## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.dragonmountaingold.com.au/>.

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

---

### 3. RESOLUTION 2 – RE-ELECTION OF MR DIMITRI BACOPANOS

#### 3.1 General

Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Dimitri Bacopanos, who was last re-elected by Shareholders on 23 November 2022, and being eligible retires by rotation, seeks re-election.

Further information in relation to Mr Bacopanos is set out below.

<b>Qualifications, experience and other material directorships</b>	Mr Bacopanos has extensive experience in mergers and acquisitions, mostly recently as Executive Director in the Transaction Advisory Services team at Ernst & Young. He has more than 20 years' commercial experience in both private and ASX listed companies and has worked across a number of major transactions, including in the technology, industrial, and agriculture sectors. His expertise extends to a wide range of corporate advisory roles covering operational reviews, feasibility analyses, strategic planning and implementation. Mr Bacopanos holds a Bachelor of Commerce degree and is a Chartered Accountant.
<b>Term of office</b>	Mr Bacopanos has served as a Director since 31 December 2016, and was last re-elected on 18 November 2021.
<b>Independence</b>	If re-elected, the Board considers that Mr Bacopanos will be an independent Director.
<b>Board recommendation</b>	Having received an acknowledgement from Mr Bacopanos that they will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Mr Bacopanos since their appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Bacopanos) recommend that Shareholders vote in favour of this Resolution.

#### 3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Bacopanos will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Mr Bacopanos will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

### 4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

#### 4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). The Company is an Eligible Entity.

## 4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

## 4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
<b>Period for which the 7.1A Mandate is valid</b>	<p>The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:</p> <ul style="list-style-type: none"><li>(a) the date that is 12 months after the date of this Meeting;</li><li>(b) the time and date of the Company's next annual general meeting; and</li><li>(c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).</li></ul>
<b>Minimum price</b>	<p>Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:</p> <ul style="list-style-type: none"><li>(a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or</li><li>(b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.</li></ul>
<b>Use of funds</b>	<p>The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new assets and investments (including expenses associated with such an acquisition), and continued expenditure in the Company's current business and/or general working capital.</p>
<b>Risk of economic and voting dilution</b>	<p>Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.</p> <p>If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.</p> <p>The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 5 October 2024.</p>

	The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.																																													
The table above uses the following assumptions:																																													
1. There are currently 394,671,665 Shares on issue.																																													
2. The issue price set out above is the closing market price of the Shares on the ASX on 5 October 2024 (being \$0.006) ( <b>Issue Price</b> ). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.																																													
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.																																													
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.																																													
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.																																													
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.																																													
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.																																													
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.																																													
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.																																													
Shareholders should note that there is a risk that:																																													
(a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and																																													

REQUIRED INFORMATION	DETAILS
	(b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
<b>Allocation policy under 7.1A Mandate</b>	<p>The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.</p> <p>The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:</p> <ul style="list-style-type: none"> <li>(a) the purpose of the issue;</li> <li>(b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;</li> <li>(c) the effect of the issue of the Equity Securities on the control of the Company;</li> <li>(d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;</li> <li>(e) prevailing market conditions; and</li> <li>(f) advice from corporate, financial and broking advisers (if applicable).</li> </ul>
<b>Previous approval under Listing Rule 7.1A.2</b>	<p>The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2023 (<b>Previous Approval</b>).</p> <p>During the 12 month period preceding the date of the Meeting, the Company has not issued any Equity Securities pursuant to the Previous Approval.</p>
<b>Voting exclusion statement</b>	A voting exclusion statement applies to this Resolution.

## 5. RESOLUTION 4 – RENEWAL OF THE CONSTITUTION'S PROPORTIONAL TAKEOVER PROVISIONS

### 5.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The proportional takeover provisions contained in clause 36.1 of the Constitution are no longer operative as it has been more than three years since they were last approved by Shareholders.

This Resolution is a special resolution which will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Constitution in the form of clause 36.1. The new clause 36.1 is in the same form as the existing clause 36.1 (as set out in Annexure A of this Notice).

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution is available for download from the Company's website.

## 5.2 Technical information required by section 648G(5) of the Corporations Act

<b>Overview</b>	<p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.</p> <p>Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.</p>
<b>Effect of proposed proportional takeover provisions</b>	<p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.</p>
<b>Reasons for proportional takeover provisions</b>	<p>A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.</p>
<b>Knowledge of any acquisition proposals</b>	<p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p>
<b>Potential advantages and disadvantages of proportional takeover provisions</b>	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> <li>(a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;</li> <li>(b) assisting in preventing Shareholders from being locked in as a minority;</li> </ul>

	<p>(c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and</p> <p>(d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.</p> <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <p>(a) proportional takeover bids may be discouraged;</p> <p>(b) lost opportunity to sell a portion of their Shares at a premium; and</p> <p>(c) the likelihood of a proportional takeover bid succeeding may be reduced.</p>
<b>Recommendation of the Board</b>	<p>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</p>

## How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

### APPOINTMENT OF PROXY

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

## SIGNING INSTRUCTIONS FOR POSTAL FORMS

**Individual:** Where the holding is in one name, the securityholder must sign.

**Joint Holding:** Where the holding is in more than one name, all of the securityholders should sign.

**Power of Attorney:** If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

**Companies:** Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
