Explanatory Memorandum

Appendix A

Introduction

This Explanatory Memorandum has been prepared to assist shareholders to understand the business to be put to shareholders at the forthcoming Annual General Meeting.

The Directors recommend shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions. Please refer to Appendix B of this Explanatory Memorandum for definitions of capitalised terms in this Notice of Meeting and Explanatory Memorandum.

Business

The Annual Report 2024 (including the financial statements, Directors' report and Auditor's report for the financial year ended 30 June 2024 is available for review by members at www.korab.au and will be tabled at the Meeting. There is no formal resolution to accept the financial statements and reports, but provision will be made to members to question the Directors and the Auditor should they wish to do so.

1 Financial Report

The Corporations Act requires the following reports in respect of the year ended 30 June 2024 to be laid before the annual general meeting:

- (a) the reports of the Directors and Auditors; and
- (b) the annual financial report, including the Company's financial statements.

Neither the Corporations Act nor the Company's constitution requires a vote of shareholders on the reports or statements. However, shareholders will be given ample opportunity to raise questions or comments of the Company's management.

The financial report for consideration at the meeting will be the full financial report. Each shareholder can access the full financial report at www.korab.au or request a printed copy by contacting the Company.

A reasonable opportunity will be given to the Company's shareholders as a whole at the meeting to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

2 Resolution 1 – Remuneration Report

Under the Corporations Act, the Company is required to include, in the directors' report, a detailed Remuneration Report setting out the prescribed information in relation to the remuneration of directors and executives of Korab and the Company's remuneration practices.

Shareholders will be given reasonable opportunity at the meeting to ask questions and make comments on the Remuneration Report.

The Remuneration Report is required to be submitted for adoption by a resolution of shareholders at the meeting. The vote on this resolution is advisory only and does not bind the directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies. From 1 July 2011 the advisory vote on the Remuneration Report under section 250R(2) of the Corporations Act 2001 has taken on additional significance. If there are two consecutive votes at the Annual General Meeting (AGM) against the Remuneration

Explanatory Memorandum

Report of 25% or more (Strikes), the second AGM at which the Strike occurs (Second Strike) will then consider whether the Board should be put up for re-election (Spill Resolution). If the Spill Resolution is passed then the Company is required to hold a Spill Meeting within 90 days of the Spill Resolution. It is at the Spill Meeting that the Directors (excluding the Executive Chairman) will be considered for re-election.

The vote will be held by conduct of a poll. The vote is determined in the same way as any other vote held at a general meeting.

The Spill Resolution will only be relevant to the next AGM, and then only if there was a vote of 25% or more against the Remuneration Report at this AGM (First Strike). The Spill Resolution, if required to be put to the meeting, is voted on as any other resolution at the meeting. The proxy form will include the Spill Resolution, just as any other resolution for the meeting. If there is no Second Strike then the Spill Resolution will not be put to the meeting. Essentially the Spill Resolution in the Notice of Meeting will be ignored. The count will start again if a Second Strike does not occur at the AGM immediately following the First Strike. The Spill Resolution will pass, i.e. to put the Directors up for election, on a majority of 50%. The Spill Meeting must be held within 90 days of the Spill Resolution passing.

The Executive Chairman is not required to go up for re-election at the Spill Meeting. All other Directors who were Directors at the time of the Second Strike must go up for election at the Spill Meeting. The legislation allows for the company to retain 3 Directors (or 2 plus the Managing Director or Executive Chairman in case of the Company who combines the functions of Managing Director and Chairman of Directors under the Constitution), being the minimum number of Directors for a Public Company under the Corporations Act 2001. If all Directors are voted out, then the Directors that are retained to maintain the statutory minimum will be those with the most votes for their election. If there are two or more Directors with the same number of votes, then the Directors shall choose the Director to be retained. If none of the Directors (other than the Managing Director or Executive Chairman) who were a Director at the time of the Spill Resolution remain as a Director before the end of the 90 day period, then the Spill Meeting does not need to be held.

The voting by members of a Company's Key Management Personnel (KMP) will be subject to specific exclusions from voting their personal interests or as proxy for third parties in respect to matters related to remuneration. The extent of the exclusions depends upon the capacity under which the KMP exercise the vote and the subject matter of the resolution. The exclusions also apply to the voting by certain relatives of, or entities controlled by, KMP. Key Management Personnel of the Company or the consolidated entity of which the Company is a part and their closely related parties, being: the spouse or a child of the KMP, a child of the KMP's spouse (commonly referred to as a step-child), a dependant of the KMP or the KMP's spouse, a member of the KMP's family who may be expected to influence, or be influenced by the KMP, in the KMP's dealings with the entity, a company controlled by the KMP are subject to various exclusions in respect to voting on matters related to remuneration.

KMP are defined under AASB 124 as: those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity. The determination of who are KMP and a closely related party of the KMP will need to be made for each AGM, or any general meeting if remuneration matters are to be considered, effective at the date of the meeting. It will not be sufficient to rely upon the KMPs disclosed in the Company's financial accounts as the KMPs may have changed since the balance date for the financial accounts.

The exclusions apply to the advisory vote on the Remuneration Report and resolutions connected directly or indirectly with the remuneration of the KMP. The legislation does not define "resolutions connected directly or indirectly with the remuneration of the KMP", but the legislation does give examples, such as: the Spill Resolution, Director's remuneration, financial benefits to KMP. The

voting exclusions in respect to the Remuneration Report only apply to companies that are required to put the Remuneration Report to the vote under Section 250R(2) of the Corporations Act.

The Chairperson is required to vote any directed proxies they hold on a poll.

If you appoint the Chairperson as your proxy (where he/she is also a member of KMP whose remuneration details are included in the Remuneration Report, or a closely related party of such a member) or if you appoint any other person as your proxy you do not need to direct your proxy how to vote on this Resolution and you do not need to mark any further acknowledgment on the Proxy Form. Chairperson intends to vote all undirected proxies in favour of Resolution 1.

3 Resolution 2 – Election of Director of the Company

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors each year. The Constitution of the Company requires that one third of directors retire each year. If the number of directors who are subject to rotation is less than three, then that director who has been the longest in office since his/her election will retire by rotation.

Consequently, Mr. Anthony G. Wills retires in accordance with the Constitution of the Company and the Listing Rule 14.5 and being eligible, he offers himself for election as Director of the Company.

Information about Mr Wills is provided on page 5 of Company's 2024 Annual Report.
