rights. To date, no Performance Rights have vested to Mr Pemberton under the Plan.
- A summary of the material terms of the Performance Rights and the value that the Company attributes to the Performance Rights are set out on pages 11 - 12 above.
