To consider and, if thought fit, to pass the following resolution as a **non-binding resolution**: "That the Remuneration Report as set out in the Annual Report for the year ended 30 June 2024 be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution.

- (b) a Closely Related Party of such a member.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Shareholders should note that the Chair intends to vote any undirected proxies in favour of Resolution 1. In exceptional circumstances, the Chair of the Meeting may change his or her voting intention on Resolution 1, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against Resolution 1 or to abstain from voting.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR TOBY WELLMAN

Voting exclusion statement:

Pursuant to the Listing Rules, the Company will disregard any votes cast in favour of this Resolution, if at the time of the Meeting, the Company is proposing to make an issue of Equity Securities under Listing Rule 7.1A.2, by or on behalf of any persons who are expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a Shareholder), or any of their respective associates.

However, this does not apply to a vote cast in favour of the Resolution by:

EXPLANATORY MEMORANDUM

INTRODUCTION

This Explanatory Memorandum has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

ASX takes no responsibility for the contents of this Notice.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Shareholders are specifically referred to the Glossary in this Explanatory Memorandum which contains definitions of capitalised terms used in the Notice of Meeting and this Explanatory Memorandum.

1. FINANCIAL REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2024 together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on those financial statements. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No Resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- the conduct of the audit:
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of the accounts; and
- the independence of the Auditor in relation to the conduct of the audit.

The Chairman will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

2. RESOLUTION 1 - NON-BINDING RESOLUTION TO ADOPT REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act the Company is required to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2024 Annual Report be adopted. The Remuneration Report is set out in the Company's 2024 Annual Report and is also available on the Company's website (www.lat66.com).

The vote on this Resolution 1 is advisory only and does not bind the Directors or the Company.

If at least 25% of the votes cast are against adoption of the remuneration report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' report was approved, other than the Managing Director, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as directors of the Company is approved will be the directors of the Company.

The remuneration report for the year ended 30 June 2023 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on 23 November 2023. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and sets out the details of any equity based compensation.

The Chair of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on the Remuneration Report.

3. RESOLUTION 2 - RE-ELECTION OF DIRECTOR - TOBY WELLMAN

Clause 15.2 (a) of the Constitution provides that a Director must not hold office without reelection past the third annual general meeting following the Director's appointment or last election or for more than three years, whichever is longer. Clause 15.2 (b) of the Constitution requires that there must be an election of Directors at each annual general meeting of the Company. This can be satisfied by one or more of the following so long as the maximum number of Directors set by the Company in general meeting (if applicable) is not exceeded:

- (i) a person standing for election as a new Director having nominated in accordance with clause 15.3 of the Constitution;
- (ii) any Director who was appointed under clause 15.4 of the Constitution standing for election as a Director:
- (iii) any Director who is retiring at the end of the annual general meeting due to clause 15.2(a) of the Constitution, standing for re-election; or
- (iv) if no person or Director is standing for election or re-election in accordance with clauses (i) to (iii) above, then the Director who has been a Director for the longest without re-election must retire and stand for re-election. If two or more Directors have been a Director the longest and an equal time without re-election, then in default of agreement, the Director to retire will be determined by ballot.

Clause 15.2 of the Constitution does not apply to the Managing Director who is exempt from retirement and only applies while the Company is on the official list of ASX. A retiring Director is eligible for re-election.

Mr Toby Wellman retired as Managing Director on 18 June 2024 and is therefore now subject to re-election pursuant to clause 15.2(a) of the Constitution. Mr Wellman, being a Director, has agreed to retire by rotation and, being eligible, offers himself for re-election as a Director.

Mr Wellman joined the Company as Technical Director in December 2019 and acted as Managing Director of the Company from 23 April 2021 until 18 June 2024, when he reverted again to Technical Director following the completion of the reverse takeover transaction with Latitude 66 Cobalt Limited.

Mr Wellman is a geologist with 20+ years global multi-commodity experience across the complete mining cycle including exploration, resource development and mining. Previous experience includes serving as Exploration Manager for Mont Royal Resources, Senior Exploration roles at Boliden Minerals in northern Sweden and Senior Development/Exploration roles at Doray Minerals, where he was a key member of the team that progressed the Andy Well and Deflector Projects through feasibility and into production.

Mr Wellman is also currently a Director for a private resources company exploring for volcanogenic massive sulphides in the Iberian Pyrite Belt of south-west Spain.

Mr Wellman is not considered to be an independent Director of the Company as he was the former Managing Director and currently holds an executive position as the Technical Director. He also has received performance-based remuneration (including options or performance rights) from, or participated in an employee incentive scheme of, the entity.

The members of the Board (other than Mr Wellman) have reviewed Mr Wellman's performance since his appointment to the Board and considers that Mr Wellman's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Wellman and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 – General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (7.1A Mandate).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 - Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 4.3(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards exploration and evaluation of the KSB Project and PSB Project in Finland, the Company's existing projects in WA, ongoing targeting and evaluation of new exploration and growth opportunities in Finland and the WA gold sector, general working capital and administrative expenses.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 22 October 2024.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

	Number of Shares issued and funds raised under the 10% Placement Capacity and dilution effect	Dilution			
Variable A		\$0.0625 Issue Price at half the current market price	\$0.125 Issue Price at current market price	\$0.25 Issue Price at double the current market price	
Current	Shares issued	17,802,595	17,802,595	17,802,595	
Variable A 178,025,950	Funds raised	\$1,112,662	\$2,225,324	\$4,450,649	
Shares	Dilution effect	10%	10%	10%	
50% increase in current Variable A 267,038,925 Shares	Shares issued	26,703,892	26,703,892	26,703,892	
	Funds raised	\$1,668,993	\$3,337,986	\$6,675,973	
	Dilution effect	10%	10%	10%	
100%	Shares issued	35,605,190	35,605,190	35,605,190	
increase in current Variable A 356,051,900 Shares	Funds raised	\$2,225,324	\$4,450,649	\$8,901,297	
	Dilution effect	10%	10%	10%	

^{*}The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

Note this table assumes:

- (i) There are currently 178,025,950 Shares on issue.
- (ii) The issue price set out above is the closing market price of the Shares on the ASX on 22 October 2024 (i.e \$0.125)
- (iii) The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- (v) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options or Performance Rights are exercised into Shares before the date of issue of the Equity Securities.
- (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- i. the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- ii. the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- i. the purpose of the issue;
- ii. alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- iii. the effect of the issue of the Equity Securities on the control of the Company;
- iv. the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- v. prevailing market conditions; and
- vi. advice from corporate, financial and broking advisers (if applicable).
- (f) Previous approval under Listing Rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A on 23 November 2023 at its 2023 annual general meeting (**Previous Approval**).

During the period preceding the date of the Meeting, being on and from 23 November 2023, the Company issued no Shares pursuant to the Previous Approval (**Previous Issue**).

(g) Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.
