EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://resmin.com.au/>.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

1.4 Board recommendation

Given the personal interests of all Directors in the outcome of this resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ASIMWE KABUNGA

2.1 General

Clause 14.2 of the Constitution provides that one-third of the Directors (excluding any managing director) must retire each year.

In accordance with clause 14.2 of the Constitution and Listing Rule 14.5, Mr Asimwe Kabunga, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

2.2 Qualifications and other material directorships

Mr Asimwe Kabunga was appointed by the Board on 9 May 2022 and elected as a Director by Shareholders on 29 September 2022.

Mr Kabunga is a Tanzanian born Australian entrepreneur with multiple interests in mining and IT businesses around the world. Mr Kabunga has extensive technical and commercial experience in Tanzania, Australia, United Kingdom and the United States.

Mr Kabunga has been instrumental in establishing the Tanzania Community of Western Australia Inc. and served as its first President. Mr. Kabunga was also a founding member of Rafiki Surgical Missions and Safina Foundation, both NGOs dedicated to helping children in Tanzania. He is currently Chairman of ASX listed companies Volt Resources Ltd and Lindian Resources Ltd.

2.3 Independence

As Mr Kabunga is the Executive Chair of the Company and the sole director and shareholder of Kabunga Holdings Pty Ltd (who holds 21.23% of the Company's Shares as at date of the Notice), the Board does not consider him as being independent. However, the Board (excluding Mr Kabunga) considers that he has always acted, and will continue to act, in the best interests of the Company as a whole.

2.4 Board recommendation

The Board considers that Mr Kabunga's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Kabunga) supports the election of Mr Kabunga and recommends that Shareholders vote in favour of Resolution 2.

3. RESOLUTION 3 – RATIFICATION OF ISSUE OF CONSIDERATION SHARES IN FEBRUARY AND MAY 2024

3.1 Background

As announced to the ASX on 11 January 2023, the Company executed a Share Swap Agreement with ROPA Investments (Gibraltar) Limited (the **Vendor**) to acquire all the issued shares in Element92 Pte Ltd, which via Finland domiciled subsidiary, Element92 Suomi Oy, held the exploration reservations for three Finland projects, the Ruossakero Nickel project in Northern Finland, the Kola Lithium Project in Central Finland and the Hirvikallio Lithium Project in Southern Finland.

The consideration for the acquisition was 40,000,000 Shares at a deemed issue price of \$0.10 per share (the **Consideration Shares**), which were issued to the Vendor in two tranches, being:

- (a) 30,000,000 Consideration Shares on the conversion of the first Exploration Reservation to Exploration Licence; and
- (b) 10,000,000 Consideration Shares on the date that was three months after the date of issue of the 30,000,000 Consideration Shares.

The Vendor agreed to not dispose of the Consideration Shares for at least three months after their respective issue dates.

In the quarter ended 31 March 2024, the Company relinquished the Ruossakero, Kola and Hirvikallio reservations. A highly prospective area of the Kola reservation was converted into the Köyhäjoki Exploration Permit, which was granted in January 2024. An application to convert a second highly prospective part of the Kola reservation into the Pikkukkalio Exploration Permit has also been submitted. An exploration permit application, Laitiainen, has been submitted to replace the Hirvikallio reservation.

On 15 August 2024 the Company changed the name of Element92 Suomi Oy to RMI Finland Oy.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Consideration Shares does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain approval for such future issues under Listing Rule 7.1. To this end, Resolution 3 seeks Shareholder approval

for the issue of the Consideration Shares under, and for the purposes of, Listing Rule 7.4.

If Resolution 3 is passed, the Consideration Shares will be excluded in calculating the Company's 15% capacity to issue Equity Securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, the Consideration Shares will continue to be included in calculating the Company's 15% capacity to issue Equity Securities under Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

3.2 Listing Rule 7.5 information

Listing Rule 7.5 requires the following information to be disclosed to Shareholders in relation to the issue of the Consideration Shares:

Allottee	The Vendor, being ROPA Investments (Gibraltar) Limited
Number of securities issued	40,000,000
Class of security	Fully paid ordinary shares
Date of issue	30,000,000 Consideration Shares were issued on 15 February 2024 and 10,000,000 Consideration Shares were issued on 23 May 2024
Issue price or other consideration	Deemed issue price of \$0.10 per Share
Purpose	The Consideration Shares were issued as the consideration for the acquisition of Element92 Pte Ltd, as further detailed in Section 3.1
Summary of any other material terms of the agreement	Disclosed at Section 3.1

3.3 Voting exclusion statement

A voting exclusion statement for Resolution 3 is included in the Notice.

3.4 Board Recommendation

The Board believes that Resolution 3 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of the Resolution.

4. RESOLUTION 4 – RATIFICATION OF ISSUE OF PLACEMENT SHARES IN APRIL 2024

4.1 Background

As announced to the ASX on 17 April 2024, the Company conducted a placement of 50,000,000 Shares (**Placement Shares**) to raise \$1 million (before costs) at \$0.02 per Share.

The Placement Shares were issued on 23 April 2024, using the Company's placement capacity under Listing Rule 7.1A.

Resolution 4 seeks Shareholder approval to the ratification of the issue of the Placement Shares for the purposes of Listing Rule 7.4.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, an eligible entity may seek shareholder approval at its annual general meeting under Listing Rule 7.1A to increase this 15% limit by an extra 10%, to 25%. The Company obtained this approval at its annual general meeting held 28 November 2023.

The Placement Shares were issued using this additional placement capacity under Listing Rule 7.1A, effectively using up part of the Company's 10% limit under that Listing Rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A. Resolution 4 seeks Shareholder approval for the issue of the Placement Shares under and for the purposes of Listing Rule 7.4 and for all other purposes.

If Resolution 4 is passed, the Placement Shares:

- (a) will not use up any of the Company's additional 10% placement capacity under Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue pursuant to that rule; and
- (b) will immediately be counted in Variable A in the formulas in Listing Rules 7.1 and 7.1A, effectively increasing the base level of Shares on which the 15% and 10% limits in Listing Rules 7.1 and 7.1A are calculated to that extent.

If Resolution 4 is not passed, the Placement Shares will continue to be included in calculating the Company's additional 10% placement capacity under Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date (assuming the Company's approval under Listing Rule 7.1A remains in force for this period).

4.2 Listing Rule 7.5 information

Listing Rule 7.5 requires the following information to be disclosed to Shareholders in relation to the issue of the Placement Shares:

Allottee	New sophisticated investors and existing shareholders identified by the Company as investors who may be interested in participating in the placement. The Company invited these investors to participate in the placement following discussions with these investors. None of these investors are a related party, Key Management Personnel, substantial holder or adviser of the Company (or an associate of any of these).
-----------------	--

Number of securities issued	50,000,000
Class of security	Fully paid ordinary shares
Date of issue	23 April 2024
Issue price or other consideration	\$0.02 per Share
Purpose, including intended use of the funds raised	<p>The proceeds from the issue of the Placement Shares will be put towards:</p> <ul style="list-style-type: none"> • Copper-gold exploration at Mpanda and Mbozi projects in Tanzania, including soil geochemical, geophysical surveys and RC drilling programs; • Initial ground disturbing exploration at the Kola lithium Project in Finland; • Follow up exploration activities in Tanzania and Finland following the above programs; • General working capital; and • Payment of placement costs.

4.3 Voting exclusion statement

A voting exclusion statement for Resolution 4 is included in the Notice.

4.4 Board Recommendation

The Board believes that Resolution 4 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of the Resolution.

5. RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of the Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$8,480,521 (based on the number of Shares on issue and the closing price of Shares on the ASX on 21 October 2024).

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 5 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 5 for it to be passed.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 6.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for continued exploration expenditure on the Company's current projects, for potential future exploration activities, for corporate administration and working capital purposes.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 21 October 2024.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.0065	\$0.013	\$0.0195
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	652,347,807 Shares	65,234,781 Shares	\$424,026	\$848,052	\$1,272,078
50% increase	978,521,711 Shares	97,852,171 Shares	\$636,039	\$1,272,078	\$1,908,117
100% increase	1,304,695,614 Shares	130,469,561 Shares	\$848,052	\$1,696,104	\$2,544,156

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 652,347,807 Shares as at the date of the Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 21 October 2024 (being \$0.013).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options or Performance Rights are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company has previously sought approval under Listing Rule 7.1A on 28 November 2023 (**Previous Approval**). During the 12-month period preceding the date of the Meeting, being on and from 28 November 2023, and as at the date of this Notice, the Company has issued 50,000,000 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 7.99% of the total fully-diluted number of Equity Securities on issue in the Company on 28 November 2023, which was 625,473,768.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

Notes:

1. Market Price means the closing price of Shares on ASX (excluding special crossings, overnight sales and exchange traded option exercises). 2. Fully paid ordinary shares in the capital of the Company, ASX Code: RMI (terms are set out in the Constitution).
3. This is a statement of current intentions as at the date of the Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

5.3 Voting Exclusion Statement

A voting exclusion statement is included in the Notice. As at the date of the Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 5.

5.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 5.

6. RESOLUTION 6 – APPOINTMENT OF AUDITOR

6.1 General

Having received ASIC consent, BDO Audit (WA) Pty Ltd (**BDO WA**) resigned as auditor effective 17 July 2024. After receiving a consent to act, the Board moved to appoint, with effect from 17 July 2024, BDO Audit Pty Ltd (**BDO Audit**) pursuant to section 327C(1) of the Corporations Act. The change of auditor arose as a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA.

Pursuant to section 327C(2) of the Corporations Act, any auditor appointed under section 327C(1) of the Corporations Act holds office until the company's next annual general meeting. Accordingly, the Company would like to put the appointment of the Company's auditor before the members of the Company to formalise the appointment.

The Company has received:

- (a) a nomination under section 328B of the Corporations Act from a member of the Company to appoint BDO Audit Pty Ltd as the Company's auditor; and
- (b) a consent to act as auditor of the Company duly executed by BDO Audit Pty Ltd.

A copy of the nomination is attached to this Notice at Annexure A.

If Resolution 6 is passed, BDO Audit Pty Ltd will continue in its position as the Company's auditor.

6.2 Board recommendation

The Board recommends that Shareholders vote favour of Resolution 6.
