However, the voter may cast a vote on the Resolution as a proxy if the vote is not cast on behalf of a person described in paragraphs (a) or (b) and either:

- (c) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (d) the voter is the chair of the meeting and the appointment of the chair as proxy:
 - (i) does not specify the way the proxy is to vote on the Resolution; and
 - (ii) expressly authorises the chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the company.

RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JOHN GARDNER

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

"That John Gardner, being a Director of the Company appointed by the Directors as an additional Director and holding office until this Meeting and in accordance with rule 7.3(f) of the Constitution of the Company and Listing Rule 14.4, and being eligible, offers himself for re-election, is hereby re-elected as a director of the Company."

 - (ii) the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

RESOLUTION 4 – CONFIRMATION OF APPOINTMENT OF AUDITOR

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

VOTING AND PROXIES

1. A Shareholder of the Company entitled to attend and vote is entitled to appoint not more than two proxies. Where more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the Shareholder's voting rights. EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

The business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.auroraenergymetals.com.

Shareholders will be offered the following opportunities:

- (a) discuss the annual financial report for the financial period ended 30 June 2024;
- (b) ask questions and make comment on the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit, preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2024.

A reasonable opportunity will be provided for questions about or comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

2.4 Proxy restrictions

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution (Remuneration Report) by marking either "For", "Against" or "Abstain" on the Proxy Form for this Resolution.

If you appoint a member of the key management personnel whose remuneration details are included in the Remuneration Report (who is not the Chairman) or a closely related party of that member as your proxy, and you do not direct that person on how to vote on this Resolution, the proxy cannot exercise your vote and your vote will not be counted in relation to this Resolution.

The Chairman intends to vote all undirected proxies in favour of this Resolution. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on this Resolution, by signing and returning the Proxy Form you are giving express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

Key management personnel of the Company are the Directors and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's key management personnel for the financial year to 30 June 2024. Their closely related parties are defined in the Corporations Act, and include certain of their family members, dependants and companies they control.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JOHN GARDNER

Rule 7.3(f) of the Company's Constitution provides that any Director appointed by the Board as an additional director may retire at the next meeting of members and is eligible for re-election at that meeting. Additionally, Listing Rule 14.4 provides that a Director appointed as an additional director must not hold office (without re-election) past the next annual general meeting.

John Gardner was appointed by the Board as an additional Director on 1 February 2024.

John Gardner holds office until this Meeting and, being eligible, offers himself for re-election as a Director of the Company.

John Gardner is a Non-Executive Director of the Company. Details of the qualifications and expertise of Mr Gardiner are set out in the Company's 2024 Annual Report.

The Board of the Company, with Mr Gardner abstaining, recommends the election of John Gardner as a Director

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% CAPACITY

4.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "*eligible entity*" means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Specific information required by Listing Rule 7.3A

(i) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(ii) Minimum price at which equity securities may be issued

Any equity securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (b) if the securities are not issued within 10 Trading Days of the date in paragraph (a), the date on which the securities are issued.

(iii) Purposes for which funds raised may be used

Equity securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of equity securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(iv) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the equity securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 2.4 cents	Funds raised based on issue price of 4.8 cents	Funds raised based on issue price of 9.6 cents
		(50% decrease in current issue price)	(Current issue price)	(100% increase in current issue price)
179,063,737 (Current)*	17,906,374	\$429,753	\$859,506	\$1,719,012
268,595,605 (50% increase)*	26,859,560	\$644,629	\$1,289,259	\$2,578,518
358,127,474 (100% increase)*	35,812,747	\$859,506	\$1,719,012	\$3,438,024

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 14 October 2024.
2. The issue price set out above is the closing price of the Shares on the ASX on 14 October 2024.
3. The Company issues the maximum number of equity securities available under the additional 10% capacity.

4. No Options are exercised into Shares before the date of the issue of the equity securities.

(v) Allocation Policy

The Company's allocation policy for the issue of equity securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (a) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(vi) Equity securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(vii) Voting Exclusion Statement

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

5. RESOLUTION 4 – CONFIRMATION OF APPOINTMENT OF AUDITOR

4.1 Background

As announced on 30 April 2024, the Company appointed BDO Audit Pty Ltd ("BDO Audit") as the auditor of the Company, which appointment took effect on 30 April 2024. BDO Audit replaced BDO Audit (WA) Pty Ltd as a result of a restructure of BDO WA's audit practice.

The process involved in the appointment is the Company received the resignation of the previous auditor which occurred with ASIC's consent pursuant to section 329(5) of the Corporations Act. BDO Audit was then appointed by the Board as auditor to fill a casual vacancy pursuant to section 327C of the Corporations Act. BDO Audit holds office as auditor until the Company's next annual general meeting (being this Meeting) at which time the auditor must be appointed by Shareholders.

By section 327B(1) of the Corporations Act, a public company must appoint an auditor to fill any vacancy in the office of auditor at each annual general meeting. An auditor so appointed holds office until the auditor dies, is removed or resigns from office, ceases to be capable of acting as an auditor or ceases to be an auditor.

By this Resolution, the Company is seeking Shareholder approval to the appointment of BDO Audit as auditor with effect from the close of the Meeting.

In accordance with the Corporations Act, a Shareholder has given to the Company a written notice of nomination of BDO Audit as auditor of the Company. A copy of this written notice is attached as Annexure A. BDO Audit has consented in writing to the appointment as auditor pursuant to section 328A(1) of the Corporations Act.

4.2 Recommendation

The Directors of the Company recommend that Shareholders vote in favour of appointing BDO Audit as the Company's auditor.

If this Resolution is not passed, there will be a vacancy in respect of the Company's auditor, which the Board will be obliged to fill within one month in accordance with section 327C of the Corporations Act.
